To celebrate Education Week 2013 and the reintroduction of the Indonesian program at Camperdown College, the Brooke Street Campus hosted a Family Night with an Indonesian theme on Tuesday 21st May that was attended by approximately 80 parents and students.

Upon arrival, students received a show bag that contained some Indonesian goodies and everyone went into the raffle for some prizes at the conclusion of the night. From all reports, a great time was had by all.

On Tuesday, I had the privilege of attending the inaugural Maths and Science @ Work Expo with our Year 7 students and teachers, Mr Gratton and Ms Crowle. This project, coordinated by WestVic Dairy in partnership with South West LLEN and Schools Connect Australia, showcased over twenty occupations with links to the dairy industry and demonstrated the practical applications of Maths and Science in these careers. Past Camperdown College student Libby Swayn (nee Robertson) was the project coordinator and we are very appreciative of her efforts in bringing so many representatives from local industry together for this special occasion. Once again it was a pleasure to see our students representing the College so positively in a public forum.

Last week’s Indonesian Family Night was well attended by students and families keen to learn more about Indonesian language, customs and food. Language was the theme of last week’s state wide Education Week and this presented a timely opportunity for us to celebrate the reintroduction of a language into the College curriculum. Thankyou to Bu Jenna for organising this event and to all of the staff who assisted with the smooth running of the evening. This year, students in Prep and Year 1, 2, 5, 6 and 7 have commenced their study of Indonesian and the program will be expanded in 2014.

In the July school holidays, work will be undertaken to refurbish the exterior of the Brooke Street and Wilson Street Halls. At Brooke Street, this will involve a completely new western face, with the old windows and panelling being removed and new aluminium framed windows and corrugated iron cladding installed. At Wilson Street, the yellow panelling which runs around the top of the hall will be removed and replaced with corrugated iron. This work will address safety and maintenance concerns, but will also significantly enhance the appearance of these important school buildings.

A working bee will be held on Sunday 23rd June at 9.30am to remove the row of agapanthus that runs alongside the Wilson Street Hall, making space for the equipment that will need to be brought on site for the holiday building works. Willing volunteers armed with shovels, wheelbarrows and clippers would be greatly appreciated. This job should not take long if we have sufficient hands on deck.

At this time of year, it is common for schools to receive enrolment enquiries and we are certainly enjoying our fair share of these. Our Senior Campus Open Night and Year 7 Expo will be held on Wednesday 31st July and this will be a formal opportunity for us to showcase the opportunities on offer at the Senior Campus. Meanwhile, families of students in Year 5 and 6 are welcome to contact myself or Assistant Principal Vicki Angus, to arrange a meeting or tour.

Similarly, our kindergarten–primary school transition program includes a number of formal visits for children and families but we welcome enquiries and personal tours at any time of mutual convenience. Please contact Assistant Principal Angela Hall with enquiries about Prep transition.

Principal

Last week, we welcomed pre-service teacher Kasey Owens for a three week teaching round. Kasey is studying Health/PE at the University of Ballarat and is in her third year of study. She is working alongside Mrs McPhee and Mrs Maskell. We hope that Kasey gains a lot from her experience with us.

**Cross Country Carnival:**
Our House Cross Country was held last week in fine conditions. Congratulations to Madison Helmore, Shannon Jolly, Brooke Hedrick, Molly Helmore, Paige Darcy, Ellie Walsh, Jarrod Esh, Oscar Currell, Andrew Tickner, Devon Coates, Nicholas Jones and Ethan Coates for winning age group champions and to Leura for winning their second shield for the year.

Congratulations to all students who made it through to the next level of competition that was held yesterday against students from neighbouring secondary schools with a special mention to Oscar Currell who was awarded age champion. Oscar’s fitness and stamina shone through as he won his race by a very convincing margin.

**End of Semester Reporting and Exams:**
Exams have been prepared for all students in Year 10 and 11. Students have placed the times and dates for each examination in their organisers. Students are reminded that if they cannot attend an exam, they must produce a medical certificate. As was indicated in the last newsletter, students studying a Year 12 subject must sit the GAT (General Achievement Test) which will be held in the Wilson Street Hall on Wednesday 12th June. Students are to assemble at the hall by 9.45am. Students will have a late lunch after the GAT and attend periods 5/6 as normal. Teachers are busily finalising assessments in preparation for Report Writing Day which will be held on Friday 7th June.

**School for Student Leadership:**
We welcomed the students back from their five week stay at the School for Student Leadership in Marlo at an assembly last week. Each student spoke about the activities and opportunities that they enjoyed whilst on camp. Learning to canoe, surf and participating in a three day expedition were highlights of their stay.

**Maths and Science @ Work:**
Ms Crowle, Mr Gration and Ms Kilpatrick accompanied the Year 7 students to Colac on Tuesday where they attended a Maths and Science Expo at COPAC. Students spent the day listening to a variety of presenters from related industries and were able to participate in a number of workshops. Students were commended on their excellent behaviour.

**Keys Please:**
Peter Gstrein from Vic Roads presented the Keys Please program to our Year 10 students last week. He offered some information and practical ideas for parents and students on how to use the learning to drive period and 120 hours of practice to help learners become safer drivers. He highlighted the need to practice driving in all conditions and at all times of the day and night.

**Financial Literacy Program:**
The Commonwealth Banking Foundation conducted the Start Smart Program with students in Year 9 – 11 last week. The presenter covered topics such as: the importance of tax file numbers, informed decisions on spending and how to manage credit. Students were enthralled to hear about famous peoples’ first jobs. The students enjoyed the presentation and came away with lots of new ideas to put into practice.

**DONATIONS WANTED:**

As you may know, over the past years Camperdown College’s Student Representative Council have raised money for different funds. This year, the SRC students have been appointed and agreed to make the Camperdown College Wilson Street Theatre their major project. In order to raise funds and begin refurbishment on the theatre, they have decided to run a Street Stall in the facility beside the Camperdown Shire Offices next Thursday 6th June from 11.30am.

We would highly appreciate any donations to contribute to our stall. Donations such as baked goods, fresh produce, crafts, artworks, flowers and books are all acceptable. If you wish to donate any baked goods, it is recommended that they are served on a disposable plate with a list of ingredients and date made attached to the item/s.

Donations can be delivered to the Wilson Street Office prior to or on the day of the Street Stall, however, any baked goods are to be delivered to the Office on the day. Any of the above donations would be a great help to us and we hope to see you down at the stall.

**Camperdown College welcomes our Secondary School Nurse**

Claire Blackstock (pictured left) has commenced as our Secondary School Nurse/Health Promotions Officer at the Wilson Street Campus. Claire will work with our Health teachers and the Welfare Team educating and promoting the importance of holistic health in adolescents.

The role incorporates the physical, mental and sexual health of adolescents and acts as a further resource for students. Claire is a former resident of Camperdown, having spent her younger years here growing up before embarking on a career in nursing at the Royal Children's Hospital in Melbourne.

Claire is excited to return home and enthusiastic about her new role.

**VSSS Update:**

It was great to see our families taking advantage of the presale ticket offer for the Victorian State Schools Spectacular. It is a pity that the booking process was such a nightmare in the way that it was set up and after our intention to have our College community sitting together; it has not worked out that way. Thanks to Amy Stephenson though for trying to juggle it as best she could. Another big learning curve – don’t try and group book, it doesn’t work!

All presale tickets have now been sold, so anyone still wanting to purchase tickets can do so via the [www.ticketek.com.au](http://www.ticketek.com.au) website. There are thousands more seats available for the general sales release that commenced Monday 27th May. Tickets are $28.50 for an adult, $23.50 for concession and $15 for children under 15 years of age.

Keep an eye out for more information in the Herald Sun Lift Out that appears in the July 14th issue of the paper as well as stories featuring our own dancers in the local newspapers. For those of you who use Facebook, you can [like](http://www.ticketek.com.au) the Victorian State Schools Spectacular which will give you updates. You can also [share](http://www.ticketek.com.au) the word, so that family and friends far and wide can also see what our students are involved in.

I have sent home some information about production and performance days this week, as well as information about some of the things students need to start collecting for the event.

**VSSS Coordinator**
This term, Prep – Year 2 students have been learning about occupations. In their classrooms, they have been talking about what their parents do for a living and the people who also help us in the community. Prep students have been talking about what they would like to be when they grow up (pictured above).

Tony Collier Golf Clinic:
On Thursdays 18th April and 2nd May, Year 5/6 students participated in golf clinics that were run by Ballarat golf professional, Tony Collier. Tony taught us how to hold the golf club, stand correctly and then follow through on the swing. We had a competition and if we hit the ball past the buckets on the full we got two points and if it went past after bouncing, we got one point. Harry, Grace and Olivia M all scored a perfect 10!

Some people were lucky enough to get chosen to compete in an Interschool Golf Tournament. There will be another competition near the end of the school year for everyone. We would all like to thank Tony very much for his time.
