‘Wow’ is definitely the well used phrase for our involvement in the Victorian State Schools Spectacular! Our students and families who attended the performances loved the experience and are already asking for more in 2014.

As part of a celebration of young talent involving 3,000 Victorian State School students ranging in age from Primary to the Victorian College of the Art’s performers, our team of students conducted themselves in such a professional and enthusiastic manner that all we could do was be proud of them. They mastered the quick costume change and managed to stay reasonably calm in the holding areas off stage when there was nothing but this amazing craziness on such a grand scale all around them.

Annette Timilsina
Victorian State Schools Spectacular Coordinator
From the Principal’s Desk…

In addition to the many formal transition activities that happen at this time of year, we continue to welcome incoming Prep and Year 7 students and families for personalised visits and tours. As families confirm their 2014 enrolments, we are able to proceed confidently with our planning for next year. Last Wednesday night, we hosted large numbers of upper primary students and their families at the Senior Campus Open Night and Year 7 Expo. Our secondary students ably assisted staff in showcasing the programs and opportunities on offer at Camperdown College throughout Year 7 – 12. Across the College, we are anticipating that student numbers will continue to grow, with strong community recognition of our students’ success.

On Saturday 27th July, I had the absolute pleasure and privilege of attending the Victorian State Schools Spectacular, which of course featured 22 of our own dancers from Year 3 – 6. Never have I been more proud to be part of such a terrific school and system! The show was a great tribute to the talent, energy and determination of the young people in our schools and was a fine example of what can be achieved when individual talent and goodwill is harnessed towards a common goal. Our students earned their place at Hisense Arena and deserve all of the accolades that have come their way. Thank you again to Annette Timilsina, Jessica Gaut, Claire Kempton, Sue Delwig, the College community and the wider Camperdown community for the interest and support shown to our school and our students.

Work on the façade of the Brooke Street Hall has been completed and we now have a much improved facility to support our Junior Campus Arts and Physical Education programs. Year 12 student Brett Ryan has contributed to the work through his School Based Apprenticeship with builder Garry Doyle. Our Brooke Street students have responded very enthusiastically to the changes!

Our Year 10 students are presently engaged in their second week of work experience. College staff have been visiting the students and their employers and it has been very interesting to hear about the learning that is taking place. Year 9 students involved in the Community Service elective are also very active in the community at present, volunteering at a range of local organisations. Again, we are appreciative of the community’s support for these school programs which have much to offer all concerned.

Thank you to all families who have provided feedback through the annual Parent Opinion Survey. This is sent to a random sample of families and we appreciate the time taken to respond. We are always keen to hear what is working well for our students and families and the areas for further consideration and improvement.

The data from this year’s Attitudes to School Survey has recently arrived in the school. This data is collected from students in Year 5 – 12 across the State. Responses from our upper primary students have improved since last year in all three areas of student relationships, teaching and learning and wellbeing. At Year 7, 9, 10 and 12, our students’ responses significantly exceed the State average, with students reporting particularly high levels of satisfaction. Close examination of the data gives us the opportunity to further examine aspects of schooling that our students are highlighting as strengths or concerns. Data from the Parent Opinion and Attitudes to School surveys does not take the place of the regular dialogue and feedback cycle that informs future planning. Your informal but timely feedback in response to particular programs, events and issues is extremely valuable.

August is Education Support Staff month and it is appropriate that we take time to acknowledge the very important contributions made by the College’s diverse and capable support team. We enjoy the services of 13 Education Support Staff members, some of whom work alongside classroom teachers providing additional support to individual students and groups and others who support specific areas of the curriculum or school functioning. In our August newsletters, we look forward to introducing all of our Education Support Staff to the school community.

Ms Cherie Kilpatrick
Principal

Year 10 Work Experience:
Year 10 students have almost completed their two weeks of work experience in a variety of fields. Teachers visited the students throughout the week and feedback from both the students and employers has been overwhelmingly positive. A more detailed report of students’ experiences will be included in the next newsletter.

Cosi Performance:
Complete Theatre Works presented the play Cosi to Year 12 students in the Wilson Street Hall last Monday. The students enjoyed all aspects of the performance and it certainly enhanced their understanding of interpretation of the play, which will place them in good stead for their upcoming final examination. Students from Timboon College, Mercy Regional College and Terang College also joined us for the performance.

VCE students out and about:
On Sunday, Mrs Charles took Year 12 Geography students to a lecture with Dr Rebecca Kippen at Melbourne University on population demographic studies. This lecture provided the students with information to complement their studies on developing and developed countries.

Spiritual Health:
Mrs McPhee and the Year 9 students visited our Chaplain, Cameron McAdam, at the Uniting Church this week. As a part of their studies on all facets of health and wellbeing, Cameron presented a session on spiritual health. The students thoroughly enjoyed the session and the opportunity to see and meet with Cameron in this setting.

Senior Campus Open Night and Year 7 Expo:
Our Senior Campus Open Night and Year 7 Expo was conducted last Wednesday evening. We were very pleased with the number of Year 5/6 students who attended the evening and relished the opportunity to showcase all of the wonderful programs that we have on offer. The corridors were filled with displays and interactive activities and each student enjoyed working through a number of challenges to fill in their passport. Our senior students absolutely shone on the evening and were outstanding ambassadors for the College. Thank you to the following students for their involvement in the evening:

We have conducted a number of school tours since the evening and welcome the opportunity to show anyone around the school whilst the students are busy completing their everyday studies.

Victorian State Schools Spectacular – Well done Jessica Gaut!
I would like to take this opportunity to congratulate all of the Brooke Street students who were involved in the Victorian State Schools Spectacular. I have heard lots of positive feedback about the performances and the overall experience. We are very proud of the hard work that Year 11 student Jessica Gaut dedicated to ensuring that the Year 3 – 6 students were well prepared for this event. Jessica is a very talented dance teacher who has shown wonderful leadership and community spirit. Congratulations Jessica on your efforts!

Ms Vicki Angus, Wilson Street Assistant Principal

Permission Forms:
In the last newsletter, we let you know that the return date on permission forms is now firm and that we will not be able to accept any forms after the return date. We are also not issuing repeat notes to students who have misplaced them. If your child has misplaced a permission form, we ask that parents/guardians come into school to sign the permission form on site. We hope that this adjustment doesn’t cause too much inconvenience and that you understand this is a necessary part of planning a safe and coordinated event for our students. Thank you to the parents and students who have made a concerted effort to adjust to this alteration – we really appreciate your cooperation!

Victorian State Schools Spectacular:
The Victorian State Schools Spectacular is officially over! We were so proud of our group of students for the way that they conducted themselves throughout the process and what they were able to achieve during the performances. You have all represented Camperdown College and yourselves with pride!

Our thanks again to Mrs Timilsina for her work in coordinating our involvement, to our Parents & Friends Association for their support and importantly to our wonderful parents, who were able to chip in and provide support in a variety of ways, that allowed our students to be part of such a wonderful, unique experience.

2014:
Another reminder that if you have a child, or know of someone, who will be attending Camperdown College as either a Prep or Year 7 student in 2014, could you please provide us with the relevant enrolment forms as soon as possible. Term 3 is the time where we begin planning for the following year and the more information that we have about our possible student groups, the better!
This week also marked the next stage of our Kindergarten to Primary School Transition Program with the Camperdown Kindergarten students visiting our Prep room on Monday. The students were able to have a play, listen to a story and complete a literacy activity based on the story that they heard. Well done to Miss Clark for facilitating this visit – it’s wonderful to have our potential 2014 Prep students visit and enjoy our school environment!

Room Numbers:
You may or may not be aware that our Junior Campus rooms now have shiny new signs! The numbers given to some of the classrooms have changed. Please check the table below to confirm what classroom number your child is now in so that any correspondence to the College can reflect the right room number – particularly lunch orders. The changeover has been a very confusing time for the canteen staff!

Year 3/4 Rookies Hooptime:
Last week, our Year 3/4 Rookies headed to Terang to participate in the first round of Hooptime. Both teams achieved some fantastic results and a great time was had by all of our basketballers, and Mrs Downie!

Next week, our Year 5/6 Rookies will have their turn and we would like to wish them the best of luck!

Regional Hockey 7s Competition:
Next Friday, our Year 5/6 Hockey 7s team are heading to Warrnambool to participate in the Greater Western Region Hockey Finals. This is an amazing achievement for our young team and we are very proud of the fact that they were able to qualify for this level of competition. We give our very best wishes to the team of Tom Cole, Jacob Vagg, Thomas Nicholson, Jack Helmore, Riley Helmore, Khris Clementson, Harry Sumner, Zoe Wilkinson, Grace Jopling, Olivia Maskell and Jaedyn Bassett along with Ms Norton who will be coaching/supporting our team on the day.

Mrs Angela Hall, Brooke Street Assistant Principal

Is your child attending Camperdown College in 2014?
To enable us to provide accurate 2014 enrolment figures to the Department of Education and Early Childhood Department, it is important that you let us know if your child is not returning to Camperdown College next year. We also seek your cooperation in ensuring that enrolment forms for students entering Prep and Year 7 in 2014 (including Year 6 students presently enrolled at our Junior Campus) are submitted as soon as possible. I am required to supply enrolment predictions in early August and it is essential that these are as accurate as possible so that our school’s 2014 funding can be correctly calculated. Thank you for your assistance.

Cherie Kilpatrick, Principal

Family Fun Science Night

Thursday 15th August from 7.00pm – 8.30pm
In the Wilson Street Science Rooms
Experiments, Activities, Prizes
Light Refreshments will be served
Everybody Welcome!

Attention – Year 9 and 10 students and parents
Feast free to come and listen to information on VCE, VCAL, VET in school programs,
School Based Apprenticeships and Structured Workplace Learning
Tuesday 13th August in the Wilson Street Library from 1.30pm
Stall:
It’s that time of year again and we are asking parents/guardians to please begin thinking about what they can donate to this year’s Father’s Day Stall which will be held on Friday 30th August for students in Prep – Year 6.

The bags will be sent home next week for you to be able to send donations into school.

All gifts will still cost $3, please feel free to contact the Brooke Street Office if you have any queries.

Junior School Council Cupcake Day
Monday 2nd September for Prep – Year 6 students
Chocolate & vanilla Cupcakes available for $1 each
All orders and payment must be in at the Brooke Street Office by Tuesday 13th August

We were lucky to have a terrific trio of support staff in Jessica Gaut, Sue Delwig and Claire Kempton, who calmly prepared and organised students for whatever came next. Thanks must go to Sue Maskell for driving the bus, being our gopher during production days and staying overnight with us on the Friday.

We cannot forget the much appreciated food supplied by individual parents who baked slices and muffins to supplement the food students bought with them and to Ms Kilpatrick and her daughter Bridget for making the rolls for lunch and dinner for Saturday’s performances.

We had support from individuals, the Corangamite Shire and Greavesey’s Fruit and Vege who supplied us with an abundance of fruit and amongst it all, there was a sense of enjoyment and pleasure in what we had all achieved together as a team and a school community.

When I think back to the beginning with Jessica leading the auditioning dancers, whilst Ms Duynhoven and I madly tried to take notes whilst carefully watching students for skill, ability to listen and presence, it seems like such a long time ago and now it has come to an end.

It is difficult to know where to start describing the experience as it was beyond anything any of us had experienced before, but I think Jessica’s statement on the last night as we packed up summed it up beautifully: This has been the craziest and best three days of my life!

Annette Timilsina
Victorian State Schools Spectacular Coordinator

Our Year 12 Geography students are to be highly praised for the dedication that they have shown to their Geography studies this year. On Sunday 28th July, the entire class attended a VCE lecture at Melbourne University – this lecture was geared to enhance their knowledge of Global Demographics. All students really enjoyed the lecture and felt it reinforced what they have been studying in class. A big pat on the back must go to Madison Helmore, Isabella Scott, Jarrod Esh and Georgina Sadler (pictured left).

Suzanne Charles, VCE Geography

Victorian State Orchestra
On Wednesday 24th July, two gentlemen from the Victorian State Orchestra visited the students at Camperdown College to share with them some of the light variety music that the orchestra plays for communities across Victoria. The students were taught about the various instruments and the different sounds they make, as well as how all of the instruments combine in a complete orchestra.

The Victorian State Orchestra was formed in 1926 and was originally funded by the State Government, but this funding has since decreased dramatically and the Orchestra is now self-funded, along with support from the Helen Macpherson-Smith Trust and the Ian Smith Foundation.

The community concerts are free for children and involve local community students. The Camperdown community concert was held last Sunday.

Angela Hall
Assistant Principal

FATHER'S Day
Breakfast:
The annual Father’s Day Breakfast will be held again this year on Friday 30th August at the Brooke Street Campus.

It was extremely successful in 2012 and it would be fantastic to see our fathers enjoying breakfast with their children again this year. Watch this space – more details will be in the next big newsletter.

Indonesian Week

Camperdown College will be celebrating Indonesian Week from Monday 26th until Friday 30th August across both campuses. There will be a variety of lunchtime activities including a Congklak tournament, trivia competitions and krupuk (Indonesian prawn cracker) eating challenge.

In Indonesian classes, there will be a focus on various aspects of the Indonesian culture and some students will have the opportunity to listen to a guest speaker. In addition, students from both campuses will be able to purchase Indonesian food for lunch. The week will conclude with an assembly at the Brooke Street Campus, with students showcasing their newly learned Indonesian skills. Parents of Brooke Street students are encouraged to attend this assembly. There will be more information to follow, as we get closer to the date.

Jenna French, Indonesian Teacher

Camperdown Kindergarten children visit Camperdown College

This week marked the beginning of our Kindergarten to Prep transition program with the first of three visits made by the Kindergarten children to our Junior Campus.

During their visit, the children were read to by Miss Clark and completed a craft activity based on the story book Chick and Pug. They were able to go home with their own little chick or pug peg magnet to hang their kinder artwork on!

It’s a pleasure to have the Kindergarten children visit to share in all of the wonderful things that we do at Camperdown College!

Angela Hall, Assistant Principal

August is Education Support Staff month!

Pictured left to right: Mardi Johnson (Business Manager), Pauline Vandijk (Library Assistant), Amy Stephenson (Junior Campus Office Manager), Sharyn Arnold (Home Economics Assistant), Christine Esh (Senior Campus Office Manager); Inset: Ros Sullivan (Canteen Manager) and Linda Morgan (Lab Technician).

Jeans for Genes Day

A variety of styles and colours were seen at the Junior Campus on Friday 2nd August when students wore their jeans for Jeans for Genes Day. Junior School Council members organised the day and were very thankful for everyone’s gold coin donation, which in turn, raised approximately $250 for children’s medical research.

This was a fantastic effort, well done to all of the staff and students who participated in the day.

Julie Nelson and Judy Downie, Junior School Council Mentors
**Year 8 Race around the Square**

Year 8 students became fledgling film makers last week when they participated in the Australian Centre of the Moving Image’s *Race around the Square* workshop at Federation Square that is a part of this semester’s study in film making.

During the workshop, students were taught the steps to create a short *in-camera* edited film which they then had one hour to create. The results showed great promise in some aspects and lots of opportunities to learn and reflect on what works and what doesn’t quite work.

We then had time to visit the Screen World’s and Shaun Tan exhibitions and meandered our way around some interesting sites in the Melbourne CBD. Everyone had a fantastic day that was full of learning and exploring.

**Annette Timilsina, Year 8 Teacher**

---

**Operation Christmas Child**

Students have again been busily collecting donations for Operation Christmas Child this year. We have recently reminded Prep – Year 6 students of suitable items that can be donated, but will happily accept any of the following items from the wider Camperdown College community:

- Something for personal hygiene
- Something to wear
- Something to love
- Something to play with
- Something special

All contributions will be put into little boxes (girl boxes and boy boxes) and they will be sent overseas to children in third world countries. Please, no earrings or war items can be accepted and all items have to be brand new.

Thank you for your support!

**Leanne Coates, Operation Christmas Child Coordinator**

---

**Year 3/4 CFA Visit**

Students in Year 3/4 were visited by the CFA last week to learn about what to do when faced with a house fire. Students gained some valuable information from the visit and said the following:

‘We made a fire safety plan on the whiteboard.’ – **Tamara Jones, Year 4.**

‘He stressed that no-one is to lean on a heater. You need to be at least one metre away.’ – **Krooze McEwan-Hill, Year 3.**

‘If you don’t have a fire escape plan, you could be in danger.’ – **Alan Best, Year 3.**

‘You never touch the door handle if there is a fire in the house as you could burn your palm.’ – **Kristy Parsons, Year 4.**

‘When you stop, drop and roll, you must remember to cover your face.’ – **Ryan Stares, Year 3.**

It was a very informative talk and the students enjoyed learning whilst using the interactive whiteboard.

**Judy Downie**

Year 3/4 Teacher

---

**Reading Hour: Saturday 24th August from 5 - 6pm**

More information next week…

Entries close Friday 6th September

If interested, please contact Sheree Horspole on 0421 234 308 or 5594 8235.
Can you help?

Camperdown College is very fortunate to enjoy a high level of family involvement, enabling us to provide excellent opportunities for our students.

However, an aspect of the school program that is still in desperate need of additional support is the school canteen. As you are probably aware, all meals are prepared at our Wilson Street Campus, with Prep – Year 6 meals then delivered to the Brooke Street Campus and Year 7 – 12 students having access to the canteen at recess and lunch every day.

We are fortunate to have the services of our canteen manager, Ros Sullivan, however to supply the best possible service to our students, we also need parent helpers to assist each day at the Wilson Street Campus in preparing and serving food.

The busiest times are from 10.30am – 12 noon Monday to Thursday and from 10am – 12.30 pm on Friday. Friday is the busiest day of the week. Please note that parent helpers are not required to handle money when helping in the canteen.

We would be very appreciative of any offers of assistance as we would like to be able to continue to offer daily canteen services. Could you please indicate your availability to assist in the canteen as a parent helper by returning the expression of interest form below directly to Ros at the canteen or at either the Brooke Street or Wilson Street Offices. Ros will then make contact with you to confirm a roster.

Thankyou for your consideration of this matter.

Cherie Kilpatrick, Principal

Ritchies IGA Community Benefit Card
When shopping at Ritchies supermarkets and by using your community benefit card that is linked to our school, Ritchies will continue to donate money back to us, which we will use to purchase new classroom furniture. Since our commencement of the Community Benefit Program at Ritchies, we have received $29,757.41 in donations. The community benefit card or tag can be used by staff, students and their families, grandparents, neighbours in any Ritchies store throughout Victoria, New South Wales and Queensland.

If you would like to support our school, please collect a community benefit card or tag (which are already linked to our school) from the Brooke Street or Wilson Street Office ready to use or alternatively pick one up at the registers next time you shop at a Ritchies store. All you need to do is nominate Camperdown College, it’s that easy!

Go on, shop at Ritchies whereby Camperdown College will benefit!
The Rotary Club of Camperdown is throwing its support behind Project Uplift, an initiative to send much needed bras to women in Fiji.

Project Uplift provides bras to women in disadvantaged communities who cannot afford to buy a bra. Often the bra received through Project Uplift will be the only bra that woman owns.

In Fiji a new bra costs around $40. Wages range from $1.50 - $4.50 an hour, so most women simply cannot afford to buy a bra.

In heat and humidity, rashes, abscesses, fungal and thrush infections occur between the breast and the chest wall. Bras help by allowing air circulation.

In some regions, the lack of a bra is a badge of poverty. Women appreciate the common dignity of a bra for church, business and social occasions.

Rotary Club of Camperdown is especially looking for donations of nursing, mastectomy and size 18+ bras. Bras of smaller sizes are also welcome as are swimming costumes. Bras must be clean and in good condition.

If you would like to donate, please contact Laura on 0417 641 436.
