On Tuesday 23rd April, Camperdown College was represented at the Division Athletics Carnival in Warrnambool by eight students who competed in a range of athletics events. Ruby Bennett, Bailey McDonald, Molly Hedrick, Harry Sumner, Angus Gordon, Ben Walters, Thomas Nicholson and Olivia Henzen were selected to compete in the carnival due to their excellent achievements at our District Athletics Carnival held in Camperdown during March.

Olivia, Harry and Molly, along with Harry, Angus, Ben and Thomas as our 11 year old boys relay team, have all qualified for the Regional Athletics to be held in Ballarat during October due to the excellent results that they achieved, all of which Camperdown College are extremely proud of.

Jacinta Tolland
Relieving Prep – Year 6 Sport Coordinator

For a full list of results, see Page 5…
From the Principal’s Desk…

We have welcomed more new students and families into the Junior Campus over the past two weeks. The renovations and building works that were carried out at Brooke Street in 2011-2012 mean that we are able to comfortably accommodate our growing numbers in attractive, modernised learning spaces. The new BER building is proving to be an excellent base for our upper primary students whilst also housing the campus library. Standing Tall mentoring program and School Chaplain Cameron McAdam.

A number of other capital works projects are presently being scoped and costed. School Council will work through the areas earmarked for future development to determine short and long term priorities for the school. The possible relocation of the Office/Reception area at the Senior Campus to the Errey Street side of the building is under discussion at present and I would welcome input from the school community.

To improve traffic management and safety at our Senior Campus, as of next Monday 6th May, we will be closing the Wilson Street driveway gates to traffic. The driveway that runs through the school is no longer used for buses and there is no safe provision for visitors to park on the school site. To ensure the safety of students as they move around the yard, we ask that parents and visitors park along Errey Street and enter the building on this side. This is a safer but not particularly attractive entry point and this is one consideration in our discussions regarding the future location of the Office/Reception area.

Thankyou and congratulations to our VCAL students who have redeveloped an unattractive and unused area at the back of the Wilson Street Campus, creating a new seating area for students. Several of our senior students have also assisted handyman Darren Teal in recent weeks, carefully measuring up and installing our notice boards. Thankyou to Trey Darcy, Jayden Cronin and Mark Hem for your valuable assistance.

I would like to extend my personal congratulations to those talented members of the College community involved in the Camperdown Theatre Company’s excellent performance of *Hairspray*: staff members Graeme Bennett, Cameron McAdam and Pauline Van Dijk, students Lucy Ostine, Bonnie Ailey and past students Monique Vagg and James Anderson and parents Maz O’Neil, Michelle McCallum, Ross Irving, Rebecca Reed and Sue and Ian Currell. If you have not yet had the pleasure of attending a performance, I strongly recommend that you obtain a ticket for one of this weekend’s final three shows. Graeme Bennett has surely outclassed John Travolta in the role of Mrs Turnblad and his performance has to be seen to be believed!

Also making a great contribution to the performing arts are our dedicated band of State School Spectacular dancers who are working hard under the direction of Annette Timilsina and Year 11 student Jessica Gaut in the build up to the big event. Parents and others wishing to purchase tickets through the early bird special offer (see page 8) are invited to send payment and details into the Brooke Street Office by Thursday 9th May in order for group bookings for the matinee and evening performances to be made. This would enable members of the Camperdown College school community to sit together. We are looking forward to enjoying the fruits of our students’ labour in Melbourne on Saturday 27th July.

Ms Cherie Kilpatrick
Principal

School Nurse:
Last week, we welcomed our new School Nurse, Claire Blackstock. Claire has been busy completing a number of training activities and familiarising herself with the students. We look forward to working with Claire to improve the health outcomes for our students.

NAPLAN:
The National Assessment Program – Literacy and Numeracy (NAPLAN) tests for students in Year 7 and 9 will be conducted on Tuesday 14th, Wednesday 15th and Thursday 16th May. It is important that students are in attendance for these tests as they form an important part of our assessment schedule and determine future programs and intervention.

Student Survey:
Students in Year 7 – 12 have completed the annual Attitudes to School Survey this week. The results from this survey will provide us with valuable data on students’ views of their wellbeing, teaching and learning and school in general, to support school improvement.

Past student nominated for a Bravery Award:
It is with great pride that many staff and students have commented about seeing past student, David Robertson Junior, on the national news and reading about him in the newspapers. David rescued an elderly man from a house fire on Sunday evening in Geelong. David will be nominated for a bravery award for his actions.

Rotary Youth Program of Enrichment (RYPEN):
Year 9 student, Aleisha Scoleri attended a RYPEN camp in Millicent on the weekend sponsored by the Camperdown Rotary Club. Whilst on camp, she listened to a presentation from a person who had lost his leg. He spoke about persistence and overcoming difficulties. This guest speaker set the scene for the participants to challenge their thinking and motivation for learning and leadership. Aleisha participated in high ropes activities and abseiling. Through doing this, the participants learnt how to push away negative thoughts and persist. Aleisha said that the experience developed her confidence and allowed her to meet many new people. Aleisha spoke about her experiences at the Rotary Club meeting on Monday night.

ANZAC Day:
Our College was very well represented at the ANZAC Day service last week. Thankyou to all of the students and families for their support of this annual event.

Year 10 Camp:
At the time of the newsletter going to print, the Year 10 students are enjoying the Melbourne Experience camp. Along with Mrs Maskell and Mr Gleeson, the students have visited a number of universities, listened to past student Thalia Marshall talk about her role and various other roles at the Coles State Office, attended the Victorian Institute of Sport and familiarised themselves with the intricacies of the public transport system in the city and suburbs. Tomorrow, the students will attend the Age Careers Expo.

Ms Vicki Angus
Wilson Street Assistant Principal

Special Welcomes:
This week, we have welcomed another three new students into our Camperdown College community! We welcome Jesse Clark and Dexter Barron into the Brooke Street Campus and also Hailey Rosenthal who has returned to us from Terang. We are delighted to have them all here at Camperdown College and wish them a long and successful educational journey.

Victorian State Schools Spectacular:
Last week, our students attended their second VSSS rehearsal in Warrnambool. They are all doing a magnificent job of mastering the complex dance moves that are involved in their performance, but even more importantly, they are to be commended on their conduct and behaviour during these rehearsals. It’s always wonderful to hear positive feedback on the behaviour of our students both inside and outside of the school. Well done to you all!

Division Athletics:
Last week, eight of our students competed in the Division Athletics Championships in Warrnambool, with great success! We were very proud of both the achievements and the team spirit of Ruby Bennett, Bailey McDonald, Molly Hedrick, Harry Sumner, Angus Gordon, Ben Walters, Thomas Nicholson and Olivia Henzen and would also like to thank the parents and families of these students for being there to support them!

Bus Travellers and Student Drop Off and Pick Up:
Just another reminder to all parents to be aware of the safe drop off and pick up points for your children before and after school. The McKinnon Street double gates are for bus travellers only. Students should NOT be dropped off or picked up in this area. If you prefer to use McKinnon Street, please utilise the small gate at the west end of the school grounds. Also, the parking bays in Brooke Street are marked five minutes only. Please be aware of where you park and the restrictions around them. These are put in place to assist with traffic flow at the beginning and end of the school day, which is important to ensure the maximum safety of our students.

Bus families, please remember to call the Brooke Street Office if your child’s bus travel arrangements are different on any given day, ensuring that you give plenty of notice for this information to be transferred to both students, staff and bus drivers. We understand that sometimes arrangements can change late in the day, but please minimise this as much as possible.

Assembly:
Just a reminder that during Term 2, the Brooke Street Assembly will be held at 2.45pm each Friday. They will continue to be held on the basketball court, as long as the weather allows, alternatively, we will conduct them indoors. This is an opportunity for parents and school community members to participate in our celebrations. Thankyou to the parents who have attended so far!
Line Marking:
Last week, we had the first phase of our new line marking completed at the Brooke Street Campus. The first phase was primarily lines for Bike Education lessons and the second phase will include bat tennis courts, four square courts and other various games that the students can engage in at recess and lunch times. We all look forward to this being completed in the coming days and ready to use!

Attitude to School Survey:
This week, our Year 5/6 students completed the Attitude to School Survey. This survey assists schools to gain an understanding of students’ perceptions and their experience of school. The survey provides schools with valuable data on students’ views of their wellbeing, school in general and teaching and learning. All of our students participated in the survey with a great level of responsibility and purpose and we thank them for that.

NAPLAN:
Now that we are in May, the NAPLAN tests are just around the corner. The dates for NAPLAN (National Assessment Program – Literacy and Numeracy) this year are Tuesday 14th, Wednesday 15th and Thursday 16th May and will involve all of our Year 3 and 5 students.

NAPLAN is the measure through which governments, education authorities, schools, teachers and parents can determine whether or not young Australians are meeting important educational outcomes in Literacy and Numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how educational programs are working and which areas need to be prioritised for improvement. NAPLAN tests are one aspect of the school’s assessment and reporting process and do not replace the extensive, ongoing assessments made by teachers about each student’s performance.

If you have any questions about the NAPLAN tests, please visit http://www.nap.edu.au or speak with your child’s classroom teacher.

ANZAC Day
Camperdown College students walked proudly down the Avenue to the War Memorial for the annual Camperdown ANZAC Day service last Thursday 25th April. The students listened respectfully to the message of Mr Nixon and the representatives of the RSL, the Lakes and Craters band and the bugle player Mr McI1veen.

School Captains Jarrod Esh, Madison Helmore, Alinea Ellerton and Jaedyn Bassett and SRC President Shannon Jolly (all pictured right) represented the College by carrying the RSL flag to lead the procession, reading sections from the Special Exhortation and the Ode of Remembrance and also placing wreaths at the base of the memorial.

The students’ behaviour and appearance were exemplary. Thankyou to parents, students and staff for attending this ANZAC Day service with such community spirit.

Julie Nelson, Judy Downie, Jenna French and Katie Taylor, JSC and SRC Coordinators

School Photos
School Captains, House Captains, Environment Group, Student Representative Council and Junior School Council school photos are now available to be previewed and ordered for $16 each at the Brooke Street and Wilson Street Offices before Friday 10th May. Any late orders will have to be ordered directly from MSP Photography.

Pupil Free Day – Wednesday 22nd May
No students in prep – Year 12 are required at school.
**PREP – YEAR 6 CROSS COUNTRY & ADIDAS FUN RUN**

As a part of the annual Prep – Year 6 Cross Country Carnival to be held on Wednesday 8th May at the Camperdown Showgrounds, students will be involved in an Adidas School Fun Run as a major fundraising event for our school again this year.

The Adidas School Fun Run is a healthy, fun and active fundraiser that ensures that we send the right message to our students about getting active, having fun and maintaining a healthy lifestyle.

We will be running the event as a walk-a-thon in conjunction with our Cross Country Carnival. On Wednesday 8th May, students will compete in their age group cross country event and in addition to this; they will participate in a walk-a-thon whilst other age groups are completing their cross country event. Parents and friends are also invited to join us in the walk-a-thon part of the day.

All students in Prep – Year 6 have received a Sponsorship Form to help collect sponsorship on behalf of Camperdown College. The funds raised from 2012 and 2013 will be used to revamp the mini golf course and purchase additional yard activities to keep our students active and healthy. Students who raise just $10 or more will receive a reward for effort.

We hope that you support us in this fundraising venture and look forward to seeing you at the Cross Country Carnival next week.

**Jacinta Tolland, Relieving Prep – Year 6 Sport Coordinator**

---

**School for Student Leadership**

We have now been at the School for Student Leadership in Marlo for nearly three weeks.

The other schools that are staying here with us are Lakes Entrance Secondary College, Saint Helena Secondary College, Fitzroy High School, Gladstone Park Secondary College, Mortlake Secondary College, Reservoir High School, Lara Secondary College and Melbourne Girls School.

So far, we have taken part in bridge building, Beliefs and Values, Bikes Intro, half day bike ride, Individual Learning Plan, Peer Skills, Community Learning Plan, surfing, photography, Safe Food Handling and Leadership Conference. We have all got our Safe Food Handling Certificate and we are working towards getting our CPR Qualification.

Upon arriving, we all had mixed feelings as everybody was unfamiliar. We were put together as a team pretty quick. Living in a community of 44 other students is like being on a massive school camp with people you don’t know. Our day to day life is pretty much like normal school days. We have class at 9am, morning tea at 10.30am, class from 11am until lunch at 12.30pm, class from 1.30pm, afternoon tea at 4pm, DEARR at 5pm, dinner at 6pm and evening class at 7.30pm.

The highlights so far have been going surfing, bridge building and making new friends and we have our expedition, introduction to canoes and GPS navigation coming up.

**Sarah Blackley, Saroj Timilsina, Bree-Anne Griffiths, Callum McIlveen, Devon Coates, Molly Helmore and Rhys Fallon**

**Year 9 School for Student Leadership students**
**Volcanic Voices**

On Thursday 18th April, the Camperdown College Year 11 Geography students set off for their fieldwork investigation on our rich volcanic environment. All students performed exceptionally well and voiced their intrigue and interest in seeing their class work visualise in the field. Here is what some of the students had to say:

- *It was great to find out more about the natural and human geographic characteristics of Camperdown and the local area* – **Zack Gravett**.
- *It was fun to see all of the historic areas around Camperdown. I certainly learnt a great amount of information about the local region* – **Connor Jackson**.
- *I really liked the lava tube cave and also learning about Mount Leura. It was a fun and interesting day* – **Alexandra Eastwood**.
- *The fieldwork to Wurrong was excellent and it was great to hear some history of the area. A wonderful example of Spatial Change Over Time* – **Jessica Hedrick**.
- *The fieldtrip was very informative and interesting. I loved the tuff layers and lava tubes* – **Lucy Gstrein**.
- *I loved the lava tube cave and how the day was relaxed whilst we learnt heaps* – **Victoria McCann**.

Suzanne Charles
VCE Geography Coordinator

---

**HSSSD Interschool Athletics**

The HSSSD Interschool Athletics Carnival was held on Monday 22nd April at the Frederick Street Sporting Complex. We were lucky that the weather held out for the day to allow all of the events to be successfully completed. Although Mercy Regional College took out the shield, Camperdown College had a number of excellent individual results on the day and these students will be continuing onto the next level of competition. Congratulations to Brooke Hedrick who was awarded the 16 year old age group champion. Well done to all of the students who attended on the day and stepped up to compete where needed. I would like to say a big thank you to all Camperdown College staff who helped out on the day.

Ashleigh Bloomfield
Year 7 – 12 Sport Coordinator

---

**Keys Please** is a short, 70 – 75 minute session aimed at helping you, the learner driver, enjoy the learning to drive experience, pass your licence tests and become a safe and competent driver. At the same time, it will help your supervising drivers (parents, older brothers/sisters, uncles, aunts, whoever) tackle their role with confidence whilst avoiding the stress that can sometimes be a part of it.

It’s been run here at Camperdown College for a few years now, with great success. Everybody who attends comes away saying that they’ve learned something and had a laugh!

Learning to drive should be a fun, exciting time – not a scary or dull chore. We’ll show you how to make the most of it. Even though it’s during the school day, parents are most welcome to join us!

**Monday 20th May from 11.00am in the Wilson Street Library.**

All we need is you (PS – It really would be handy if your parents come along!)
Until Sunday 9th June, you will receive one Earn & Learn sticker for every $10 you spend at Woolworths/Safeway Supermarkets. These stickers can be stuck onto the sticker card/s that are available from all Woolworths Supermarkets or alternatively, can be printed out online. Once your sticker cards are completed, they can be placed in the boxes outside the Brooke Street and Wilson Street Offices. Thankyou very much for your support!

We are running a competition for all students in Prep – Year 12, to encourage them to collect as many stickers as they can to fill their cards and bring them into school. The student/s who have brought in the most completed cards by the end of the promotional period will receive a small prize and be recognised in the newsletter. Please remember to put your child’s name on the bottom of your completed cards.

Plus, earn an extra Earn & Learn point every time you purchase the following brands this week:

Well done to all competitors, it’s great to see that it’s still so close. Keep up the good tipping as you are all playing for the following prizes: 1st $100, 2nd $60, 3rd $30 and last place will receive their money back ($10). The top 20 leaders are:

1. Bennett Family 35 11. Kellie Kempton 31
4. Lachie Stephenson 33 14. Ken Lenehan 31
5. Jason Stephenson 33 15. Simon Tolland 31
7. Cameron McAdam 32 17. Grant Fleming 30
Jessica Gaut and myself watched with pride as our dance team took part in last week’s Victorian State School Spectacular rehearsals in Warrnambool. The students’ behaviour and willingness to get the dances right was fantastic. They were always ready and waiting for the next set of instructions and have put in 100% effort to get the steps and other movements just right.

A big thank you to the parents who drove this time. Your involvement is making this possible for our students and is greatly appreciated.

With only a couple of weeks before the next regional rehearsal on Tuesday 14th May, it is a great time for families to ask their dancers what they have been learning and ask them to show you some of the tricky moves that they have learnt. It is really important for students to keep practicing their moves and if you have the music, they can start to practice without visual cues.

It is always helpful on district rehearsal days if students can be at school as close to 8.30am as possible and that bus travellers move quickly from their bus to the leaving point, so that we can leave as close to 8.40am as possible. Prior to leaving, we have to follow the processes of roll marking and sorting travel arrangements which all takes time, so the quicker we get organised, the sooner we can get going.

Before we know it, the dance team and support staff will be jetting off to Melbourne for the two production days and then the day of the two performances in July. There will be early morning starts, but it will be worth it to have the students home each evening so that they can have a good night’s sleep ready for the next day. The mini bus is booked and we are just working out the final details. I will keep you informed as soon as information becomes available.

The good news is, we have been notified of the opening of presale tickets which are much cheaper than full price tickets. You will notice that sales open on Monday 13th May, so get in quick as seats at these prices are limited. You will need to purchase online via Ticketek and use the password Spectacular order complete the order form on page 8 and send in to the Brooke Street Office before Thursday 9th May. Dancers are already excitedly talking about their families going and it would be great to have lots of the Camperdown College community there to support our dancers and enjoy three hours of fantastic entertainment.

Reminder notes will go home prior to the next rehearsal. If you are down as a driver, but cannot make it please contact the Brooke Street Office as soon as possible so that we can make other arrangements well in advance.

So that you can have a copy of the VSSS official practice DVD (highly recommended so that you can keep practicing between school sessions), please bring a 8Gb USB memory stick to school as soon as possible so that we can give you a copy to take home.

Annette Timilsina, VSSS Coordinator

---

Victorian State Schools Spectacular Ticket Purchase

I, .................................................................................................................................................................................., would like to purchase tickets for the Victorian State Schools Spectacular via the school so that Camperdown College families can sit together as a school group to support our student dancers.

Our family requires ........................................ x adult tickets @ $20 each and ........................................ x child tickets (under 15) @ $12 each for the □ 11am or □ 5pm show on Saturday 27th July. I have included $........................................ which is full payment for these tickets.

Signed: .............................................................................................................................................. Date:........................................................

All order forms along with full payment must be returned to the Brooke Street Office by Thursday 9th May as presale tickets go on sale on Monday 13th May and all payments must be finalised by that date.

---

Mother’s Day Stall

It’s that time of year again, when we ask each student in Prep – Year 6 to donate one gift for the annual Parents & Friends Mother’s Day Stall on Friday 10th May. Could all donated gifts please be at left the Brooke Street Office by Tuesday 7th May.

All gifts still $3

---

Parents & Friends Mother’s Day Breakfast

Friday 10th May in the Brooke Street BER Building from 7.30am – 8.30am
All mothers/special people are invited to attend with their children
Bacon and egg sandwiches will be available for $3 each
Complimentary fresh fruit, juice, tea and coffee will be provided

To assist with catering, please indicate on the slip below how many people will be attending:

-----------------------------------------------
Parents & Friends Mother’s Day Breakfast
Friday 10th May from 7.30am – 8.30am

Family Name:................................................................................................................................................ Number of people attending:..............
**Terang & District Netball Association**

The plan is for the Thursday night winter competition to start on Thursday 23rd May and run until Thursday 29th August, with finals. There will be no games over the school holidays break. Teams and individuals can put forward their names to Gill Hampson on 0417 503 230 or contact the Association through the Facebook page (Terang & District Netball Association). A meeting to notify teams of the details of the season will be held on Thursday 16th May at 7:30pm. Teams and individuals need to be entered by the meeting. We encourage individuals to put forward their name in the hope that there are enough to make an extra team as we do not want anyone who is keen on playing to miss out.

**positive partnerships**

Supporting school aged students on the autism spectrum

**Workshop: 2013VICTPC5**

**Location: Warrambool**

The Positive Partnerships initiatives have been developed and delivered by Positive Partnerships, a not-for-profit organisation, and have been funded by the Australian Government Department of Education, Employment and Workplace Relations through the ‘Helping Children with Autism’ package.

**What will you learn?**

As a result of participating in the workshops and information sessions as parents/caregivers you will gain:

- A greater understanding of the impact of autism on your child, both at school and at home
- Knowledge about how to develop effective parent-school and teacher partnerships
- Specific strategies on how to:
  - Advocate for your child
  - Support your child’s participation at school
  - Develop an awareness of ongoing learning needs
- Information about your local school system’s processes
- Opportunities to network and share strategies with other parents/caregivers and key community members
- Opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families bring with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.

**Workshop details**

**Venue:** Warrambool Golf Club, Younger Street, Warrambool VIC 3280

**When:** One day workshop – Wednesday, 15 May 2013

**Day 1:** 9.00 am - 4.30 pm (Registration from 8.15am)

Please note: Positive Partnerships and the Aspect Positive Behaviour Support (PAS) team are pleased to offer a combined autism specific 3 day workshop to May Positive Partnerships and 16 May Aspect PBD participants who would like to attend the additional day please contact Amber Day / Heather Klimaj Ph: 03 9377 6600 or email: admin@positivepartnerships.org.au

Registration opens Tuesday, 7th April 2013 and closes 2 days prior.

Registration may stay open until one day before the workshop if spaces are still available, but we strongly recommend that you register as soon as possible.

You will receive a confirmation of your registration.

Online registrations preferred: please go to the website www.positivepartnerships.com.au.

Only complete the following form if you do not have access to the internet and fax or mail to: P.O. Box 58, Labrador, Qld 4215 / Mail Positive Partnerships, Aspect, P.O. Box 58, Labrador, Qld 4215

Positive Partnerships Info Line number: 1300 881 971
