Under very trying and difficult weather conditions, the Year 5/6 Camperdown College Hockey 7s team were announced the overall champions of the Warrnambool Division Hockey Competition after being undefeated all day on Friday 31st May at the Albert Park Hockey Field in Warrnambool.

The winning team consisting of Tom Cole, Jacob Vagg, Jack Helmore, Riley Helmore, Harry Sumner, Khris Clementson, Thomas Nicholson, Zoe Wilkinson, Grace Jopling and Olivia Maskell, displayed an amazing amount of effort and sportsmanship throughout the day, making the entire College community extremely proud.

Teachers have been very busy preparing students’ end of semester reports. The reports provide formal feedback after an intensive semester of learning and are intended to give students and parents precise information about the development of skills and knowledge since the last reporting period in December. This year, marks the beginning of the transition from Victorian curriculum (VELS) to Australian curriculum, with all students receiving an AusVELS report for the first time. Four subject areas (English, Maths, History and Science) have been assessed against National rather than State standards and in the coming years, Australian curriculum will be phased into other subject areas, replacing VELS. In your child’s mid 2013 report, you will see that progress in all subjects has been converted to the National reporting scale.

Students in Year 3 – 10 have recently completed On Demand Literacy and Numeracy Testing, giving teachers and the students themselves a snapshot of progress since the start of the school year. This information supplements teacher observations and a range of other assessments undertaken over the semester. Many students have made excellent progress in the key areas of reading and/or numeracy and are to be congratulated on their efforts and achievements. In cases where students have not progressed at the expected rate, teachers will use the assessment information to identify and support areas of greatest need. As always, a strong home – school partnership provides the best foundation for future learning and parents are always welcome to contact class teachers to discuss their child’s progress.

Regrettably, I advise that Mr Peter Willis, who joined the Camperdown College staff in mid 2012 as a Wood/Metal teacher, has resigned from his position due to ill health. We are appreciative of Peter’s efforts during his short time at the College and extend our best wishes to him for the future. We have been very fortunate to secure a replacement for Peter in Mr Ben McKenzie and look forward to Ben commencing his position later this week. Ben is a qualified and experienced Technology teacher and will be working with our Year 7 – 10 Wood/Metal classes and VCE (Year 11 and 12) Product, Design and Technology students.

Plans are well underway for the refurbishment of the Wilson Street Science, Home Economics and Office/Reception areas. It is most likely that these works will commence early December in readiness for the start of the 2014 school year. The environment at the Senior Campus has been much improved through the refurbishment works completed in February this year and we are all looking forward to these next significant stages of the campus redevelopment. Students have responded very favourably to their comfortable and enhanced learning environment and we are appreciative of their efforts to keep the building in good shape.

The Policy and Development School Council sub-committee is in the process of revising the College’s Student Engagement and Anaphylaxis policies. Schools are required to have policies documenting the management of these two important areas. Student, staff and parent input into the rights and expectations component of the Student Engagement Policy will be sought next semester and I look forward to hearing your views.

**Account Name:** Camperdown College

**BSB:** 083 561; **Account Number:** 640325663

**Reference:** Please use your surname or child’s name as a reference to enable us to offset the payment.
Year 9 Rail Trail:
The Year 9 students are currently participating in an expedition along the Timboon Rail Trail. The students set off on their bikes yesterday for Glenfyne where they are camping at the old railway siding. Whilst at the siding, the students are helping out with a weed eradication and native rejuvenation project. Tonight, the students will join members of the Rail Trail committee in search of sugar gliders in order to try and count the local population before walking to Timboon along the trail tomorrow. Thankyou to Mr Robertson and Miss Bloomfield for taking the students on this adventure.

Overseas Sporting Opportunities:
Congratulations to Year 10 student Brooke Hedrick, who has been invited to attend a Sports Travel Australia program that will see her travelling to Canada for two weeks on Wednesday 26th June. Whilst in Canada, Brooke will train and compete in long jump, 100 metres and 200 metres and will visit potential sporting colleges. We wish Brooke all the best and look forward to hearing of her experiences upon her return.

Congratulations to Year 11 student Oscar Currell who has been selected to represent Country Victoria to play in a hockey tournament in Singapore during the September school holidays.

SRC Street Stall:
Congratulations to our SRC students who conducted a street stall last Thursday. The students raised in excess of $400 and will use this money to fund their project of refurbishing the Wilson Street Theatrette and to make a contribution towards Brooke Hedrick’s travels to Canada with Sports Travel Australia. Thankyou to all families who supported this fundraising effort.

Subject changes for Semester 2:
All students in Year 9/10 have been allocated their electives for Semester 2. Some electives have a fee attached and it would be appreciated if parents could pay these at their earliest convenience. Please note that some elective payments are still outstanding from last semester.

Brooke Street News

Visiting Teachers:
Last week, we had a group of expert teachers come and conduct a writing session in Mr Attrill’s Year 1/2 classroom. Mrs Robertson and a group of Year 9 students came and conducted a writing session, based on the principles of VCOPE (Vocabulary, Connectives, Openers and Punctuation), which they are also learning to use in their writing. Well done to Mr Attrill and Mrs Robertson on their teamwork around improving the teaching and learning at Camperdown College and also to our Year 9 and Year 1/2 students for their involvement on the day!

Monsters in my Wardrobe:
On Tuesday of last week, Prep – Year 6 students attended a cultural performance at the Wilson Street Hall entitled Monsters in my Wardrobe. The performance presented issues on overcoming fears in an engaging and interesting way through elaborate props and student involvement. Some of the reviews were…

“The monsters play was fun because it had monsters in it. There was an electric monster who got scared by the lights. He ran away when he got scared”. – Cooper Mathams, Prep.

“I liked the performance because it was fun and the monsters were fake. I liked it when the man pretended that he was scared”. – Maddisyn-Jayed Pennell, Year 2.

“It was a funny show, kids loved it. My favourite part was when the performer made jokes – he said he wasn’t the scared boy in the dark, but he really was”. – Mathew Pineo, Year 5.

Sport, Sport, Sport!
As the summer sport season comes to an end, Camperdown College is still excelling in division and regional events. Well done to Molly Hedrick, Harry Sumner and Olivia Henzen who represented the College at the Division Cross Country Championships on Thursday 30th May in Warrnambool.

Our Year 5/6 Hockey 7’s team, involving Grace Jopling, Olivia Maskell, Jack Helmore, Riley Helmore, Harry Sumner, Tom Cole, Thomas Nicholson, Zoe Wilkinson, Khris Clementson and Jacob Vagg all need to be congratulated for winning the Division Championship on Friday 31st May. These students will now go on to represent the College at Regional level next term.
As a school, we are always well represented by our students at sporting events and their achievements, behaviour and conduct is always something that we can be very proud of.

**Victorian State Schools Spectacular:**

Yesterday was the final local rehearsal for our VSSS team, who will now work towards the Melbourne rehearsals and performance day in late July. It is fantastic to see yet another opportunity for our students well supported by our school community. Over the last two weeks, some of our Parents & Friends Association members ran two discos at the Brooke Street Campus to raise funds to assist with the costs of transporting our team to Melbourne for the rehearsals and performance. Thanks to Claire Kempton, Sue Delwig and Maz O’Neil for the contribution of their time and effort. Keep up the great work!

**Absences:**

When your child is unwell or absent from school for another reason, it’s important that you let us know. Unexplained absences so far this year have accounted for no less than 51 school days – at five days per week, that equates to ten weeks which is **one whole term**! We understand and acknowledge that absences are necessary and we certainly don’t ask that you send your children to school when they are unwell – it’s just important that you just make contact with us when your child is absent from school.

Mrs Angela Hall, Brooke Street Assistant Principal

**Division Hockey Champions**

This style of competition is a faster paced game than regular hockey, with games being played on reduced space (across the field) and with reduced numbers of seven players on the field at one time. Rules are also modified to accommodate the reduction in space and players to ensure safety and flow of the game. This competition was open to all schools in the district and the Camperdown College team will now progress onto the Regional finals in Warrnambool next term.

Caroline Duynhoven, Prep – Year 6 Sport Coordinator
**Indonesian Day**

Just a reminder to parents and students that the Indonesian Day is fast approaching and will take place next Wednesday 19th June at the Brooke Street Campus, commencing at 8.50am sharp. Students in Prep, Year 1, 2, 5, 6 and 7 will be taking part in two Indonesian workshops throughout the day and then participating in a whole school performance at the end of the day with students from Year 3/4. Parents are invited to attend this performance that will take place in the Brooke Street Hall at 2.40pm.

A reminder to all students to return their permission form along with the $5 cost (Year 3/4 excluded) for the workshops. All students will also have the opportunity to use a Becak (bicycle powered cart) at lunchtime. If your child would like to use the Becak, it is essential for them to return the signed permission form.

A reminder to Year 7 students to go straight to the Brooke Street Campus at the beginning of the day, as their first workshop begins at 8.50am. Bus students are to remain on their buses until they arrive at Brooke Street.

**District & Division Cross Country 2013**

On Thursday 23rd May, 48 Year 3 – 6 students competed in the District Cross Country Carnival at the Noorat Recreation Reserve against eight other schools in our District. In near perfect weather, our students participated in a long distance run throughout the picture perfect reserve which ranged in distances from one kilometre to three kilometres.

Our team had some determined and talented runners who gave their all for Camperdown College. Our students really strived to run their best on the day with all faces showing relief to be crossing the finish line after all of the effort that they had put in. Once again, the behaviour of the students on the day was fantastic and they were great ambassadors for our school!

On an individual level, we had three students finish in the top six positions for their age group which is a fantastic effort. Those achievements were as follows:

- **Olivia Henzen**, 1st, 12 year old girls three kilometre race
- **Molly Hedrick**, 2nd, 11 year old girls three kilometre race
- **Harry Sumner**, 4th, 11 year old boys three kilometre race

The results that Olivia, Harry and Molly (pictured above) achieved, qualified them for the Division Cross Country Championships that was held at Albert Park in Warrnambool on Thursday 30th May. These three talented long distance runners each competed against 60 – 70 very strong competitive students from the Warrnambool, Portland and Hamilton divisions in their age groups. Each student produced excellent results which they should be very proud of – Olivia Henzen finished 26th, Harry Sumner finished 16th and Molly Hedrick finished 22nd.

**Victorian State Schools Spectacular**

The Undercover Area at Brooke Street was the rockin’ hot spot for two lunchtimes thanks to the efforts of the Parents & Friends Association to raise money to support our dance team’s journey to the Victorian State School Spectacular in July.

They raised $388.25 which is a fantastic boost to the budget that will help to cover the bus and fuel costs. A big thank you must go to Sue Delwig, Claire Kempton and Maz O’Neill for organising the events and a big thankyou our families for supporting them.

By the time you read this, we will be happily looking at what needs to be done to finish off our costumes which were distributed at the district rehearsal this week in Warrnambool.

**Hope you’ve all got your tickets!**

Reminder – Open Days are Coming! Open Days at University and TAFE are coming up in August (only two months off), usually on Sundays. Don’t forget to keep Sundays in August free for your visits. Open Days are a great way to check out courses and facilities, talk to staff and students, collect information and to attend relevant information sessions. Reminders of actual dates will be provided soon.

More Vet and Keeper for a Day Programs – Along with Healesville Sanctuary and Werribee Zoo, the RSPCA is holding a Vet Day, Animal Attendant Days and also a First Aid for Animals Day in the coming holidays. Register; www.rspcavic.org/services/education/; Cost is $100 for new members.

Check out Australian Catholic University (ACU) – ACU is a public University, funded by the Government and open to all (of any or no religion). It is a fast-growing national University with 25,000 students, 8,000 of whom study at the Melbourne Campus in Fitzroy. It has been experiencing growth in excellent facilities and buildings, facing on to Brunswick Street.

Be a University Student for a Day is a program where you can check out Arts, Business, Education, Exercise Science, Law, Psychology, Visual Arts & Design, Speech Pathology, Occupational Therapy, Nursing, Midwifery and Paramedicine degrees on offer at ACU. University Experience is a free program, giving you the chance to sample the degree of your choice and to meet staff and students and try out the course that you are interested in studying. When: 2nd July at the Ballarat Campus – Register at; www.acu.edu.au/universityexperience.

New ACU courses for 2014 –
• Bachelor of Accounting and Finance – learn about financial instruments, institutions, markets and systems; this degree can lead to a career in banking, financial consulting and planning, funds management, merchant banking, stockbroking and treasury. It meets the requirements of the CPA Australia, ICAA and the IPA.
• Bachelor of Information Technology – provides a solid grounding in all aspects of IT followed by professional pathways in business analysis, database administration and applications development. It will be recognised by the Australian Computer Society.

International College of Hotel Management – ICHM prepares students for careers in the international hotel business and is a member of the Swiss Hotel Association. ICHM is holding Career Weeks for Year 11 and 12 students, where you live in and learn more about the international tourism and hospitality industry and explore courses. When: 8th – 12th July OR 30th September – 4th October; Where: ICHM, Days Rd, Regency Park, South Australia; Info: admissions@ichm.edu.au, www.ichm.edu.au.

Do you want to travel and study? Universities have links with universities overseas and it is often possible to complete part of your degree at one of these Universities. For example, La Trobe University has over one hundred partner institutions in more than thirty countries. You can do a semester or one year exchange, short term program, or internship. These programs should not add to the duration of your degree. Students pay normal fees (HECS HELP, FEE HELP or full fees) to La Trobe for the duration of the degree but do not pay tuition fees to the host institution. Students pay the cost of flights, accommodation, meals and incidentals, but La Trobe gives Mobility Grants. For a list of partners: www.latrobe.edu.au/international/edabroad/exchange/partners. Other universities offer similar programs – check their websites.

What is the Bachelor of Oral Health? The University of Melbourne’s B. Oral Health trains students to work within a dental team and qualifies you for professional registration with the Dental Board of Australia as an oral health therapist (hygienist and therapist). The University has state-of-the-art facilities, a dental simulation lab and top academics. The degree takes three years including clinical placements. Last year’s ATAR was 86.15. A similar degree (Bachelor of Oral Health Science) is offered at La Trobe (Bendigo). It takes two and a half years to complete.
You want to study Law? Law is seen to be a good all round discipline and many Universities offer law degrees: ACU, Deakin, La Trobe, Melbourne, Monash, RMIT and Victoria (RMIT and Melbourne only offer post-graduate degrees – the Juris Doctor; Monash also offers the Juris Doctor). Law degrees generally take four years to complete and need to be followed either by a year of articles with a law firm or a course at the Leo Cussen Centre for Law or the College of Law for graduates to be able to practice law. Some Universities offer double degrees with law (eg with Arts, Commerce, Engineering and so on).

It is important to understand that a large number of law graduates do not practice law as solicitors or barristers. Graduates are increasingly shunning the partnership track offered by law firms and opting for work in the corporate sector. The number of law graduates starting work in law firms dropped from 49.1% in 2005 to 43.7% in 2010 (Graduate Careers Australia). There are too many graduates for all to work in law firms. In fact, many law graduates never intended to practice law. They work in other areas such as the Department of Foreign Affairs and Trade (DFAT) and other Government departments, in business, banking, management, crime, as law court officials (eg Judge’s Associate), ministerial advisers, in politics, law reform, journalism, in-house legal consulting, legal publishing and education.

**What is Melbourne Institute of Business and Technology (MIBT)?** MIBT Diploma courses are offered in association with Deakin University’s Melbourne and Geelong Campuses. The association between the two institutions is designed to offer both Australian and International students an alternative entry to University studies. It offers courses in commerce, computing, engineering, health sciences, management, media and communication and science. MIBT offers a range of support services and programs to ensure that students achieve their potential. Successful completion of an MIBT Diploma can lead on to second year in a related degree at Deakin University. See: [www.mibt.vic.edu.au](http://www.mibt.vic.edu.au); NOTE: Monash College has a similar arrangement with Monash University ([www.monash.edu/monashcollege](http://www.monash.edu/monashcollege)).

### SRC Street Stall

Last Thursday 6th June, SRC members held a stall in the Lions Club Street Stall in Manifold Street. The day was a huge success as all of the homemade goodies were sold by 2pm! Just over $400 was tallied at the conclusion of the day which was a fantastic effort. These funds will be split between refurbishing the Wilson Street Theatrette and supporting Brooke Hedrick in her athletics ventures in Canada later this month. A big thank you to everyone who donated goods to be sold and well done to all involved.

### Vocabulary, Connectives, Openers & Punctuation (VCOP)

On Wednesday 5th June, eight Year 9 VCOP ambassadors visited Mr Attrill’s Year 1/2 class. Dominic Smith, Liam Feros-Collins, Kale Wyles, Nicholas Frith, Chelsea Poole, Tamara Emery, Aleisha Scoleri and Tara-Jane Johnson-McCallum led the Year 1/2 students through a number of activities based on vocabulary, connectives, openers and punctuation (VCOP).

There were Kung Fu Punctuation black belts, Punctuation Pirates and some impressive writers who knew how to up-level their writing using the VCOP principles. The VCOP approach to writing has been trialled in a number of classes across the College and those teachers who are using it are impressed with the way that the students have embraced it.

### Wilson Street Working Bee

Next Saturday 22nd June at the Wilson Street Campus

Beginning at 9.30am

Feel free to bring your shovels, wheelbarrows and clippers

The amount of lost property at the Brooke Street Campus is phenomenal. Everything will be taken to the Op Shop at the end of Term 2. Please feel free to come and have a look if you are missing any items of uniform from your child’s wardrobe. To ensure that any lost items can be returned, it is important that yours child’s name is on all items of clothing worn to school.
As you know, Camperdown College has been participating in the Woolworths Earn & Learn program that has just finished for another year, so a big thanks to everyone who supported our school.

We’re now at the important stage of the program where points sheets are collected and lodged to be able to order new educational equipment for our school. The more sheets that we collect, the more that we can redeem. So this week, please send in your Woolworths Earn & Learn Points Sheets and any loose Earn & Learn stickers that you may have. Remember to check your handbag, the car glove box or they’re maybe stuck on the fridge. Every little bit helps!

Throughout the duration of this program, we have run a competition for all students in Prep – Year 12, to encourage them to collect as many stickers as they can to fill their cards and bring them into school. Once the sheets and stickers have been tallied in coming weeks, the student/s who have brought in the most completed cards will receive a small prize and be recognised in the newsletter, so watch this space!

Ritchies IGA Community Benefit Card

When shopping at Ritchies supermarkets and by using your community benefit card that is linked to our school, Ritchies will continue to donate money back to us, which we will use to purchase new classroom furniture. Since our commencement of the Community Benefit Program at Ritchies, we have received $29,757.41 in donations. The community benefit card or tag can be used by staff, students and their families, grandparents, neighbours in any Ritchies store throughout Victoria, New South Wales and Queensland.

If you would like to support our school, please collect a community benefit card or tag (which are already linked to our school) from the Brooke Street or Wilson Street Office ready to use or alternatively pick one up at the registers next time you shop at a Ritchies store. All you need to do is nominate Camperdown College, it’s that easy!

Go on, shop at Ritchies whereby Camperdown College will benefit!
