Our Instrumental Music Winter Concert was held on Wednesday 8th June in the Junior Campus BER Building and was a wonderful celebration of music at Camperdown College.

The program was varied with beginner and more advanced students performing solo and group items for families and friends, and reflected how much our Instrumental Music program has grown.

Our Senior Campus guitar students Bailey McDonald, Darcy Micallef, James O’Neil, Zach McKenzie, Caelan Gratton and Ben Micallef also performed for the first time with their teacher, Mr Peter Sharp.

Fiona Pugh
Instrumental Music Teacher
Another semester at Camperdown College is drawing to a close and we have appreciated several opportunities this week to step back and reflect on the learning that has occurred and the progress that has been made by so many students. Our Senior Campus Celebration of Learning Assembly on Wednesday gave us an opportunity to publicly acknowledge a range of students whose efforts have been particularly noteworthy with regards to attendance, academic excellence, citizenship, or special achievements. The performance by our ukulele class was a fitting opener for this assembly, demonstrating the satisfaction that comes with sustained effort and teamwork.

The outstanding achievement of Year 10 student Lauren McIlvree (pictured left) in being selected for a student trip to Vietnam was one of many highlights of the assembly. Lauren’s award winning essay on The Controversial Vietnam War reflects her dedication, strong personal interest and insight into a controversial period that profoundly affected individuals and our nation. We are very proud of what Lauren has achieved!

College teachers from all stages of schooling came together on Wednesday after school to share presentations of their students’ learning growth. Across the school there is a strong sense of shared responsibility for student wellbeing and academic outcomes, and these end of term presentations serve an important function in celebrating success and highlighting the next steps for our collective work.

This week we have had the sad task of farewelling Mr. Ben McKenzie who is leaving us to take up a position at Warrnambool College, closer to family. Ben has made a significant contribution to the College during his three years at the Senior Campus and we thank him for the great work he has done to build the profile of Design and Technology across the school. Ben has successfully engaged students and the community with a range of creative projects and leaves the faculty well placed to go from strength to strength. We thank Ben and wish him all the best in his new position.

Tomorrow we will conclude the end of semester celebrations with our Junior Campus assembly and it will be a great pleasure to announce the students of the term!

Last Friday I had the pleasure of catching up with two of our Year 9 students, Casey Smith and Paige Prout (pictured left), who have spent the term at the Gnurad Gundidj campus of the School for Student Leadership. Year 9 Program teacher Mr. Kim Gration and myself attended the students’ community learning project presentation day and were most impressed by the girls' increased confidence and personal growth. They have made many friends from all over Victoria, successfully tackled challenges that took them well beyond their comfort zone, and learnt that there is no limit to their potential.

With two weeks of school holidays ahead of us, I wish all students and staff a safe and enjoyable break and look forward to seeing you all on Monday 11th July. Please note that School Council has approved a student free professional learning day on Thursday 14th July which is in the first week of term. Teachers will use this day to take the next steps in the implementation of the new Victorian curriculum at Camperdown College. This includes using our new online parent portal Compass to communicate the learning intentions, success criteria and outcomes of each new learning cycle. Parents will be able to view this information within Compass next term.

Please note that the canteen will be closed on the last day of Term 2, tomorrow Friday 24th June.

Please do not send your child to school with money or a lunch order.
Farewell:
It is with sadness that we farewell Mr McKenzie who has been with us for the past three years. He has left an indelible impression on the Technology area having built up the range of experiences that students are exposed to in this area throughout his time. He will leave us with many fond memories of: the wonderful contributions he has made to a wide range of programs; his ability to engage students and develop relationships and his sense of humour. We wish him all the best in his new job at Warrnambool College.

Celebration of Learning Assembly:
Our Celebration of Learning Assembly was held yesterday. Congratulations to the following award recipients:

### Attendance Awards:
- Taj Merrett
- Izabelle Bernaldo
- Jordan Watson
- Riley Helmore

### Best Report/Achievement at each year level:

- **VCE** Year 12: Molly Helmore
- **VCAL** Year 12: Nakeea Parlour
- **Year 10:** Lauren McIlveen
- **Year 11:** Bridget Moyle
- **Year 12:** Andrew Anderson
- **Year 10:** Olivia Henzen
- **Year 11:** Andrew Anderson
- **Year 8:** Tim Fagan
- **Year 7:** Ruby Bennett

- **TAFE Achievement Award:** Sophie Sumner
- **Outstanding Achievement Award:** Lauren McIlveen

### Good Citizen (voted by peers, conducted and presented by SRC President):

- **VCE** Ebony Prout and Tate Canty
- **VCAL** Tamara Emery
- **Year 9/10** Olivia Henzen and Lauren McIlveen
- **Year 7/8** Cyan Ellerton, Ryley Moloney and Charlie Tickner

### WOWOW Bus:
Last Thursday we had a visit from the WOWOW Bus (World of Work on Wheels). This is a joint initiative of the Career Education Association of Victoria and the Department of Education that was travelling around rural and regional Victoria aimed to build student’s knowledge about the future world of work, to raise career aspirations and promote the importance of being work ready. Students used Samsung 3D glasses to explore careers in six growth areas using a virtual reality app.

Students also meet Nao – a humanoid robot (pictured right). The program emphasised the role of new and emerging technologies and how they are shaping the world of work.

### Trip to Vietnam:
Earlier this term, Lauren McIlveen entered a competition ran by the Vietnam Veterans Association, Victoria Branch to commemorate the 50th Anniversary of the Battle of Long Tan that was open to all Year 10 and 11 students in Victoria. Lauren wrote an essay on the theme *The Controversial Vietnam War*. Her essay incorporated parts of interviews that she had with Vietnam veterans and also an interview with Pat Scott (past Camperdown College teacher) who lost her brother Ian in Vietnam. Lauren’s entry was one of ten selected. Lauren’s prize includes a tour of Vietnam for eight days in September. Congratulations Lauren on a wonderful achievement.

### Reports:
Reports have been posted home to families. Please take the time to read the report and discuss it with your child. If you would like to follow up on any aspects please do not hesitate to make contact.

**Vicki Angus**
**Senior Campus Assistant Principal**
Junior Campus News

It is hard to believe that our shortest day of the year has passed and we are now half way through the year. As another term draws to a close I would like to take this opportunity to thank everyone for their support throughout the semester. Our Junior Campus programs rely heavily on assistance from parents as classroom helpers each day and our sporting programs would be impossible to run without the support of parents. I hope you all enjoy the holidays with your children, spending happy times playing, resting and doing things together. While it is a cold time of year, I hope you can all rug up and have some time outdoors enjoying the fresh air and our beautiful environment. Term 3 commences on Monday 11th July.

Reports:
Our teaching staff have worked incredibly hard over the last month or so writing Student Achievement Reports. I would also like to congratulate the teachers on the high quality reports they have written for all the students. They certainly know your children well and provided excellent examples and evidence of their strengths. These reports are yet another part of the home – school connection. Students were given their half year report today, enveloped and addressed to their parents/guardians. Please take the time to carefully read and discuss your child’s report with them, celebrate their successes and set goals for their Areas for Improvement. Parent Teacher Interviews will be held early in Term 3 and will provide an opportunity to discuss your child’s progress with their teacher.

Year 6 – 7 Transition:
Our Year 6 students visited the Senior Campus this week for the third of their transition visits. This week the students participated in Design Technology classes with Mr McKenzie, designing and creating an LED torch. The students combined electronic soldering techniques with construction to produce the torch. Thank you to Mr McKenzie for coordinating these sessions; from all reports the students thoroughly enjoyed the experience.

Attendance:
I would like to congratulate all students on their improved attendance this term. After scanning through our attendance data I am very pleased to announce that 44% of our Junior Campus students achieved 98% or more attendance at school in Term 2! This is a significant improvement on previous years; well done!

At our Celebration of Learning Assembly tomorrow, students who have achieved 100% attendance for Term 2 (which officially concluded on Friday 17th June) will be presented with Gold Medal Attendance Awards. Congratulations to the following students on attending school every day during Term 2:

- Noah Clarke
- Charlie Burnett
- Fletcher Tolland
- Xavier Warren
- Lewis Regan
- Kimberley Hocking
- Sydney Bateman
- Mikayla Shaw
- Jazhara Ellerton
- Zack Regan
- Pippa Britton
- Nia Shaw
- Eagan Winsall
- Ryan Stares
- Jesse Parsons.
- Gracie Pearce
- Tyler Heffernan-Morgan
- Riley Stephenson
- Leilah Bateman
- Connor Stares
- Lewani Bateman.
- Chloe Anderson
- Keira Johnston
- Finn Tolland
- Harrison Bennett
- Luke Britton
- Declan Tickner

Celebration of Learning Assembly:
Tomorrow we will hold a Celebration of Learning assembly at 9.00am in the BER Building. All our students from Prep – Year 6 will come together to celebrate their learning from the term as well as the achievements of students who have made exemplary progress in an aspect of their learning or simply made an excellent contribution to our College. At the assembly, students from each year level will showcase some of their learning from this term to other students and the wider school community. Hope to see you all there!

Sport:
This term has been incredibly busy on the sporting calendar. On Monday, Mr Attrill and sixteen Year 5/6 students attended the Golf Championships at the Terang Golf Club. A great day was had by all with Cain Hope achieving a score of 55 strokes over 9 holes, which was a fantastic effort. Thank you to the many parents who assisted on the day, as days like this cannot go ahead without parent support.

Yesterday Michelle Norton attended the Hockey 7’s Championships in Warrnambool with nine of our Year 5/6 students. Michelle was extremely pleased with the incredible effort, improvement in play during the day and the excellent sportsmanship and positive behaviour on the day. We won two games out of the five. Thank you to all families who transported students to and from the venue.

Ballarat Wildlife Park:
Our Prep – Year 2 students visited the Ballarat Wildlife Park on Tuesday to culminate their studies on Living and Non-Living things/Australian Animals. From all accounts, the students thoroughly enjoyed interacting with the wildlife in their natural habitat. Thanks to Julie Nelson for coordinating this excursion.

Staffing:
Carissa Pearson (Federation University student) completed her four weeks teaching placement with our Prep students on Tuesday. We wish Carissa all the best for her future teaching endeavours. Graeme Bennett will be on Long Service Leave for the first three weeks of Term 3; Dayle Smithwick will be working with Year 5/6B in his absence. On behalf of staff, I would like to wish Kerrie Howard all the best as she travels overseas. Thank you for your dedicated work in Science and PE this term. Enjoy your well deserved break Graeme and Kerrie!

Clare Monk, Junior Campus Assistant Principal

Parent & Friends are planning to run a barbeque and cake stall at the Federal Election polling booth at the Senior Campus on Saturday 2nd July. It will be school holidays, but we are hoping some people will be available to assist on the day – which is beginning at 7am until approximately 2pm (depending on sales).

If you could please spare an hour or so to help out, it would be greatly appreciated. Please contact Kim on 5593 2818 if you are free to let us know a time. We have sent home plates with students today for families to be able to bake something scrumptious that we can sell at the cake stall. Any donations can be taken to the Cake Stall on the day. Thank you in anticipation.

Parents & Friends Fundraiser

Thank you to those families who supported our slice drive, which in turn has raised valuable funds for our Junior Campus playground.

All orders will be ready for collection tomorrow, Friday 24th June.

Junior & Senior Campus Canteen Roster

| Monday 11th July | Canteen Closed for Lunches |
| Tuesday 12th July | Canteen Closed for Lunches |

Come dressed in red & donate a gold coin to a fantastic cause: SIDS and Kids

SIDS and Kids is dedicated to saving the lives of babies and children during pregnancy, birth, infancy and childhood and supporting bereaved families.

Hot Dogs ($2) and drinks ($2) will be sold at lunchtime.

---

**Instrumental Music Winter Concert**

The Junior Campus Band, made up of keyboard, violin and recorder students played three songs, including *Stew Pot Hop* and were ably accompanied by Nia Shaw on the xylophone and Mikayla Shaw on the big bass drum. The Senior Campus Ensemble *Fiddle Fingers* (Jordan Watson, Timothy Fagan, Otto Leonard-Pekin and Jack Leonard-Pekin) were joined by Lewani Bateman on violin and guitar students Caelan Graton and Ben Micallef, and they all inspired our younger students.

Congratulations to our instrumental music students:

**Violin students:** Lewani Bateman, Nancy Leonard-Pekin, Keira Johnston, Lila Horspole, Bailey McGillivray, Georgia Walters, Timothy Fagan, Jordan Watson and Jack Leonard-Pekin.

**Keyboard students:** Kristy Parsons, Oliver Clark, Riley Stephenson, Leilah Bateman, Ishmael Rothman, Mercy Rothman and Sadie Walsh.

**Recorder students:** Patrick Spokes, Riley McGillivray, Zach Pillar.

**Guitar students:** Caelan Graton, Ben Micallef, Bailey McDonald, Darcy Micallef, James O'Neil and Zach McKenzie.

Year 5/6 Golf Tournament

On Monday 21st June, sixteen Year 5/6 students travelled to Terang to take part in the District Primary School Golf Tournament. This was an excellent opportunity for students to experience playing golf on a real golf course, which many had never had the opportunity of doing so. Students played on a modified course with holes ranging in length from 10m to 150m long. Students all represented Camperdown College proudly, had a fantastic day and they were able to continually improve throughout the day.

Warren Attrill
Prep-Year 6 Sport Coordinator

Calling for parent helpers...

The canteen is in need of volunteers during the following times and days:

- Wednesdays and Thursdays from 10.30am – 12.30pm
- Fridays from 10.15am – 1.15pm

If you are available during these times, once a week, fortnight or term, we’d love to hear from you!

Please contact Amy at the Junior Campus.

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty

Pictured left: Harrison Bennett enjoyed the Golf Tournament in Terang.

On Tuesday 21st June the Prep – Year 2 students travelled by bus to the Ballarat Wildlife Park. This excursion culminated what we have been studying about Australian Animals and what they need to survive.

We enjoyed a snack upon arrival, but were a little nervous with Crunch the huge crocodile watching us. The keepers, Tim and Simon, each took a group of students for an interactive walk around the park, stopping regularly to pat lots of animals on the way. The kangaroos were very friendly and ate food out of our hands and there were lots of animals out and about entertaining the students as they enjoyed the walk around the park. Everyone enjoyed the day immensely and we were very grateful that it didn’t rain, although it was very cold.

Julie Nelson
Prep – Year 2 Teacher

TERM 2 SPORTING NEWS

Our Sporting Schools program offers a fun and supportive environment for all students and allows them to engage and try different sports. This term, over thirty students participated in seven sessions of basketball coached by Kate Gay from the YMCA. We were also very fortunate to have a visit from Nathan Lemke for the last three sessions as coach. Nathan lives in Hartsville, South Carolina and is in his third year studying Chemistry and playing basketball at Coker College.

During Term 4, we will be offering Funastics with Kate Gay. Forms will be sent out at the start of next term. Thank you to all students and parents who support this wonderful program.

Sal Sutterby
Sporting Schools Coordinator

**Parents & Friends 5c Challenge**
HAS NOW BECOME THE SILVER CHALLENGE.

Parents & Friends set of goal of $1,500 for the 5c Challenge to put towards the building of a new cubby house for the new and improved Junior Campus playground. We have already raised $1091.85 and are well on our way of reaching our target!

To ramp up our fundraising efforts leading into Term 3, we are changing the 5c Challenge to the Silver Challenge. From now on, you can not only donate your 5c pieces, but your 10c, 20c and 50c pieces too!

Let's make Term 3 the biggest and best fundraising effort yet!
