Congratulations to Year 11 student Stephanie Wiffen who was one of just 22 students from across Victoria to be awarded a prestigious Wannik Education Scholarship in 2013. The Wannik Scholarships are a combined initiative of the Department of Education and Early Childhood Development and the Victorian Aboriginal Education Association, acknowledging high academic achievement and supporting future aspirations. Education Minister, the Hon. Martin Dixon presented Stephanie with her scholarship at Queens Hall, Parliament House last Wednesday. Well done Stephanie!

From the Principal’s Desk…

Last week, I spent a day with our Year 5/6 students and staff on their Melbourne urban experience camp. Two slow laps of the Icehouse Skating Rink left me feeling very sore and sorry for myself, but I was inspired by the efforts of our students, many of whom threw themselves into this new experience determined to have fun and conquer! Our Year 5/6 State hockey finalists took time out of their camp program to play three very respectable games on Thursday. Representing the College at this level is a fine achievement for our students and will be an experience to remember!

During the upcoming school holidays, our language teacher Jenna French heads off to the Indonesian island of Sulawesi, joining a small group of Australian teachers on a Balai Bahasa study tour. This visit presents a wonderful professional learning opportunity for Jenna whilst also allowing for the exploration of opportunities for our students in the future, including planning for our first Indonesian trip in 2015. The Indonesian language program has been a great success thus far, expanding this term to include our Year 3/4 students. Next year, the program will be further extended into Year 8 and will continue to grow until our students have a genuine language option all the way through to Year 12.

Thank you to our Parents & Friends Association for launching the fundraising campaign for the relocation of our historic Junior Campus gates by holding a cake stall and barbeque at the Federal Election polling station at the Senior Campus on Saturday 7th September. Thank you also to the many volunteers who came along to last Saturday’s Junior Campus Hall working bee. What a difference a day makes!

Feedback about the recent Senior Campus Parent Teacher Interviews was very positive, with parents again noting that the location and format is convenient. Teachers welcomed the opportunity to talk with students and families about achievements and next steps. The format of the mid semester progress reports will be reviewed to ensure that the most useful and accurate information is being conveyed.

Term 3 has been ushered to a suitably dramatic end with our Junior Campus Concert on last night. Congratulations to our Prep – Year 6 students on their fine performances and thank you to our staff for the considerable time and effort invested in this important annual event. I apologise for any distress caused to students and families by the film screened at the end of the concert, which contained disturbing images of dancing teachers and somehow got past the censors! It is no wonder indeed that the Victorian State Schools Spectacular was just for students.

On behalf of College students and families, I would like to extend my appreciation and best wishes to Georgia Sillman, who has very capably replaced teachers on leave from the Junior and Senior Campuses during Terms 2 and 3. Her enthusiasm and dedication have been greatly appreciated.

Best wishes to our Year 12 students who are moving into the final stages of their VCE, with revision lectures, workshops and practice exams taking place in the holidays. Ross Huggard, Chief Assistant Examiner for English, will be conducting English revision lectures at Camperdown College for our own students and others from neighbouring schools. Year 12 students will return to school for three weeks of revision before moving into their study break and final exams. We have a number of Year 11 students undertaking Year 12 subjects this year also, many of whom are very well placed to succeed.

Happy holidays and I look forward to seeing you all on Monday 7th October.

Another busy term has passed. I would like to take this opportunity to congratulate all students on their efforts this term. Students have worked very hard to improve their abilities and have embraced the extracurricular opportunities that have been offered. The behaviour of students has been commendable both within and outside the classroom. They have once again shown that they are caring and most tolerant of individual differences. The majority of students have ensured that they attend school in appropriate uniform and take pride in their appearance. Thank you to parents for supporting all facets of your child’s education.

Farewell:
As the term draws to a close, we prepare to farewell three staff members. Georgia Siltman has capably filled Mr Robertson’s shoes and has ensured that our Mathematics and Accounting students have been fully engaged and challenged. Georgia is taking up a position at Western Heights Secondary College next term and we wish her well in this position and thank her for her work this term. Pre-service teachers Lisa Tripp and Chloe Taylor’s energy and enthusiasm has been greatly appreciated as they have worked alongside Mrs Fox and Ms Grundy in Art and English. We wish them all the best as they transition to full time teaching next year.

R U Ok?
Through the efforts of our Welfare team, BRICKs mentors and the SRC, both staff and students were exposed to the importance of looking out for each other through celebrating R U Ok Day. Often friends and workmates are the first to notice when something is not quite right and it is important to listen to concerns without judgements and take time to follow up.

NAPLAN:
The Australian Curriculum, Assessment and Reporting Authority (ACARA) has identified an error in the placement of some of the national average indicators in the Year 7 NAPLAN student reports. This has required the reprinting of student reports with a consequent delay in distribution. It is expected that delivery of these reports will not take place until early in Term 4.

National History Challenge – State Level Judging:
Lauren McIlveen, Bernadette Bellman and Ellie Walsh travelled to Melbourne Boys Grammar School on the weekend to be judged at State level in the National History Challenge. On all accounts, the students acquitted themselves very well. Bernadette and Ellie wowed the judges with their video on Chrissy Amphlett as did Lauren with her essay on Dorothea McKellar.

Parent Teacher Interviews:
Thank you to all parents who attended Parent Teacher Interviews last week. We really appreciate your interest in your child’s progress and value the opportunity to work as a team in order to bring about the best results possible for your child.

Year 10 Deakin Experience Day:
Year 10 students visited Deakin University’s Waurn Ponds Campus last week. Students listened to presentations about courses offered and then participated in workshops on either Psychology, Sports and Exercise Science, Nursing and Law.

Party – Prevent Alcohol and Risk Related Trauma in Youth:
Year 11 Health and Human Development students participated in this outreach program conducted by the Alfred Hospital Trauma team. The program aims to inform students about the risks associated with alcohol and risk taking behaviours. The program was confronting and involved the students rotating around five activities – mock trauma and intensive care unit, trauma and burns activity, trauma survivor talk, a presentation about the 4 steps for life, a talk from a paramedic, rehab activity and a safe partying activity. The program made students think about the choices that they make and the consequences for these choices. All students enjoyed the program and found it very worthwhile.

Year 12 Revision:
Most course work has been completed for Year 12 subjects and now students must focus on revision content and preparing responses for the exams – Year 12 students should be very busy over the holidays! Students have been given a timetable outlining the revision sessions that have been organised during the first week of the holidays and beyond. Thank you to teachers for putting time aside to deliver and organise these valuable sessions.

Geography (Revision Lecture): Saturday 12th October in Melbourne.

A reminder to parents of the following important dates in the lead up to the end of Year 12:
- Wednesday 23rd October – Last day of classes and Final Assembly commencing at 1.40pm
- Thursday 24th October – Staff and student breakfast and Mystery Bus Trip
- Wednesday 30th October – English Exam
- Wednesday 20th November – Year 12 Formal at the 5 Star Function Centre

Ms Vicki Angus, Senior Campus Assistant Principal

The end of another term has quickly arrived! Tomorrow is the last day of Term 3 and we’ll be having a quick assembly at 2.15pm prior to dismissal at 2.30pm. I wish everyone an enjoyable and restful holiday break and look forward to seeing you all back safe and well on Monday 7th October.

Year 5/6 Melbourne Camp:
Last week saw our Year 5/6 students, along with Mr Bennett, Ms Norton, Mrs Nelson and Mrs Vagg, head off on their Melbourne Camp. They were fortunate enough to visit many and varied landmarks in Melbourne, along with some dining in Lygon Street, ice
skating and a spot of shopping at the Vic Market! My personal thanks goes to the team of teachers for coordinating and facilitating the camp for our students, Mrs Green for going out of her way to join the group for a day’s activities, as well as a big pat on the back to our students for conducting themselves in a way that makes us proud to be part of Camperdown College. Well done!

**Year 5/6 Hockey 7s State Final:**
During their camp last week, eleven of our Year 5/6 students competed in the Victorian State Hockey Championships in Footscray. It was a huge effort on the part of our team who represented themselves, as well as us as a school, with great pride and dedication. We are all very proud of your achievements!

**AFL 9’s Footy Clinic:**
Ms Duynhoven has coordinated two AFL 9’s Footy Clinics for our Year 3 – 6 students over the last two weeks of term so that our students can learn a new strand of AFL that promotes higher involvement through modified rules. Last week, our 3/4 students were put through their paces and this week it was the Year 5/6 students’ turn. All students thoroughly enjoyed the challenge of adapting to the modified rules of AFL 9’s.

**Footy Colours Day, Lunch and Match:**
Tomorrow is Footy Colours Day at the Junior Campus and all students are invited to wear their footy clothes for a gold coin donation. All monies raised will be donated to State Schools Relief. Students will also be enjoying their pre-ordered lunch of nibble pies and juice that has kindly been organised by our dedicated Parents & Friends Association.

To conclude the day and term, the annual staff/parents vs Year 6 students football match will take place on the Junior Campus oval from approximately 12.30pm. It is not too late to put your name down – if you would like to be a part of the staff/parents team, please contact Amy in the Junior Campus Office. I am very much looking forward to this event and cannot wait to see some of our past and future stars in action!

**Junior Campus Hall Working Bee:**
Many, many thanks to all of the parents and volunteers who came along to the working bee on the weekend to help us polish up the Junior Campus Hall to finalise its revamp. The hall is looking fabulous from both the inside and out now!

**Prep – Year 6 Tree Planting:**
Starting today, all Junior Campus students have been involved in tree planting at our revegetation site at Naroghid. This is a fantastic way for our students to be involved in the preservation of our planet and doing their bit is a very satisfying experience. Our thanks to Ms Grundy for coordinating this event.

**National History Challenge:**
A selection of Year 5/6 students have been busily working on projects for the National History Challenge. There was a lot of time spent on these projects at school and they were presented to be judged within our school. Five students were then selected to go onto Regional level judging, from which two were chosen to present at State level. Zoe Wilkinson and Jack Helmore travelled to Melbourne (again!) on Sunday to attend their interview as part of the judging. Both Zoe and Jack were pleased with how they presented in their interview and we wish them the very best of luck for a great outcome!

**Junior Campus Concert:**
Last night, I was so privileged to be involved in my first Junior Campus Concert. I was absolutely blown away by the talent that we have at Camperdown College! Both students and staff put in an amazing effort to practise and refine their skills in order to perform an amazing show!

We are so fortunate to be part of such an enthusiastic, dedicated and talented school community. Well done to all staff and students for their efforts; to the students who stepped outside their comfort zones and also those who felt more confident in the spotlight, to the staff who put in the extra time, effort, organisation and thought to ensure their class were well versed and prepared and also to the parents who ensured that their children were well rehearsed and dressed on the night!

I’d also like to extend my personal thanks to the staff who, even though they were not successful in their Victorian State School Spectacular tryouts, were able to give up some of their own time to ensure the night finished with a bang!

**JSC and SRC Footy Colours Day**

All students are invited to participate in Footy Colours Day for a gold coin donation tomorrow, Friday 20th September. Junior Campus students are permitted to wear their entire footy outfit and enjoy their pre-ordered nibble pies, whilst Senior Campus students are invited to wear a jumper, jersey or t-shirt with their uniform. Money raised from the Junior Campus will be donated to State Schools Relief and Senior Campus funds raised will go to the Fight Cancer Foundation.

A Year 6 students vs staff/parents footy match will be held during lunchtime (from 12.30pm) on Footy Colours Day tomorrow at the Junior Campus. If any parents would like help fill the staff/parents team, please contact Amy in the Junior Campus Office. It will be loads of fun!

**Judy Downie, Julie Nelson, Jenna French and Katie Taylor, JSC & SRC Mentors**
Thank you on behalf of the Parents & Friends Association
I would like to thank all of those people who baked the delicious goodies for the cake stall on the weekend of the Federal Election, Saturday 7th September. Everything sold really quickly and there were lots of positive comments about how delicious the food looked.

Thank you also to those people who volunteered their time to help man the stalls and cook the barbecue. We also sold out of sausages on the day and despite the rain, which seems to appear every time we set up the new marquees, the day was deemed extremely successful.

Kim Helmore, Parents & Friends President

R U Ok Day
Last Friday 13th September, Senior Campus students celebrated R U Ok Day; a national day to raise awareness of mental health issues in young people and for everybody to ask family, friends and colleagues are you ok? The day aimed to highlight that staying connected with others is crucial to our general health and wellbeing.

The student welfare team, Claire Blackstock and Megan Vandenberghe, worked with the BRICKs and SRC students to arrange the day of celebrations. There was casual dress, with a dress down theme where students came to school donning their favourite onesies and pyjamas. At recess, there were cupcakes and hot chocolates for sale. During lunchtime, students again showed that food is the key to fundraising at Camperdown College, with a sausage sizzle that was cooked by the BRICKs students. Students were also invited into the recently refurbished theatrette to watch an episode of The Simpsons.

A total of $345.90 was raised throughout the day, which was a fantastic effort! The money will be donated to Headspace, Australia’s national youth mental health foundation. Thank you to everyone who assisted on the day, with a special thank you to Claire and Megan.

Jenna French, SRC Mentor

Sulawesi Trip
On Friday 27th September, I will be travelling to Indonesia to participate in an in country study program. I will be spending eleven nights in Sulawesi, a large island north east of Bali. During that time, I will be touring historic and culturally significant sites and also spending three days in a school in Kendari, a city in the south east of Sulawesi. There I will be teaching English lessons whilst staying with a host family from the school.

The main aims of this trip are to develop real teacher – student connections between teachers and students from both Australia and Indonesia, to boost my Indonesian language skills and to provide me with an opportunity to learn about the history and culture of the south east Sulawesi area. It is also hoped that as a result of this trip, Camperdown College will be able to establish a sister – school relationship, with the school in Kendari and to also lay the foundations for a potential study tour open to students in 2015.

Bu Jenna, Indonesian Teacher

Operation Christmas Child
Students have again been busily collecting donations for Operation Christmas Child this year. We have recently reminded Prep – Year 6 students of suitable items that can be donated, but will happily accept any of the following items from the wider Camperdown College community:
* Something for personal hygiene
* Something to wear
* Something to love
* Something to draw/write with
* Something to play with
* Something special

All contributions will be put into little boxes (girl boxes and boy boxes) and they will be sent overseas to children in third world countries. Please, no earrings or war items can be accepted and all items have to be brand new. Thank you for your support!

Leanne Coates
Operation Christmas Child Coordinator
**Year 3/4 and 5/6 AFL 9’s Footy Clinics**

Students in Year 3 – 6 have been lucky to have Allan Thompson, the AFL Victorian Development Manager (Hampden Region) recently introduce the official modified version of Australian Rules Football, known as AFL 9’s. It has been designed to allow both girls and boys of all ages and abilities play in an environment where participation, enjoyment and safety are a priority.

The game is played with nine on the field which is divided into three zones, a mid zone and two scoring zones. A tackling option can be modified to a two handed touch with disposal within three steps or seconds. A goal scored by the female forward is worth nine points which makes a female player become more valued in a game situation!

All the students were actively involved, with lots of laughs and grins when kicks didn’t quite go where expected! Many were very pleased to see how much they had improved and surprised at how they thoroughly enjoyed the game, especially the girls. They walked away feeling a lot more confident in taking on the boys in a game of footy.

**Year 5/6 Hockey 7s State Finals**

Last Thursday 12th September, eleven very excited and nervous Year 5/6 students made their way to Footscray for the Hockey 7s State Finals. The team played very competitive hockey and only had four goals scored against them in the three games combined! Unfortunately, this was not enough to be successful in gaining a place on the day. To have reached this level of competition is indicative of the quality of our team and their combined ability to play as an awesome force to be reckoned with. Well done, we are very proud of your efforts!

**Prep – Year 2 students make toy cars...**

On Friday 6th September, Prep – Year 2 students walked to the Senior Campus to build their own toy cars to coincide with their study of toys. The students were able to work between three activities with the help of Senior Campus staff and Year 8 students.

Prep – Year 2 students were able to experience what it is like to be a student at the Senior Campus and use specialist rooms, such as the Wood Work and Art rooms. A huge thanks to Ben McKenzie and Chelsea Fox for volunteering their time and expertise.

**Warren Attrill**
Year 1/2 Teacher

---

**Year 5/6 Melbourne Camp**

Bruises, collisions and chills did not deter Year 5/6 students from trying their hands at ice skating whilst on camp in Melbourne last week. Our hectic schedule included the Melbourne Museum, the State Library, Parliament House, the Australian Museum at Federation Square and Etihad Stadium. Students became efficient tram travellers and purchased many wonderful bargains at the Queen Victoria Market.

**Julie Nelson**
Year 5/6 Teacher

---

I would like to say a huge thank you to Mr Russell Fagan (pictured above left with Jack Helmore) for presenting a talk and slide show about Saudi Arabia. Children from Prep – Year 6 thoroughly enjoyed the talk and asked many interesting questions.

**Camperdown College Skoolbag App:**

We are conducting a trial of our own Skoolbag iPhone App to see whether this could be a useful tool to assist us to communicate with our school community. We are trialling the iPhone version until the end of the holidays and would welcome your feedback.

During the trial period, we are asking parents/students to install our Skoolbag App and then feedback your thoughts to us. To install, just look for our school name Camperdown College in the Apple App Store and install it on your iPhone. If you require any assistance with the installation, please phone 1300 661 031 or email support@skoolbag.com.au.

We look forward to hearing your thoughts. To provide feedback, please drop in or phone the Junior Campus Assistant Principal Angela Hall on 5593 1438 or email hall.angela.j@edumail.vic.gov.au.

**Sacrament of Penance (Reconciliation):**

The information night for the Sacrament of Penance (Reconciliation) is to be held on Thursday 17th October at St Patrick’s Catholic Church in Walls Street from 7pm. The evening is designed to outline the program and to hand out the relevant information and workbooks and an opportunity to answer any questions that you or your child may have.

The celebration of the sacrament will be held on Monday 18th November from 7pm in the St Patrick’s Church, Camperdown. For your child to be accepted into the program, they must have been baptised and the enrolment form must be completed with the payment of $20 (this can be paid on the information night). The cost includes the text/work book, a candle, an information booklet and the transfer for their stole.

Camperdown Theatre Company proudly announces auditions for…

Jack and his Amazing Multi-Coloured Beanstalk

A Christmas Pantomime

Written by: Geoff Bamber, Director: Cameron McAdam, Production Manager: Sandra Poole

You know the story… Jack's family are so poor that they must sell their treasured cow. Unfortunately they entrust the job to Jack, whose profit is a handful of beans. The result is a beanstalk and an attempt to rescue the kidnapped princess.

About seventeen people of a variety ages make up the cast that includes speaking and non-speaking parts such as:

<table>
<thead>
<tr>
<th>Role</th>
<th>Actor</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Narrator</td>
<td>Jack</td>
<td>Jack’s Mother &amp; Grandad</td>
</tr>

<td>Baron Smug and his henchmen Kutt &amp; Thurst</td>
</tr>
<tr>
<td>Postman</td>

</tr>
</tbody>
</table>

Panto is lots of fun, often over the top and includes lots of over acting and audience interaction. Good voice projection and clear diction will be crucial for this production as there will be no microphones and potentially large audiences.

Four daytime shows are planned:

Two x Friday 6th December for local primary schools and possibly aged care (Only business hours requirements)

Two x Saturday 7th December for the general public

The show will run around fifty Minutes.

Limited rehearsals where not all cast will be needed for every rehearsal will run before the VCE exams on October 6th, 8th, 13th, 15th, 20th & 22nd, then a break over VCE exams, followed by a short but very solid rehearsal schedule including November 17th, 19th, 21st, 23rd, 24th, 26th, 28th, 30th, December 1st, 4th, 5th.

Auditions are on Sunday 22nd September from 2pm – 5pm at the Theatre Royal. At the audition you’ll be asked to read a part/s. The script for the show can be read on line at http://www.lazybeescripts.co.uk/Scripts/script.aspx?SS=54

For enquiries, contact the director, Cameron McAdam on 0425 774 780.

Heart of Corangamite Parents/Carers Survey

Heart of Corangamite is a community based, health development initiative promoting physical activity and healthy eating in young children and their families. The project, which is a joint effort of local government, health, education and community agencies, is currently spending time in the community taking stock of what is currently happening; gathering information about issues or factors that may be making it hard for kids and families to eat well and be active as they go about their daily lives. The survey takes less than ten minutes to complete and all data gathered is confidential and de-identified.

We are asking all parents and carers who have children at the Junior Campus to complete the survey either by collecting a hard copy of the survey from the Junior Campus Office or going online at https://www.surveymonkey.com/s/MRPSG59.

Complete the survey and provide your contact details to go in the draw to win a family pass to Australia’s Best Children’s Festival Fun 4 Kids in Warrnambool. We have three to give away. Visit www.fun4kids.com.au for more information. Please note: contact details are collected for the prize draw only and will not be used to identify the survey respondents.

Any queries about the project can be directed to Sandra Poole at Manifold Place Community Health Centre on 5593 1892.

Senior teams need to complete a Registration Form that is available from Davis’ Milk Bar or Camperdown Picture Framing.
