Our Senior Campus students are thoroughly enjoying the new learning spaces in the refurbished Science wing. The transformed laboratories are well equipped to support practical scientific investigations, with six self-contained work stations in each room in addition to new classroom furniture and enhanced technology.

Thank you again to School Council, our Science staff and our local tradespeople who worked on this project: Brant Murrihy Demolitions, Deiter McDonald Plumbing, Murray Lucas Builders, Mark's Joinery, Simon Pollard Electrical, Gary Fryers Painting and Swintons Flooring. Our attention now turns to the Senior Campus Hall, with beautification works beginning later this month.

Cherie Kilpatrick
Principal
From the Principal's Desk…

A fortnight ago, I attended a community forum in Warrnambool exploring the issue of educational attainment. The Great South Coast region has lower rates of Year 12 attainment (or equivalent) than other areas and there is strong interest in developing a whole of community response to the challenge of improving school completion rates. There is a great deal of evidence to show that for this generation of young people, remaining engaged in education and obtaining a qualification that is equivalent to the end of Year 12 (for example VCE, Senior VCAL and/or Certificate II or III in a Vocational Education and Training course) is a strong indicator of future employment success, well being, health and productivity.

All students at Camperdown College are encouraged and supported to make full use of the opportunities available to them at school and to pursue pathways that are relevant to their strengths, interests and future aspirations. With regards to the senior years of schooling, it is very much a case of there is more than one way to skin a cat. In our current group of 46 Year 11 and 12 students, we have students studying VCE courses geared for tertiary entry, undertaking Intermediate and Senior VCAL (Victorian Certificate of Applied Learning), acquiring certificates through Vocational Education and Training courses, participating in weekly or twice weekly Structured Workplace Learning placements and transitioning to work through School Based Apprenticeships.

Last week’s Student Leadership Induction Ceremony, at which our Year 12 students introduced our new Prep students, was a fitting and symbolic reminder of the power of the educational journey. Our Preps shared their future aspirations with the whole school community and I am sure that while acknowledging and celebrating the start of the journey for our youngest students, we also admired our senior students who, in their final year of schooling, are soon to reap the rewards of their efforts. The relationships they have built with each other and with College staff over thirteen years and the relationships that have been developed between families and the school, will provide a strong foundation of support for the future.

Time spent at school is time well spent and we appreciate every effort made by families to reinforce the importance of education. Staying at school to complete Year 12 or equivalent is one key part of the equation; the other is attending school every day, on time, ready for learning. There are sometimes good reasons why students are unable to come to school and it is essential that parents communicate with the school when this is the case. Our Regional Director, Matt Dunkley, has reminded us that attendance rates in Australia are much lower than in many other countries. At Camperdown College, the average absence rate in 2013 was 16.3 days. If a student was absent for this many days for each of their 13 years of schooling, that would be the equivalent of missing one full year of learning.

At Camperdown College, we are particularly pleased with the strong attendance culture amongst our Year 10, 11 and 12 students. Regular attendance is closely linked to learning progress and we will be working closely with families to ensure that all children are able to take full advantage of educational opportunities by regularly attending school. Amendments to the Education and Training Reform Act 2006 came into effect on Saturday 1st March this year, holding parents and schools to account for ensuring regular attendance.

The home – school partnership remains an essential ingredient in a student’s enjoyment of school and their learning success. Recent events, including the whole school assembly and Pool Party, have highlighted how fortunate our students are to enjoy such a high level of family interest and support. It is pleasing to see that we have had sufficient nominations to fill all six parent staff vacancies and one staff vacancy on School Council and we welcome back Jane Bennett, Tony Davis, Ruth Gstrein, Kim Helmore, Darren Maskell, Ross McIlveen and Vicki Angus. In the next newsletter we will formally introduce the 2014 School Council. Thank you to all of our families for the many ways in which you support your children’s education, and our school.

Ms Cherie Kilpatrick
Principal

Congratulations to senior student Tilly Morgan who is one of only 17 Year 11 girls from around Victoria to be selected for the 2014 UBS Young Women’s Leadership Academy. Tilly will travel to Sydney in the upcoming school holidays to attend this prestigious leadership program and we look forward to hearing all about her experiences when she returns.

New Office Open for Business

Our new Senior Campus entrance and General Office is now open for business, with Searle Brothers Constructions completing this major building project earlier this week. When coming to the Office, families are invited to park on the Errey Street side of the Campus and enter through the new foyer. The Uniform Shop is also located within the new foyer area.

Cherie Kilpatrick
Principal

Pictured right: Office Manager Christine Esh with Year 12 student Grace James.
**Senior Campus News**

**Breakfast Program:**
The breakfast program commenced at the Senior Campus on Monday with over forty students attending. Some students took the opportunity to have a second breakfast whilst others found the time to slip in a piece of toast or have a bowl of cereal before going to class. Thanks to Megan Vandenbergh and Claire Blackstock for organising the program for our students.

**Every Day Counts – School Attendance:**
We all want our students to get a great education and the building blocks for a great education begin with students coming to school each and every day. Missing school can have a major impact on a child’s future. There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes. Please remember, every day counts. If your child must miss school, please contact the school by phone or send in a note of explanation.

As you may be aware from the media coverage that as of Saturday 1st March 2014, new laws surrounding attendance are in place and we are required to monitor attendance very carefully. If you ever have attendance issues with your child, please let your child’s Learning and Engagement Leader know so that we can work together to get your child to school every day.

**Induction of Leaders:**
Congratulations to all students who were presented with their badges at our Leadership Induction last week. The Year 12 students are to be praised for the wonderful work they did introducing the Prep students to the whole school community.

**Swimming Sports – School and Interschool:**
The senior swimming sports were held a fortnight ago under less than pleasant conditions. This was unfortunate considering the beautiful weather that we had in the lead up to the day. We were able to conduct the majority of the events to determine the age champions and cancelled the relay events. Congratulations to all age champions. I must reinforce just how wonderful the students were; they were happy to swim and I didn’t hear one complaint during the time we were there. Thank you to all parents who so willingly took the time to come and pick their children up from the pool so that they could take them home to get them warm and dry.

The interschool swimming sports were held last week in Timboon and many students represented the College at this event. Staff who attended, commented on the positive attitude and willingness of the students to step up and fill in gaps where necessary. Congratulations to all students involved in the day with a number of fine individual performances noted. At this stage, we are unaware of who has made it to the next level of competition.

**Debutante Ball:**
Our Debutante Ball preparations are well and truly underway much to the excitement of the forty-two participants. Thank you to the parents of debutantes who have willingly taken on the role of organising aspects of the evening. The decorations team is meeting tonight at 4.30pm in the Library under the leadership of Jenny O’Neil.

Parents of students in Year 2 and 3 are invited to submit their child’s name to take on the role of organising aspects of the event. Staff will be happy to assist.

**Ms Vicki Angus, Senior Campus Assistant Principal**

**Junior Campus News**

**Arrive on time!**
It has been fantastic to see that the majority of students at school on time each day, ready to learn. When all students are at school on time, this allows for a smooth beginning to the day and for the maximum amount of time to be spent on teaching and learning. Unfortunately, when students arrive late, it disrupts the learning of the entire class and the late comers miss important instructions or information. Whilst we understand that there are times when unforseen circumstances mean that a student cannot get to school on time, we do ask that parents support us by keeping late arrivals to a minimum.

**On the other hand...**
It has been noticed that a small number of students have been arriving at school too early. Parents and guardians are reminded that the bag bell does not ring until 8.45am and that students should not be arriving at school too long before this time. Also, if your child is away for any reason, please remember to either call the Office on the day that they are absent, or send a note to the classroom teacher if the absence is planned ahead of time.

**Induction Assembly & School Photos:**
It was a big day for all involved last Tuesday as the school photos were successfully run at the Senior Campus. Our students looked very swish for their photos and also the annual Induction of Leaders Assembly. Thank you to those families who made the extra effort to ensure that their child was in full school uniform, they really did look very smart. Thank you also to the parents and friends who were able to attend the assembly. It’s just another celebratory tradition that we enjoy at Camperdown College.

**Swimming:**
Our annual Year 3 – 6 Swimming Carnival was held last week on what turned out to be a pleasant day of passing sunshine! Our students participated with smiling faces, sometimes quivering lips, but mostly a great deal of passion and enthusiasm! Well done to Manifold who were the winning house on the day! Our thanks must go to Ms Duynhoven, as well as the team of teachers who make this day a wonderful success. Thanks also to the willing parents who participated in the inaugural Parents/Teachers vs Students Relay to complete the Carnival – it was a fantastic spectacle that our entire school community enjoyed!

Today we have 17 of our Junior Campus students representing Camperdown College at the Division Swimming Sports in Hamilton. Well done and good luck to Ian and Zoe Wilkinson, Olivia Maskell, Bailey McDonald, Ruby Bennett, Taylah Best, Molly Hedrick,
Amelia Kempton, Hailey Rosenthal, Riley and Jack Helmore, Ben and Darcy Micallef, Charlie Tickner, Evie and Khris Clementson and Tamara Jones!

**National Young Leaders Conference:**
Four of our senior school leaders were fortunate enough to attend the Halogen National Young Leaders Conference last week with Mrs Nelson as part of the student leadership program. Olivia Maskell, Ben Micallef, Jack Helmore and Zoe Wilkinson all enjoyed the experience of listening to inspirational speakers such as the renowned author John Marsden. Thank you to Mrs Nelson for facilitating this opportunity for our emerging leaders.

**Mrs Angela Hall, Junior Campus Assistant Principal**

**Parents & Friends Pool Party**

A lovely summer evening ensured the success of the annual Camperdown College Pool Party last week, as parents, staff and students celebrated the beginning of the 2014 school year. The Parents & Friends Association were thrilled to be hosting the event on such a nice night after quite a few years of chilly conditions!

The YMCA staff provided fun in the water with their *aqua roller* and everyone enjoyed the barbecue which was superbly cooked by David Wilkinson and Graeme Bennett. Thank you to all families who attended and helped make the night a huge success.

**Kim Helmore, Parents & Friends President**

**Pictured left: Sadie Walsh.**

**Ice Cream/Icy Pole Day**

The Camperdown College Victorian State School Spectacular Dance Team are raising money for their three days in Melbourne by holding an ice cream/icy pole day on Tuesday 18th March at the Junior Campus.

Ice creams/icy poles will be sold for $1 each from the front of the BER Building during lunchtime. If your child would like to take part, please send them to school with money on this day and thank you in advance for your support.
VCAL News

The VCAL students were successful in their application for funding through the WestVic Staffing Solutions Foundation Program. This funding has enabled us to purchase a set of Makita power tools, carry bag, additional battery packs and protective equipment (goggles, face masks and ear muffs). This equipment will assist us in a number of projects throughout the year. These will include building a shelter and seating for the Camperdown – Timboon Rail Trail, a project at the new Camperdown Playspace and construction projects around our College. We appreciated having new tools to work with and we are looking forward to developing our Applied Learning Workshop.

We would like to thank WestVic Staffing Solutions for what they have done for us and we really appreciate the grant that we have been given. We can’t wait to start using the new tools!

Brad Hinkley and Declan Lown, VCAL Students

Indo Lingo

Complete the activity below and return it to Bu Jenna for your name to be entered into a prize draw at the end of term. There will be a winner from both the Senior and Junior Campuses.

NEWS

We had our first meeting of VSSS parent volunteers fundraising group on Tuesday 4th March at the Junior Campus. It was decided that money raised will go towards providing meals for our team during their three days in Melbourne. This will take the pressure off families to find the estimated $50 per child to cover these costs, so it would be fantastic if all dancers’ families could support our efforts in some way, whether it is providing baked goods for a planned cake stall, helping during events or making a donation.

Lots of great ideas were discussed by our small group and it has been decided that the first event will be ice cream/icy pole sales at lunchtime on Tuesday 18th March at the Junior Campus. Ice creams/icy poles will be sold for $1 each.

Our next VSSS fundraising meeting will be Tuesday 18th March from 3.30pm – 4pm in the Junior Campus Staffroom. It would be fantastic if all parents who put up their hands to be involved with fundraising could be there, as I am sure there are more great ideas we could explore further. Jessica Gaut is keen to have support for her fundraising efforts for the VSSS as this will form part of her VCAL assessment for this year.

Excitement is building as the first VSSS District Rehearsal is not far away – on Thursday 20th March at the Senior Campus Hall. Please don’t forget to send your dancer with appropriate clothing, lunch and snacks for the day, along with a refillable water bottle. Due to NAPLAN testing, the second rehearsal date has been changed and will now be Thursday 22nd May. Please mark this date on your calendars.

Annette Timilsina
VSSS Coordinator

Expression of Interest for Page Boy and Flower Girl

I would like to have my child’s name added to the draw for the position of Flower Girl and Page Boy for the Camperdown College Debutant Ball on Friday 2nd May.

Year 2/3 Student Name: ...........................................................................
Parent Signature: ................................................................................ Contact Number:..........................................................
Manifold house finally broke the drought on 235 points and were the winners of the Year 3 – 6 Swimming Carnival on Wednesday 26th February. Leura came a close second with 224 points and Bullen Merri third on 157 points. After a very successful school swimming program which saw students in the pool every day, the Carnival was an opportunity for students to demonstrate what they had learnt or improved during this time. Every child swam a freestyle, backstroke and breaststroke event and every competitor received points for their house. House Captains did a tremendous job in helping in the pool, organising relays and being fantastic role models for the younger students.

The highlight for the day was the inaugural Teachers/Parents vs Student Relay. After much arm twisting, we had enough brave parents and teachers who got their bathers out of the bottom draw and confidently lined up against their children to prove that they still had it. The students were impressed and very eager to win! It was a very tactical and hard fought race with the adults first to touch the wall. The Championship Race was contested by the six fastest swimmers in the time trials. In a fast and furious 66 metres with all competitors giving everything they had, Jack Helmore won for the second time, with a new time of 51:94 seconds. Well done!

A big thank you must go to staff and parents (Jane Bennett, Claire Kempton, Sandra Clementson, Dave Wilkinson, Lisa Lawlor, Kristen Blomfield and Peter James) who helped on the day.

Caroline Duynhoven
Sport Coordinator

Pictured top: Bella Podger; Middle: Grace Jopling, Zoe Wilkinson, Hailey Rosenthal and Harry Sumner; Bottom: Kristy and Jesse Parsons.

INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS

Students in Year 3 – 12 at the Junior and Senior Campuses have the opportunity to sit for International Competitions and Assessments (formally Australian Schools Competitions). These competitions give students experience in answering questions in formal test situations and to have their work assessed against other students around Australia and the Asian and Pacific Area. Every student entering a competition receives a certificate and a detailed assessment.

The competitions are held during Terms 2 and 3, but we need to complete the online entries this term. There is a cost of $8 per student per competition for the Computer Skills, Science, English & Mathematics Competitions, $11 for the Spelling Competition and $17 for the Writing Competition. If you would like your child to be involved in these competitions, please complete the slip below and return to the Junior or Senior Campus Offices with payment by the final day of Term 1, Friday 4th April.

Students will be able to participate in any or all of the following competitions:

Name: ________________________________ Year Level: ________________________________

Year 3/4 Hockey Clinic

Hockey is going to be the winter sport of choice for our Year 3/4 students following a successful clinic with Hockey Victoria.

Ball techniques, correct grip and care for your hockey stick were all part of the clinic. Students participated in some simple drills with the instructors before finishing with a quick game of hoctopus.

Leanne Coates
Year 3/4 Teacher

Pictured right: Selvia Suson participating in the hockey clinic.
How Many Acorns?
What does one million of something look like?
Could we collect one million acorns?
What does one thousand acorns look like? What about ten thousand?
The students in Year 5/6N, Year 5/6R and Year 4/5B are going to collect and count acorns until the end of Term 2 and see how many we can collect. Collecting and counting acorns will provide opportunities to do some interesting Mathematics.
You can help us by bringing acorns to school and giving them to a student in one of these classes.

Parents & Friends Easter Raffle
Parents & Friends are asking all Camperdown College families to donate an Easter Egg to the annual Easter Raffle. All donations can be dropped off at either the Junior or Senior Campus Offices by Friday 28th March. A small book of raffle tickets for each family will be sent home in the next week or so. Please return sold/unsold tickets with money to either campus by Tuesday 1st April. The winners will be announced at the final Junior Campus Assembly for Term 1 on Friday 4th April at 2.15pm.

Our Camperdown College Skoolbag App has officially launched after a trial last year. The app is an excellent way of keeping in touch with all the amazing things that happen in our College and is also a tool that you can use to communicate with us.
We’d love to hear your feedback or any ideas that you have for our app that will make it an integral part of our school – home connection.
Free to download from the Apple App Store for iPhone users or Play Store for android users.

Junior Campus Citizenship Awards

Camperdown College Footy Tipping Competition
There’s only one more week until the first bounce of the season and the excitement builds as the weekends are full of football. The Camperdown College Parents & Friends Association is once again hosting a tipping competition and would like to encourage as many to enter as possible. The cost is $10 per person and open to all students, parents, staff and the wider College community.
To enter, visit the Camperdown College website at http://camperdowncoll.vic.edu.au, click on the link to take you to the footy tipping website, enter the password camperdowncoll, click join to then create your own user name and password, choose the Camperdown College competition and you are then free to enter in your tips. All entry fees are payable to the Junior or Senior Campus Offices by the beginning of the season. Please note that if you register online but neglect to pay, your entry will be void.
Prizes will be awarded at the conclusion of the season in dollar amounts for first, second, third and last places and amounts will be finalised after the first few rounds, once all of the entries have been processed. Exact prize amounts will be advertised in the newsletter in coming weeks along with regular ladders. Please contact Amy at the Junior Campus Office if you have any questions and good luck!
Year 7-12 Swimming Carnival

On Thursday 20th February, the Senior Campus had their Year 7 – 12 House Swimming Carnival. Unfortunately the weather was against us on the day and due to rain and cold temperatures, the day only ran from 11am until 1pm. However, due to great support and team work from both staff and students, we were able to get through the main events and gain some results. Our individual champions on the day were as follows (pictured right):

13 Years – Annabel Lucas (F) & Corey Jolly (M)
14 Years – Bernadette Bellman (F) & Brody Peach (M)
15 Years – Paige Darcy (F) & Charlie Lucas (M)
16 Years – Molly Helmore (F) & Devon Coates (M)
17 Years – Sierra Ryan (F) & Mitchell Walsh (M)
20 Years – Isabella Scott (F) & Jackson Coates (M)

We had a three way tie between Brody Peach, Molly Helmore and Charlie Lucas for the best individual performance on the day, all earning 96 points for their team, which was a fantastic effort!

Congratulations to all students who braved the weather and competed on the day, you should be commended on their efforts and behaviour. Also a big thank you must go to staff who helped and worked together to make the day run as smooth as possible in the trying conditions.

Ashleigh Bloomfield, Year 7 – 12 Sport Coordinator
My name is Indi and I am going to Fiji for Easter. I want to help the children of Fiji to get a better education by providing more pencils.

If you have any that you would like to donate, please hand them into the Junior or Senior Campus Offices by Tuesday 1st April.

I am hoping to collect 7kgs of pencils!

Closes Friday 2nd May 2014

#healthieselfie_corangamite

To all young people aged 12 to 21 years living in Corangamite Shire:

DO YOU WANT THE CHANCE TO WIN AN I-PAD MINI????

Show us how you enjoy staying healthy with a “healthie selfie”!

All you need to do is take a “healthie selfie” (a selfie of yourself doing something healthy, for example a
healthy breakfast, walking the dog, playing sport ....)
Upload the photo to the ‘Healthieselfie_corangamite’ Facebook Page;

Don’t forget to tell us what school you attend, so we can contact you if you are the winner!

Hurry – the ‘Healthie Selfie’ competition closes in two weeks
on the 21 March 2014!

For more information please contact:
