International Competitions and Assessments for Schools

Students in Year 3-12 at the Junior and Senior Campuses have the opportunity to sit for International Competitions and Assessments. These competitions give students experience in answering questions in formal test situations and to have their work assessed against other students around Australia and the Asian and Pacific Area. Every student entering a competition receives a certificate and a detailed assessment.

The competitions are held during Terms 2 and 3, but we need to complete the online entries this term. There is a cost of $8 per student per competition for the Digital Technologies, Science, English & Mathematics Competitions, $11 for the Spelling Competition and $17 for the Writing Competition. If you would like your child to be involved in these competitions, please complete the slip below and return to the Junior or Senior Campus Offices with payment by the final day of Term 1, Thursday 24th March.

Students will be able to participate in any or all of the following competitions:

All entry fees must be placed in a named envelope and handed in at the Junior or Senior Campus Offices by the beginning of the season. Please note that if you register online but neglect to pay, your entry will be void.

Prizes will be awarded at the conclusion of the season in dollar amounts for first, second, third and last places and amounts will be finalised after the first few rounds, once all of the entries have been processed. Exact prize amounts will be advertised in the newsletter in coming weeks along with regular ladders. Please contact Amy at the Junior Campus Office if you have any questions and good luck!
