At last Friday’s Induction of Student Leaders Assembly, our 2013 student leaders were formally acknowledged and appointed to their new roles.

Our Junior School Captains Alinea Ellerton and Jaedyn Bassett and Senior School Captains Madison Helmore and Jarrod Esh are looking forward to representing the Camperdown College students within the school and wider community.

We welcome them to their roles and know that they will be fine ambassadors for the College. Congratulations to all students who have been elected or selected to leadership positions in 2013.

From the Principal's Desk...

I have said in several forums recently that for the first time in many years, Camperdown College has commenced a new school year with an increase in enrolments. We are pleased to welcome a number of new families into our College community and delighted that so many of our students are staying with us and moving on to the next stage of their educational journey within the College.

Our community is recognising that Camperdown College is moving forward and this is an important and exciting time for our school. The College community has made decisions over recent years regarding the organisation of our thirteen year levels and the location of our students on our two campuses. Significant sums of money have been spent, and continue to be spent, to give our students the first class facilities and learning environments that they deserve. Important attention has been paid to academic standards and Camperdown College continues to make a name for itself as a school with strong academic outcomes and successful pathways.

Our strength as a learning community depends on all of us being prepared to take the lead and play our part in building a positive future for ourselves and for our school. I congratulate the students, staff and families of Camperdown College on all that has been achieved already and look forward to working with you all as we embrace new opportunities and challenges.

On Tuesday night, I had the pleasure of attending the public speaking component of the Camperdown Lions Youth of the Year. Our three school representatives (Jarrod Esh, Madison Helmore and Shannon Jolly) along with four students from Mercy Regional College each gave a five minute prepared speech and responded to two challenging impromptu questions. Jarrod, Madison and Shannon were all most worthy competitors and fine ambassadors for the school. We were very proud of them all and delighted when Jarrod Esh was announced the overall winner. Jarrod will now represent the Camperdown Lions Club and our College, at the Regional Final in Mortlake in March. Congratulations Jarrod!

Our School Council with its current membership, met for the final time this week and we now move into the process of filling vacancies. We have two parent positions and three DEECD staff positions to fill and I encourage all parents to give careful consideration to this opportunity. School Council meets on the third Wednesday night of each month and is a forum for discussion and decision making regarding school policy and development. Information about the School Council nomination process is included in this newsletter.

Congratulations to all of our students who have participated enthusiastically in this week’s swimming carnivals. There have been some outstanding individual and team performances and some commendable spirit and loyalty! Thankyou to our Parents & Friends Association for their organisation of tomorrow night’s Pool Party and I hope that many students and families can come along to enjoy this event.

Camperdown College has a long standing tradition of showcasing outstanding candidates in the Camperdown Lions Youth of the Year competition. College Captains Madison Helmore and Jarrod Esh along with SRC President Shannon Jolly participated in the competition on Tuesday and proved to be wonderful ambassadors for our College.

Seven students took part in this year’s competition. They were interviewed by a panel of judges about their sporting, cultural and academic achievements and their understandings of current affair issues. After a meal with Lions Club members, judges and staff at the Commercial Hotel in the evening, the students ventured to the RSL Hall for the public speaking component of the competition.

The students had to present two impromptu speeches and a five minute prepared speech. The impromptu topics were: What are your views of the proposed CCTV for Warrnambool and Why is Australia Day important to you?

Jarrod’s prepared speech was about the importance of access to medical specialists in the country, Madison spoke about the pressure of VCE and Shannon conveyed her ideas about life changing events. Congratulations must go to all of the students; we were very proud of their efforts.

Congratulations to Jarrod Esh who was bestowed the honour of being awarded the title of Camperdown Lions Youth of the Year for 2013.

The judges were very impressed with Jarrod’s interviewing skills, ability to think on his feet, knowledge of current affairs and ability to present his ideas.

Jarrod will now participate in the Lions Youth of the Year Regional Final to be held in Mortlake on Sunday 3rd March. We wish Jarrod every success at this level.

Wilson Street Swimming Carnival:
The Wilson Street Swimming Carnival was conducted today. In the lead up to the day, our House Captains did a wonderful job in organising students into events. Many of the Year 7 students have conveyed throughout the week just how much they were looking forward to a day of competing in this event. Thankyou must go to Miss Bloomfield for all of her work in planning the day.

Year 12 Camp:
Ballarat University was the setting for our Year 12 Camp that was conducted last week. Our students joined other students from small rural colleges in the western district where they listened to experts in each of the fields that they study. The students also enjoyed making new friends and learning about goal setting and study techniques.

Induction of Student Leaders Assembly:
At this year’s Induction of Student Leaders Assembly, the Year 12 students introduced our Prep students to the College community. The Year 12 students met with the Preps prior to the ceremony where they talked to them and watched them draw pictures about what they like and what they want to be when they grow up. The Prep students completed some fantastic pictures and proudly held them up for everyone to see on the stage on Friday. Firemen, life savers, truck drivers, fairies and doctors are just some of the future ambitions of this group. At the end of the introduction, the Prep students presented the Year 12’s with their Year 12 badge.

Congratulations to the following students who were presented with leadership badges at the Assembly last Friday.

Brooke Street News

Swimming Carnival:
The annual Brooke Street Swimming Carnivals were held on Monday on a sunny (and windy) 36°C day! Students in Year 1/2 participated in a Fun Activities Morning that was run by some of our very capable Year 5/6 students. The events included hoop diving, dive sticks and shooting baskets. The senior students did an excellent job of engaging and entertaining our junior students, all the while encouraging and supporting them.

In the afternoon, students in Year 3 – 6 participated in their House Carnival. It was wonderful to see them participating and having a go. To conclude the event each year, the six students who record the fastest times during swimming lessons all compete in the Championship Race. The students involved all did a fantastic job at swimming freestyle for 66 metres after competing all day, but we were very proud to announce that Year 5 student Jack Helmore, set a new race record with a time of 51.97 seconds! Considering the World Record that is held by Australian Eamon Sullivan is 47.05 seconds over 100 metres, Jack’s swim was very impressive, well done!

I’d like to thank Ms Duynhoven for all of her work in planning and running the swimming events, our Brooke Street staff as a whole for their contribution on the day and particularly our parents who came to assist.

Unfortunately, there were some concerns about the quality of the pool water that day – I’d like to reassure everyone that the water quality was tested periodically throughout the day by pool staff and that the cloudy appearance was caused by a run of sunny days and the use of sunscreen on swimmers.

Lunch Orders:
Due to an increasing number of students forgetting to put their lunch orders in the box in the morning, we have had to make the following arrangements. Starting next week, lunch orders will not be accepted after the boxes have been taken to Wilson Street, which is approximately 9.15am. Students who do forget will be provided with a sandwich, at a nominal cost and a note will be sent home to
advise parents. Teachers will still be reminding students in the morning to put in their lunch orders and will do everything that they can to ensure that orders are not forgotten. We appreciate your understanding.

**Weekly Brooke Street Assembly:**
Our Brooke Street Weekly Assembly will commence tomorrow, Friday 22nd February at 12pm. It will be held on the basketball court (weather permitting) and we will be presenting the first of our weekly Citizenship Awards. Each week, the classroom teachers will select one student who has demonstrated the qualities of good citizenship and they will be presented with a certificate at our assembly. It would be wonderful to have lots of parents attend to share in the achievements of our students.

After the last assembly that we had, parents/guardians and friends of our Prep – Year 2 students stayed on for a picnic lunch. It was lovely to see so many friendly faces enjoy that experience with their children. The more Camperdown community members who get involved with our school, the better!

**Welcome:**
Last Friday, Lizzy Burke was warmly welcomed into the Prep room at the Brooke Street Campus. Welcome to Camperdown College Lizzy – we hope that you have a wonderful time at school.

**Parent Teacher Interviews:**
This week, you should have received a letter outlining the Brooke Street Parent Teacher Interviews next Wednesday 27th February. Please ensure that you select your preferred timeslot and return the note to your child’s classroom teacher. Tomorrow, teachers will be working together to coordinate interview times and a confirmation note will be sent home with students.

**Induction of Student Leaders Assembly:**

Prep – Year 2 Picnic Lunch
On Friday 8th February, students in Prep – Year 2 celebrated the beginning of the 2013 school year by enjoying a picnic lunch with their parents, grandparents and friends on Gilligan’s Island at the Brooke Street Campus. After our first assembly for the year, students and their parents found a piece of lawn to enjoy the beautiful sunshine and eat their lunch.

It was a great opportunity for new and returning parents and friends to talk with each other and the Prep – Year 2 staff members. It was fantastic to see such great support from our infant students’ parents and we look forward to many more fun and special occasions throughout the year.

Year 1 – 6 Swimming Carnivals
What a fantastic day we had for our Year 1/2 Fun Activities Morning and Year 3 – 6 Swimming Carnival on Monday 18th February. Despite the strong winds, the weather was magnificent and the water was very inviting. All students were proud of their achievements and it was wonderful to hear words of encouragement and support. The day was a great way to showcase the skills that students have been working on in the swimming program over the past two weeks.

The Year 1/2 students enjoyed activities such as diving through rings and finding objects in the pool. The Year 5/6 helpers (Olivia Henzen, Jaedyn Bassett, Sarah Delwig, Jacob Vagg, Tom Cole, Zoe Wilkinson, Lachlan Stephenson, Alinea Ellerton, Olivia Maskell, Annabel Lucas, Brooke Herron and Jack Helmore) did a wonderful job keeping the activities fun and they all demonstrated how to be good leaders.

During the Year 3 – 6 Swimming Carnival in the afternoon, all students competed in freestyle, backstroke and breaststroke events in their age and ability groups and all competitors contributed to their house score. The winning house was Leura on 231 points followed by Bullen Merri on 194 points and Manifold on 180 points. The scores at the end do not reflect how close the scores were for most of the day.

The Championship Race participants this year included the six fastest Year 5/6 students based on the times that were recorded in time trials during the swimming program. It was a very exciting race with all competitors giving 100%. We were very excited to see Jack Helmore win with a new record of 51.97 seconds at the conclusion of the 66 metre swim, taking 4.45 seconds off the previous record that was held by our 2011 Champion. I was surprised and happy, said Jack. He was awarded a medal for this fantastic effort which was kindly donated by Paula and David Robertson.

Again, many of our parents assisted throughout the day in many ways which definitely contributed to the success of the day and ensured everything ran smoothly. A big thank you to all staff and the following parents: Jane Bennett, Claire Kempton, Kerrie Teal, David Wilkinson, Kelleigh Henzen, Lesa Best, Lisa McDonald, Michelle Teal, Donna and Damien Baulch, Peter James and those who helped pack up at the end of the day.

Brooke Street Library - Settling in nicely:
Some of you may have heard through your children, the Brooke Street Library has had a bit of a shuffle around during the holidays and is now located in the end of the BER building with its own entrance and all of the sections together.

For the first few weeks this term, I am running library classes to allow the students to familiarise themselves with the new space and to remind them of what is available. This is getting an enthusiastic thumbs up from students who have enjoyed lunchtimes playing games with their friends or just sitting and reading in quiet corners. They have also enjoyed the activities during library sessions that are designed to give them a good opportunity to explore the shelves and find new books to read. It is a great time to establish good habits about using the shared space of the library and its surrounds in an appropriate way that is respectful to all of the school community. I am encouraging students to take care to return their books to the shelves in a tidy manner and to speak in a library voice whilst there.

As always, it is fantastic to see students across all year levels working and playing together in this wonderful space.

Missing Books:
One of the things that has come to my attention during borrowing time in the library is, that in each class there seem to be a few students who have lost or not returned books from last year. As part of our library sessions, we have talked about good ideas to help keep track of your school library books. For instance:
- After reading, put your book/s back into you reader folder or school bag
- Put your library book in the same spot each time (eg: bedside table, so that you always know where it is)
- Don't leave your book where pets or younger siblings can cause damage to them
- Get into the habit of bringing your library book to school each week for returning or renewing, so that it is never overdue.

All students have been asked to go home and do a really thorough check for any overdue library books, so that they can bring them back next week and recommence borrowing. So that your child does not miss out on the use of the wonderful resource of borrowing books from the library, can all parents please help their child to check around home for any school library books that should now be returned.

As I keep saying to the students, we are all part of the library team and the library and its books belong to everyone.

Victorian State School Spectacular Update:
Auditions have now taken place and Jessica Gaut is doing a wonderful job of teaching the students a routine. Ms Duynhoven and Mrs Timilsina watched and selected the students based on the criteria of movement/coordination, learning/remembering and listening/following instructional skills.

It was not an easy task, but I am happy to announce that the following twenty two students are now our dance team for the 2013 VSSS: Lara Brown, Aidan Edgell, Kristy Parsons, Ruby Bennett (pictured right), Jacob Gillmartin, Kc Jenkins, Krystal Park, Sarah Delwig, Riley Helmore, Ben Walters, Khris Clementson, Molly Hedrick, Olivia Henzen, Brooke Herron, Amelia Kempton, Annabel Lucas, Charlie Tickner, Zoe Wilkinson, Lachlan Bennett, Rorey Fenton, Grace Jopling and Olivia Maskell. We also have three understudies who will rehearse with the team: Danielle Schmidt, Sasha Smith and Declan Tickner.

All students who auditioned have been invited to join the team in Term 3 to learn the choreography to then be presented at the Brooke Street Concert later that term. All media permission slips have been returned and we have now had a session to measure the dance team for their costumes. Thankyou to Kylee Bennett, Sue Delwig, Claire Kempton (pictured right) and Jessica Gaut for their help with this task which was finished in quick time due to their capable enthusiasm. Sue Delwig has also offered to be the costume coordinator.

I am still waiting to receive the choreography DVD and instructions, but we now know that we will be involved in four mass dances plus the finale; very exciting! The Parents & Friends Association are keen to give us support for the Spectacular and I will be forwarding the details to them in the next few weeks.

We also now know our times for the rehearsals in Warrnambool and I will be contacting the parents who have volunteered to drive students to and from the rehearsals in the next week or so.

Desperately Seeking Plants!
We are seeking plants of any sort (big, small, smelly, interesting) that we can sell at our Plant Stall at the Fete. Even if you only have a few, they all add up! Why not go out one night with the kids, as I know we have some very keen budding gardeners! Perhaps the kids could visit friends, neighbours and Grandparents and pot some together!

We are also after six inch and larger pots as well as donations of bulbs and decorative pots/containers which we can fill to add a bit of variety to our stall. We would be grateful if you could drop empty pots off at the Brooke Street Office ASAP and if you need any, please let me know. To help with our planning, could you please send in the names and quantities of plants that you have or if you are not sure if what you have is appropriate, send a list with your child and I will get back to you. Plants can be brought to school the week before the Fete.

Happy potting!

Caroline Duynhoven and Lorraine McKenzie, Plant Stall Coordinators
