- J46 Year 6 Senior Campus Transition Visits
- J47 Instrumental Music Winter Concert
- J48 Hot Dog Luncheon
- J49 Compass Login Details

Senior Campus communication sent to parents this week:

- S27 Compass Login Details
On Thursday 16th June, we will be hosting the mobile World of Work on Wheels (WOWOW) bus and Virtual Career Expo Experience. This is an initiative of the Career Education Association of Victoria and the Department of Education and Training. All Senior Campus students will have access to the bus during this day.

On the WOWOW bus, students will undertake a structured lesson on career planning; view an online virtual career expo entitled Next Steps and participate in a Samsung Gear Glasses 3D Experience, which will involve students viewing a specifically designed virtual reality app using Samsung Gear VR Oculus 3D Glasses. Through the app, students will explore careers in six growth industry areas.

It is important to note that if your child suffers from certain medical conditions or symptoms, their use of the 3D glasses may expose them to risks of seizures, blackouts, dizziness or other discomfort such as disorientation, head aches or symptoms similar to motion sickness. If you have concerns about your child’s use of the 3D glasses please contact us prior to this activity.

Students will also be required to complete two short surveys. The first will be completed prior to the WOWOW bus visit as part of a classroom activity and will ask students about their future career plans and the types of information they need to make career decisions. The second survey will be conducted after the WOWOW bus visit. If you have any concerns about your child participating in these surveys, please let me know.

During the WOWOW bus visit, students may be photographed and these images may be used by the DET or CEAV. We feel very lucky to have been chosen to participate in this experience and are looking forward to it rolling into Camperdown College.

If you have any concerns about any part of this program please let me know as soon as possible.

Sue Maskell, Careers Coordinator
