We have our fingers crossed for fine weather and we know that you will all support this great family day. We look forward to seeing you there!

The Parents & Friends Fete Committee
From the Principal’s Desk...

We have warmly welcomed additional new students since enrolment census day on Thursday 28th February and continue to receive enrolment enquiries. 2013 is shaping up to be another busy and rewarding year for Camperdown College!

I hope that many College students and families are able to come along on Sunday to enjoy and support our Parents & Friends Sporting Legends Fete. This is a terrific community event and also an important fundraiser for the College. Our Parents & Friends members have worked tirelessly in the build-up to the Fete and we are very fortunate to enjoy such strong support from our families.

New blinds have recently been installed in many classrooms and offices at the Wilson Street Campus to complement the refurbishment works. The installation of wall tiles (noticeboards) early next term will add colour and assist with acoustics. School Council is presently giving careful consideration to the future of the Wilson Street Administration area so that planning for future development of this area can proceed. Issues relating to parent access and parking, first impressions, student and staff access are all under discussion and I would welcome conversations with any interested parents about this issue.

Seven Year 9 students will be heading off to Marlo for a five week School for Student Leadership Program at the beginning of Term 2 and we wish them all an enjoyable and rewarding time. Best wishes to Sarah Blackley, Bree-Anne Griffiths, Molly Helmore, Devon Coates, Rhys Fallon, Callum McIlveen and Saroj Timilsina.

The transition to the new College uniform is progressing well and students looked particularly smart on school photo day last week in the new white shirts. 2013 is the last year for wearing old uniform items, including the navy polo shirt at Brooke Street. Feedback from within and beyond the school about the new College blazer has been overwhelmingly positive. In addition to our student leaders being provided with a blazer to wear at formal school and community events, Wilson Street students are able to purchase a blazer to wear as part of their uniform. These are available in the Uniform Shop to try on for size. Thankyou for feedback provided through the newsletter in relation to the Uniform Shop opening hours.

Please note that from the beginning of next term, the Camperdown College newsletter will be issued to the youngest student in each family at the College. Where a Brooke Street student is the youngest in the family, Wilson Street siblings will not receive an additional copy. The newsletter can also be accessed on the College website and you can request an emailed copy in place of a paper version. To arrange this, please supply your email address to Amy at the Brooke Street Office.

To ensure ongoing funding of our School Chaplaincy Program, we must make sure that our school community has the opportunity to give feedback. A few minutes of your time to complete the short survey in this week’s newsletter would be greatly appreciated.

Term 1 seems to have flown by and has been jam packed with an exciting range of extra curricular activities. Our students have been busy and successful and staff have worked hard to ensure a smooth and rigorous start to the year. Our parents have been enthusiastically involved in school programs and events and we have continued to enjoy strong support from our local community. Thankyou all for your positive contributions to our students’ school experiences.

Lions Youth of the Year – Regional Final:
The Regional Final of the Lions Youth of the Year is being held at the Theatre Royal on Saturday evening. Six of our senior Food Technology students are waiting on tables at the event. Well done to these students on taking up this offer. We are especially proud of their willingness as they were the only students in the district to take up the offer.

Fresh Water Studies:
Fresh Water Studies students completed their second day of their canoeing course on the Curdies River on Tuesday. These students all obtained their Level 1 Charge Canoeing Certificate. Congratulations to these students and thanks to Mr Gratton for making this possible.

School Photos:
Our school photos were taken on Wednesday. Class, individual and group photos were taken in the Library. Unfortunately, it was too windy to have the photos taken outdoors. At the completion of the day, the photographers commended the students on their behaviour and the way that they presented themselves for the occasion.

MIPS:
Mrs Maskell has commenced MIPS (Managed Individual Pathways) Interviews with all Year 12 students. These interviews generally last for a period and involve exploration of post school options; increasing aspirations and empowering students to become self-managers of their pathway. Next term, students in Year 10/11 will have their interview.

Parents & Friends Sporting Legends Fete:
Students have been busy preparing for the Sporting Legends Fete this Sunday. There are lots of exciting activities planned and thanks must go to the parents, staff and students who have worked hard to organise this. All students were given a paper plate last Thursday in the anticipation that it will be filled with a home baked treat and brought to the Fete on Sunday to be sold at the Cake Stall. May I thank the students who have volunteered/been coerced in to wrapping well in excess of 500 lucky dips.

ICAS Competitions:
The International Competitions and Assessments for Schools have been advertised again in this newsletter. These competitions offer a wonderful opportunity for students to test their skills against students of the same age from all around Australia in a variety of areas. Entries must be returned to the Wilson Street Office by the end of term.

Parent Teacher Interviews:
Progress Reports have been posted out to Wilson Street families. Parent/Teacher Interviews will be held in the AG Daws Hall on Wednesday 27th March from 3.30pm until 6.30pm. Students are requested to book interview times on the booking sheets located on the noticeboard near the Office. Mrs McPhee will take the Year 7 students through the process, so it is important that all Year 7 students have their booking sheet with them on Monday. All parents are requested to attend these interviews regardless of whether they have made a booking or not (no booking might just mean that you have to wait longer to see a teacher as booked times have precedence).

School for Student Leadership:
Our Year 9 School for Student Leadership students Rhys, Callum Devon, Saroj, Sarah, Bree-Anne and Molly head off to Marlo for five weeks at the beginning of next term. We trust that they will have an enriching and rewarding experience and look forward to hearing all about it upon their return in week 6.

Ms Vicki Angus, Wilson Street Assistant Principal

Brooke Street News

Late Arrivals:
It has been fantastic to see that the majority of students arrive at school on time each day, ready to learn. When all students are at school on time, this allows for a smooth beginning to the day and for the maximum amount of time to be spent on teaching and learning. Unfortunately, when students arrive late, it disrupts the learning of the entire class and the late comers miss important instructions or information. Whilst we understand that there are times when unforeseen circumstances mean that a student cannot get to school on time, we do ask that parents support us by keeping late arrivals to a minimum.

Early Arrivals:
It has been noticed that a small number of students have been arriving at school too early. Parents and guardians are reminded that the bag bell does not ring until 8.45am and that students should not be arriving at school too long before this time.

Student Absences:
If your child is absent from school for any reason, please remember to either call the Brooke Street Office on the day or send a note to the classroom teacher beforehand if the absence is planned ahead of time. Thankyou for your cooperation with this matter.

Welcome:
During the past fortnight we have welcomed more students to our Camperdown College community. Mackenzie and Bailey Borland have gone into Year 1 and 3 and Paige Prout has returned to us in Year 6 from Hamilton. Welcome to you all!

School Photos:
The photos were successfully run last Wednesday with our students looking very smart in their uniform. Thankyou to those families who made the extra effort to ensure that their child was in full summer uniform, they certainly did look very smart!

Prep – Year 6 Athletics Carnival:
Last Thursday, I had the pleasure of attending the Prep – Year 6 Athletics Carnival at the amazing Frederick Street Sporting Complex. A fantastic day was had by all student (and staff) competitors, assisting parents and spectators. I was so pleased to see so many
The Parents & Friends Associations of our two schools are to be commended on this initiative and I would like to extend particular thanks to Claire Kempton for her efforts here.

Thankyou to all parent and staff helpers who assisted with registrations, checkpoints and the barbeque and well done to all who completed the walk or run.

Prep – Year 6 Athletics Sports Carnivals

On Thursday 14th March, Prep – Year 6 students took part in Camperdown College’s annual Athletics Carnival at the Frederick Street Sporting Complex in perfect weather. The morning session saw all students participating in a range of athletic sports in their age groups. Prep – Year 2 students rotated through eight individual and house based activities, including bucket shot put, discus roll, sack race, relays, high jump and the beanbag shuttle whilst Year 3 – 6 students participated in traditional athletic sports of long jump, triple jump, shot put, discus, hurdles, sprints, high jump and the 200 metres.

The Parents & Friends barbeque was thoroughly enjoyed by all and was a great way to rest and recoup after a very busy morning. Students in Prep – Year 2 had a very enjoyable morning and put 110% effort into every activity. After lunch, students in our upper years then participated in a number of running events and were encouraged enthusiastically by remaining students. The afternoon session saw the running of our house relays, championship races and the 800 metres.

All students did a fantastic job in striving to do their best at each activity and it was pleasing to hear and see students encouraging fellow classmates and house members throughout the day. Our house competition on the day saw a very exciting close finish with a VERY happy Bullen Merri on 492 points (House Captains Annabel Lucas and Jacob Vagg pictured above). Leura came in second on 491 points and Manifold finished third on 479 points.

The carnival day was such a great success judging by the happy smiles and tremendous effort students put in to all activities. On behalf of the students and staff, we extend our thanks to the following parents and Year 9 students who worked extremely hard on the day and, without their help, the day would not have gone ahead. A very much appreciated thankyou to the following:

Meet and Greet with the Brooke Street Wellbeing Team

Nicole Rock and Cameron McAdam would like to invite you to enjoy morning tea in the Brooke Street Staffroom on Thursday 2nd May from 11.30am. This will be a fantastic way to meet the Brooke Street Wellbeing Team that consists of Cameron, School Chaplain, who has been working with the children and families of Camperdown College for many years and Nicole, Social Worker, who has come on board this year. They would love to get to know as many parents as they can and have a chat about your children.

They are keen to hear of any ideas that parents/guardians may have that could have a positive influence on Brooke Street students and also any concerns that they may be able to assist with.

Nicole Rock and Cameron McAdam, Social Worker and School Chaplain

**HSSSD Swimming Carnival**

On Wednesday 27th February, the HSSSD Swimming Carnival was held at the Camperdown Swimming Pool. We had a number of our secondary students represent the College at this event. Our students showed both great leadership and sportsmanship skills on the day. Congratulations to all of our students who competed, you all did a great job!

**Freshwater Studies**

On Tuesdays 5th and 12th March, the Year 9/10 Freshwater Studies students attended a two day canoe course at Boggy Creek. The students learnt a wide variety of practical skills, including paddling strokes and when to use them, changing seating positions whilst in a canoe and how to perform a deep water rescue.

A variety of safety aspects were also covered during the course. Due to the heat, capsizing was over practiced by some crews and others became very effective at moving water around with their paddles. All in all, students learnt a lot whilst having plenty of fun along the way. There’s no classroom quite like the great outdoors!

**Victorian State School Spectacular Update**

The holidays are coming and students involved in the VSSS have been rehearsing hard each week. To keep on track and ready for the next district rehearsal in Warrnambool, all students need to have a copy of the practice video before the holidays so that they can practice each dance a couple of times during the break.

There are a few of the students who have not made a copy of the video yet, so could parents please send a 4Gb memory stick to school with their child for that purpose. The video is 2.5Gb and goes for just over one hour. Students in Year 5/6 are happy if students can just do a bit here and there to stay familiar with the moves, that would be great. It will also be a lovely chance for families to see what their child is doing as part of the VSSS dance team. The time is flying and it won’t be long before the information and paperwork for the final production days and performances will be going home.

We have received fantastic news that the Parents & Friends Association has opted to pay for the hire of a mini bus for the final three days in Melbourne, which means that our students will be able to travel in comfort, all together with costumes and supervisors in tow and arrive home at a more reasonable time in the evening, ready for the next day’s excitement. So, I would like to say a big thankyou to the Parents & Friends Association.

At this stage, let’s go for impressing Dion and Shelley, the VSSS choreographers, with how well our students have learned the dances that they have taught them so far. So please encourage your child to practice, at least a little, over the break. Jess Gaut and I are pretty sure that the first thing Dion will do at the next rehearsal is ask the students to show him what they know, so let our students feel proud of giving him a big surprise, by being well prepared and confident in what they know.

Have a great holiday!

Don't forget to come and have a go at the big Camperdown College VSS Dance Crew: Dance Challenge in the Active Learning Centre at the Fete this Sunday. Can you learn a spectacular dance in ten minutes? Three levels of challenge at a cost of $2 for ten minutes. See you there!

The Woolworths Earn & Learn program is back! This community program enables schools and early learning centres throughout Australia to earn educational resources simply through the school community shopping at Woolworths.

Last year, our program provided 720,000 pieces of educational equipment to more than 12,500 schools and early learning centres. Schools selected from thousands of different items through our program, highlighting how each school’s needs are different and how critical a breadth of range is.

From Monday 8th April until Sunday 9th June 2013, when you shop at Woolworths you will be given a Woolworths Earn & Learn Point. There’ll be one Woolworths Earn & Learn Point for every $10 spent, excluding cigarettes, liquor and gift cards. Collect these Woolworths Earn & Learn Points and your local school will be able to redeem these for educational resources.

Earn & Learn sticker sheets can be brought into the Brooke Street or Wilson Street Offices once they have been filled. We look forward again to participating in this fantastic program thanks for your continued support!

With the 2013 hockey season about to start, the CJHA Committee would like to entice past players & new players to the game of hockey this season - there are some big & positive changes to the structure of Corangamite Hockey.

The New Structure to 2013

Warrnambool - Creating a New Pathway for Corangamite Hockey:
- U15 - There would be at least one team entered, (possibly two depending on player interest) in Warrnambool U15 competition to be played on Friday evenings, on the astro turf, the 1 hour games would be played between 4.00 p.m. & 6.00 p.m.
- U17 - There would be opportunities for U17 players to join teams in Warrnambool.
- Players will need to organise own transport but car pooling with other families can be explored.

Camperdown:
- U13, Div2 - Playing at the Camperdown Showground, Saturday mornings with a four week Hookin2Hockey program, available to new players providing skills training and a start up kit including stick. New players will then be placed into teams to enjoy playing hockey in a modified game for the rest of the season.

Additional Information:
- Annie’s Skill Session morning is booked for SUNDAY 21ST APRIL - open to all players from new players to more experienced players. Committee Members will be present to discuss options with you & Annie will have an array of hockey equipment for sale.
- Cost of Registering - $60 for each player/season, irrespective of age division or where they play (Warrnambool/Camperdown) inclusive of Annie’s Skill Session morning.
