**2. MORE SCHOLARSHIP NEWS** – Year 12's are encouraged to **apply for scholarships** on the VTAC website (**the deadline has been extended to 12 noon on Monday 16 October**). However, as previously noted, it is wise to look out for others such as:

- **AusNet Services Women in Power Engineering scholarships** – these support women to achieve tertiary qualifications in power engineering, preparing them for careers in the energy industry. Scholarships are awarded to successful female applicants entering the B. Electrical and Electronics Engineering (Honours) degree. They are valued at \$10,000 per year and include a mentoring program. **See:** [www.deakin.edu.au/ausnet-services-women-in-power-engineering-scholarship](http://www.deakin.edu.au/ausnet-services-women-in-power-engineering-scholarship)
- The **Global Science and Technology Program** aims to recognise and support high achieving students who would like to conduct part of their studies overseas.

Successful applicants will receive a \$3,000 scholarship to assist with travel and will participate in the Deakin Global Citizenship Program. Available to students interested in studying any undergraduate course in the Faculty of

Science, Engineering and Built Environment, with scholarships for those who get at least an ATAR of 80.00 and are admitted through VTAC. **See:**

[www.deakin.edu.au/sebe/global](http://www.deakin.edu.au/sebe/global)

- The **IGNITED Scholarship** aims to ignite women's interest in **areas traditionally dominated by men**. Each scholarship is valued at \$5,000 pa. They are awarded to successful applicants entering an approved undergraduate degree offered by the Faculty of Science, Engineering and Built Environment (eg Deakin Engineering or IT). **See:** [www.deakin.edu.au/ignited-scholarship](http://www.deakin.edu.au/ignited-scholarship)

### 3. CHANGES TO DOCTOR OF MEDICINE (MD) AT MONASH

– This year there are only two VTAC Codes for this course rather than three. Students who apply for the CSP will also be automatically considered for a

Bonded Medical Place (BMP) which now means there is no separate VTAC code for BMP. Applicants should note that deferrals will not be allowed except in exceptional

circumstances. **See:** [www.monash.edu.au/medicine](http://www.monash.edu.au/medicine).

### 4. I'M IN YEAR 12 - WHAT IF I DO NOT GET A HIGH ENOUGH ATAR TO GET INTO MY DESIRED COURSE?

**Many pathways and programs exist to assist in getting to where you want to go. Suggestions:**

- Complete a course at **Deakin College** in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communication or Science
- Complete a **UniLink Diploma** at **Swinburne** (Arts and Communications, Business, Design, Engineering, Health Science, IT, Science)
- Complete a **Diploma** at **La Trobe Melbourne** in Biosciences, Business, Engineering, Health Sciences, IT or Mass Media Communications
- Consider studying a **related university course** with a lower ATAR; **if you do well** you MAY be able to transfer to your desired course later
- Start with a **VET (TAFE) course** in a related field; two years of VET often equals one at university
- Consider a **country/rural campus**. ATAR's are often lower, usually due to lower demand; most have accommodation (apply ASAP)
- For **nursing** consider first completing **Division 2** at TAFE or a private provider- eg. Box Hill, Chisholm, Federation, Goulburn Ovens, Holmesglen, RMIT or Swinburne
- **ACU** has certificate/diploma courses that can lead to degrees (through ACUcom) **See:** [http://www.acu.edu.au/courses/2014/other\\_courses/vocational\\_education\\_training\\_vet/](http://www.acu.edu.au/courses/2014/other_courses/vocational_education_training_vet/)
- Complete a **Victoria University Foundations@VU** alternative entry to higher education and diploma studies course - a 13 week course designed to build academic skills needed for tertiary study. **See:** [www.vu.edu.au/courses/foundations-at-vu-iyac](http://www.vu.edu.au/courses/foundations-at-vu-iyac)
- Complete a 2-year **Associate Degree** – want to study at university but not sure you will meet the entry requirements for a bachelor's degree? Several universities offer these
