Camperdown College **SPORTING Schools** After School Sports Program – Term 2 2017 Enrolment

Dear Parents/Guardians,

Sporting Schools is running again in Term 2. The program provides students with an opportunity to engage in quality sports that will contribute to lifelong healthy and active habits. Due to the popularity, we have been able to increase the current program to two nights per week.

Program Information:

- **Coordinator:** Sally Sutterby.
- **Details:** The Term 2 program is as follows –
 - **Football & Netball:** Each Monday from 1st May until 19th June.
 - **Funastics:** Each Wednesday from 3rd May until 14th June.
- Each session runs from 3.15pm to 4.30pm at the **Junior Campus** and is available for students in Prep – Year 6. An after school snack of fruit and healthy food will be available at the start of each session. Parents are responsible for collecting their child(ren) **promptly at 4.30pm** from the Junior Campus.

In order to maximise involvement and maintain the integrity and safety of the program, we must limit the number of students involved in each session. Once interest has been determined, places will be allocated on a *first in, first served basis*, however, consideration will also be given to gender and age balance, as well as making the program accessible to as many children as possible.

It is imperative that students who are allocated a place commit to the program and attend all sessions. If your child is absent from school, they will be marked absent from the Sporting Schools Program, if however, your child is at school and is not going to attend the program, a note to that effect needs to be sent to school. It is not appropriate to *opt in and out* of the Sporting Schools Program as that will prevent another child from having access to the program.

Please note that permission forms will be sent home with those students who have returned their preference forms below by Wednesday 26th April. These must be signed and returned to the Junior Campus Office by Monday 1st May in order for your child to take part in the program.

If you have any queries, please feel free to contact the Junior Campus for further information.

Yours sincerely,

Clare Monk
Assistant Principal
