Tuesday was very exciting at the Senior Campus when staff and students welcomed Year 6 students to the Science department where the Year 6 to 7 Transition program commenced.

Students spent time hearing from current Year 7 students, Ruby Bennett and James O’Neil, about what Science is really like and then took part in hands-on Science experiments and witnessed explosive demonstrations. From creating delicious sherbet from acid-base reactions to exploring surface tension and natural geometry through making beautiful bubble art, students balanced practical work with theory in ways they can apply to their everyday lives.

A huge thank you to both the secondary teaching staff for making this lesson meaningful and engaging, as well as to the junior campus staff for their support on the day. We look forward to seeing the Year 6 students at the Senior Campus next year where the fun really begins!

Zaakirah Ticklay, Year 7 Science Teacher
Congratulations to our determined Parents & Friends Association on an outstanding fundraising effort in support of our new Junior Campus playground plans. School families and the wider community have generously supported the various fundraising activities and we are now in a position to plan for the installation of new equipment in second semester.

Our Junior Campus students are still furiously fundraising through the weekly 5c Challenge and the Junior School Council have exciting plans for a very special last day of term. Camperdown College will serve as a polling venue for the 2nd July Federal Election and Parents & Friends will be running a barbeque and stall on this day to raise further funds. Your continued support is greatly appreciated – the more we can raise, the more options we have available to us to improve the play spaces and provide the best possible environment for our deserving students. Again, thank you to everyone who has assisted with this project.

Our Year 6 students returned from the Senior Campus on Tuesday eager to share their transition experiences. Year 7 ambassadors Ruby Bennett and James O’Neil assisted Ms Crowle and Mrs Ticklay in an exciting introduction to the secondary Science program. This is the first of many planned visits over the remainder of the year. The Year 7 Information Night is scheduled for the first week of Term 3, on Wednesday 13th July. In the meantime, parents of current or prospective students are welcome to contact myself or our Senior Campus Assistant Principal Vicki Angus to discuss any aspects of transition or the school’s secondary pathways and programs.

Current Year 6 students who are progressing to the Senior Campus next year are not required to complete a new enrolment form but it is important that the school is made aware of their intentions. Please ensure that your child’s Year 6 classroom teacher and/or our Junior Campus Assistant Principal Clare Monk is advised if your child will not be undertaking Year 7 at the Senior Campus next year. While this information does not need to be confirmed until the first week of August, it is very helpful for planning purposes to know this information as soon as possible and we thank you for your assistance and understanding.

Teachers are presently immersed in end of semester assessment and reporting and these activities will continue on the student free day, this Friday 10th June, and over the long weekend. Reports will be provided to parents in hard copy but will also be available within Compass. I would welcome any feedback from parents who are already using Compass to access information about their student’s attendance or schedule. Next term will see an extension of the information available to parents through Compass as teachers will be posting information about current learning cycles and completing progress reports to keep you up to date. Open and ongoing communication between school and home remains a valuable tool in supporting each student’s personal learning journey.

Ms Cherie Kilpatrick
Principal

**Junior Campus communication sent to parents this week:**

**JSC0** Year 3-6 Regional Cross Country

---

**Senior Campus communication sent to parents this week:**
Senior Campus News

Examinations:  
Last week all students in Year 10 and 11 completed exams in each of their subjects. The students are to be commended on the way that they approached their exams. Students took them very seriously and made sure that they had studied prior to the exams in order to give themselves the best possible chances of success.

GAT:  
Year 12 students sat the GAT (General Achievement Test) on Tuesday. This is a three hour test of general knowledge and skills in:

- Written communication
- Mathematics, science and technology
- Humanities, the arts and social sciences.

Each section represents a body of general knowledge and skills that students are likely to have built up through their school years. Although GAT results do not count directly towards a student’s VCE results, it plays an important role in checking that school assessments and examinations have been accurately assessed.

All Year 12 students attended an after school session last week where the wisdom of how to respond to various sections of the GAT was imparted and practise tasks were completed in order for students to understand and be prepared for the different components of the test.

Greater Western Region Cross Country:  
Thirteen Senior Campus students competed in the Great Western Region Cross County in Warrnambool on Monday. Congratulations to Ruby Bennett, Nicholas Jones, Devon Coates, Cynan Ellerton, Jack Helmore, Riley Helmore, Olivia Henzen, Amelia Kempton, Daniel Nelson, James O’Neil, Sophie Sumner, Charlie Tickner and Zoe Wilkinson for making it through to this level. Thank you to Ms Crowle for taking the students to this event.

Year 6 to 7 Transition:  
Our first Year 6 to 7 transition activity was held on Tuesday with the Year 6 students enjoying a double session of Science. Split into two groups the students enthusiastically conducted experiments to make bubble print paper, sherbet, and to burn money. Science teachers Mrs Ticklay and Ms Crowle demonstrated some whiz bang experiments such as the woosh bottle and bang goes the coffee tin. Next week the students will participate in Product & Design classes.

Vicki Angus  
Senior Campus Assistant Principal

Junior Campus News

Pupil Free Day Tomorrow:  
The Camperdown College School Council has identified tomorrow as a Pupil Free Day for Reporting and Assessment purposes. There is no school on this day. Please be advised that this date adjoins the Queen’s Birthday long weekend.

Welcome Carissa:  
Throughout the year, we are fortunate to have many pre-service teachers visit our school for practical experience. Carissa Pearson, a third year Federation University student is currently working in our Prep room.

Greater Western Region Cross Country:  
Declan Tickner and Eve Britton competed at the Year 3 – 6 Regional Cross County in Warrnambool on Monday. Declan placed 50th and Eve 27th. It was a wonderful achievement to compete at this level and we are very proud of both of you!

International Competitions and Assessments for Schools (ICAS) Competitions:  
Each year, we offer our Year 3 – 6 students the opportunity to take part in a number of competitions conducted by Educational Assessment Australia. The Digital Technology and Science competitions have been conducted recently and students will sit the Writing and Spelling competitions over coming weeks.

Lost Property:  
Once again, our lost property is overflowing! Please ensure that your children’s uniform items are legibly labelled, it makes it so much easier to return them to their owner. Please see Amy in the General Office if you are missing any belongings.

Special Achievement:  
Last week, Oliver and Quinn Clark travelled to Melbourne with their family to visit the toy department in Myer. This trip wasn’t a typical experience in the toy department as their purpose for the day was to be toy testers.

The experience transpired after Oliver had a conversation with his mother about what he might like to be when he grows up. Oliver decided that he could be a toy tester. Oliver then set about writing a letter to Myer management telling him about his ambition; with an invitation being extended to the family. Oliver, the first ever child toy tester and pictured right with the Myer toy team, engaged in one on one testing of the latest toys before completing an evaluation questionnaire on each toy. Oliver and his brothers played in the secret toy room and watched the design team create 3D drawings and artwork of the new toys.

Oliver and Quinn eagerly shared their experience at assembly last Friday. Well done Oliver on using your initiative to write a letter.

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty
Year 5/6 Tri Sports:
On Friday, our school football, soccer and netball teams competed at Terang and Noorat against other schools in our network. Thank you to Sarah Waxiel and Nat Oldhams for helping coach our netball teams. The students thoroughly enjoyed their day and played all games as cohesive team members, demonstrating excellent sportsmanship. Thank you to Mr Attrill for coordinating this event.

Prep – Year 2 Excursion:
On Tuesday 21st June, our Prep – Year 2 students will be visiting the Ballarat Wildlife Park, as part of their inquiry units on living and non-living things and Australian animals. Please return all permission forms and money promptly.

School Crossings and Brooke Street Parking:
I have received a number of reports from parents and community members that our students are not using the crossings correctly. Please remind your children that it is imperative that these are used at all times for their own safety.

We also understand that pick up and drop off times can be chaotic and appreciate your patience whilst a section of this zone in Brooke Street is out of action. However, we request that parents please do not pull into or park in front of the Brooke Street gates. This blocks the view of the crossing and we appreciate your understanding as we try and keep our students safe.

Staffing:
Judy Downie and Julie Nelson return from Long Service Leave after the Queen’s Birthday holiday next week. Thanks must be extended to Cilla Condie and Jan Green for their expertise in fulfilling the role of class teacher over the past month.

Year 1/2 Writing Stars:
Our Year 1/2 students have been learning how to write their own stories using a storyline and structure from a text that has already been published. The count back stories below were innovated from the text Ten Loopy Caterpillars by Joy Cowley:

Five scared bilbies,
Dancing on the floor,
One slipped over,
Then there were four,
Four scared bilbies,
Looking in a tree,
One got bitten,
Then there were three,
Three scared bilbies,
Eating pumpkin stew,
One vomited,
Then there were two,
Two scared bilbies,
Then there was one.

Five owls flying in the sky,
One broke its wing and it couldn’t fly,
Then there were four,
Four little owls,
Sitting in the tree,
One fell asleep,
Then there were three,
Three little owls,
Playing with glue,
One got its wing stuck,
Then there were two,
Two little owls playing outside in the sun,
One lost its memory
So then there was one,
One little owl lonely.
Found a gun,
He shot himself,
Then there were none.

Josh Lucas and Isaac Coote

Five koalas doing their chores,
One fell in to a crocodiles jaw,
Then there were four,
Four koalas chewing a gumleaf on a tree,
One got a tooth ache,
Then there were three,
Three koalas going to the loo,
One fell in,
Then there were two,
Two koalas licking their thumb,
One got a sore tongue,
Then there was one,
One koala was eating some gum,
It got a tummy ache,
Then there was none.

Matilda Narik and Mercy Rothman

Clare Monk, Junior Campus Assistant Principal

Logging into Compass
Thank you to the families who have returned their agreements to be issued with a username and password for Compass. Please keep these coming in so that we can get as many families signed up as possible. Once you receive your username and password in the mail, you will be able to access Compass via computer, tablet or mobile phone (iPhone or android) by downloading the Compass School Manager app from the Apple or Android app store or using the web address https://camperdowncoll.vic.jdlf.com.au/

Cherie Kilpatrick
Principal

Camperdown College Uniform Shop opening hours:
Wednesdays from 3.15pm – 4.00pm
Fridays from 8.30am – 9.15am and 3.15pm – 4.00pm
With the exception of new families, we are unable to open the Uniform Shop outside of these hours. We thank you for your understanding.

Pupil Free Days
TOMORROW, Friday 10th June – Report Writing Day
Monday 13th June – Queen’s Birthday Public Holiday
No students in Prep – Year 12 are required at school on these days.

Parents & Friends Fundraiser
Help us to reach our fundraising target so that we can purchase new playground equipment for the Junior Campus. All orders must be returned to the Junior or Senior Campus Office by Friday 17th June.

celebration OF Learning ASSEMBLIES
Senior: Wednesday 22nd June from 9am
Junior: Friday 24th June from 9am

Canteen Closed
Please note that the canteen will be closed on the last day of Term 2, Friday 24th June.
Please do not send your child to school with money or a lunch order.

Fashion Disaster Day
Friday 24th June 2016
@ the Junior Campus

Dress as your favourite fashion disaster and enjoy steamed dim sims for lunch to celebrate the end of Term 2!

MIS-matched
Op Shop
Lots of colour
Uncoordinated
Accessories Plus

Don't forget to dress up for a gold coin donation. Steamed dim sims must be pre-ordered. Order forms will be sent home on Tuesday 14th June. All proceeds to the Junior Campus Playground.

Friday 24th June 2016
@ the Senior Campus

Come dressed in red & donate to a fantastic cause:
SIDS and Kids

SIDS and Kids is dedicated to saving the lives of babies and children during pregnancy, birth, infancy and childhood and supporting bereaved families.

Hot Dogs ($2) and drinks ($2) will be sold at lunchtime.
On Thursday 16th June, we will be hosting the mobile *World of Work on Wheels* (WOWOW) bus and Virtual Career Expo Experience. This is an initiative of the Career Education Association of Victoria and the Department of Education and Training. All Senior Campus students will have access to the bus during this day.

On the WOWOW bus, students will undertake a structured lesson on career planning; view an online virtual career expo entitled *Next Steps* and participate in a Samsung Gear Glasses 3D Experience, which will involve students viewing a specifically designed virtual reality app using Samsung Gear VR Oculus 3D Glasses. Through the app, students will explore careers in six growth industry areas.

It is important to note that if your child suffers from certain medical conditions or symptoms, their use of the 3D glasses may expose them to risks of seizures, blackouts, dizziness or other discomfort such as disorientation, headaches or symptoms similar to motion sickness. If you have concerns about your child’s use of the 3D glasses please contact us prior to this activity.

Students will also be required to complete two short surveys. The first will be completed prior to the WOWOW bus visit as part of a classroom activity and will ask students about their future career plans and the types of information they need to make career decisions. The second survey will be conducted after the WOWOW bus visit. If you have any concerns about your child participating in these surveys, please let me know.

During the WOWOW bus visit, students may be photographed and these images may be used by the DET or CEAV. We feel very lucky to have been chosen to participate in this experience and are looking forward to it rolling in to Camperdown College.

If you have any concerns about any part of this program please let me know as soon as possible.

Sue Maskell, Careers Coordinator

**GREATER WESTERN REGION CROSS COUNTRY**

On Monday 6th June, thirteen Senior Campus students braved wet and cold conditions to represent Camperdown College at the Greater Western Region Cross Country at Victoria Park in Warrnambool. Competitors were as follows: James O’Neil, Cynan Ellerton, Daniel Nelson, Charlie Tickner, Riley Helmore, Jack Helmore, Nicholas Jones, Devon Coates, Ruby Bennett, Zoe Wilkinson, Amelia Kempton, Olivia Henzen and Sophie Sunner.

I would like to say a big congratulations to all of these students for making it through to this level and choosing to participate in the event. Special mention must go to Charlie Tickner and Jack Helmore (both pictured right with Daniel Nelson) who both placed 9th in their respective age groups and will go on to compete at State level. Well done boys and thank you to Ms Crowle for driving the bus on the day and to the parents who turned up to show their support.

Ashleigh Bloomfield
Year 7 – 12 Sport Coordinator

---

**parents & friends 5c challenge**

Keep those 5c pieces coming in, we are on track to reach our target!

We have raised $1035 in seventeen weeks; a tremendous effort!
On Friday 27th May, Year 9 students attended the Try A Career Day at South West TAFE’s Sherwood Park Campus. All students engaged in three activities that gave them a taste of the various industries and courses available through South West TAFE’s VETiS program. Students took part in activities in hospitality, automotive, media, hairdressing, make up, community services, art and building. Students were then treated to a tour through the various departments and facilities of the main Timor Street Campus.

We are proud and excited to have some of our students participating in the 2016 Victorian State Schools Spectacular: The Elements. This year’s Spectacular will be held at Hisense Arena on Saturday 10th September, with two shows at 1pm and 6.30pm. The three hour Spectacular will be filmed for broadcast by Channel 7.

For a fun, family entertainment experience, and to cheer on our students from the audience, be quick to secure discounted tickets. Talented young skaters, musicians, dancers and singers will feature on stage, while many other students will work behind the scenes, gaining unique, on-the-job, professional experience.

This program, run by the Department of Education and Training, helps to develop each student’s performance skills, discipline, perseverance, cooperation and confidence under the training of industry professionals. Discount Early Bird tickets for the Spectacular are available for eleven days only from 10am on Friday 3rd June. Standard ticket prices will apply after then.

Early Bird tickets – available for eleven days only from 10am on Friday 3rd June:
- Adult $35
- Child Under 15 $18
- Concession $30
Buy ten tickets and get one adult ticket free
(for group bookings please call 1300 364 001)

General Admission tickets – available from 9am on Tuesday 14th June:
- Adult $40
- Child Under 15 $20
- Concession $30
Buy ten tickets and get one adult ticket free
(for group bookings please call 1300 364 001)

To purchase tickets, visit www.ticketek.com.au or phone Ticketek on 132 849. For more information about the event and program, go to the Spectacular Facebook and website page:

Year 3 – 6 Division & Regional Cross Country
On Friday 27th May, four students from Year 3 – 6 travelled to Warrnambool to compete in the Division Cross Country at Victoria Park. Ruby Kempton, Dylan Robertson, Declan Tickner and Eve Britton put in their best efforts and we were very proud of the fact that they all finished in the top half of their age groups.

From their results on this day, Eve and Declan (pictured right) both progressed on to Regional level where they competed at the same venue on Monday 6th June. Both students did a fantastic job and represented Camperdown College proudly. It is always a tremendous effort to make it past district level, well done Eve, Declan, Dylan and Ruby!

Warren Attrill, Prep – Year 6 Sport Coordinator

Soup of the Week:
Pumpkin $2.50
With dinner roll $3.00
(Vegetable soup available from Wednesday 15th June)

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty
**Year 5/6 Tri Sports**

Friday 3rd June saw the annual Winter Tri Sports which was held at Noorat and Terang. Our Year 5/6 students competed in netball, soccer and football against seven schools from in our district. The football games were played at Noorat and I was very proud to see all of our students trying their best and enjoying themselves. We had two netball teams taking part in the day at the Terang Recreation Reserve. Both teams were able to score some wins and all involved had a great day. Our soccer team competed at Terang College and also yielded some victories and were very competitive. Overall, the day was about fun and participation and all students were able to participate with great sportsmanship. I would like to say a huge thanks to Sarah Waixel and Nat Oldhams who volunteered their time to coach and umpire the netball whilst Senior Campus students Zach McKenzie and Henry Hocking were invaluable assisting at the soccer.

Warren Attrill, Prep – Year 6 Sport Coordinator

---

**Calling for Parent helpers...**

The canteen is in need of volunteers during the following times and days:

- **Wednesdays and Thursdays from 10.30am – 12.30pm**
- **Fridays from 10.15am – 1.15pm**

If you are available during these times, once a week, fortnight or term, we’d love to hear from you!

Please contact Amy at the Junior Campus.

---

**Junior Campus Awards**

27th May 2016: Jordan Kempton, Melissa Clarke, Felicity Moroney, Ishmael Rothman, Charlotte-Rose Richardson and Hunter Woods.

CAREER NEWS

- EXPERIENCE LA TROBE – See: www.latrobe.edu.au/study
- EXPLORE OCCUPATIONAL THERAPY – 14 July @ Austin; Apply: keely.zenner@austin.org.au
- VCE HOLIDAY LECTURES AT MELBOURNE UNIVERSITY – Literature, Australian History and History Revolutions. Bookings: Book Now DESIGN EVENTS AT SWINBURNE – 5-8 July, Hawthorn; $160; Register: Register now.
- RMIT – FOLIO PREPARATION COURSES – Information: Call 9925 8111 or click here.
- LA TROBE’S ASPIRE PROGRAM – applications open; Info: www.latrobe.edu.au/aspire

1. EXPERIENCE RMIT – Would you like to learn more about studying at RMIT? The RMIT ‘Experience Days’ Event program is now available, giving Year 10 – 12 students the opportunity to attend free events and engage in workshops in business, science, social impact, health and medical sciences, engineering, marketing and communications, property and project management and design, and experience life on campus. Go to: www.rmit.edu.au/experiencedays, then to Event Program for more information and to book. The experience days are in the holidays.

2. WHERE CAN I STUDY PHYSIOTHERAPY?
Physiotherapy is a popular choice of career, with many aspiring physiotherapists hoping to become sports physiotherapists. The reality is of course, that many physiotherapists work in other settings such as hospitals, community health centres, in mental health, and in rehabilitation, often with elderly patients. In Victoria, physiotherapy is taught at La Trobe, Melbourne and Monash universities, and, from 2017, at Australian Catholic University (ACU) in Ballarat. The ATAR required for entry to physiotherapy is very high due to the popularity of the course, and to the fact that places are limited. La Trobe uses the ATAR for selection, Monash uses the ATAR and an interview, while at Melbourne, as with many of their degrees, physiotherapy is studied as a postgraduate degree. Applicants for Melbourne must have completed an undergraduate degree with human anatomy and human physiology subjects.

The aim of ACU offering physiotherapy in Ballarat is to help tackle the shortage of healthcare professionals in the Ballarat region by offering local training opportunities for up to 50 students. Purpose-built facilities will be available on campus and there will be access to laboratories, hospitals and health services in the region. Prerequisites for the ACU course are: Units 3 and 4 – a minimum study score of 30 in English (EAL) or 25 in any other English, and a minimum study score of 25 in one of Biology, Chemistry or Physics.

3. LA TROBE UNIVERSITY NEWS
- WHAT IS THE ASPIRE GENERATION? As noted previously, La Trobe university offers the Aspire Early Admissions Program for Year 12’s applying for La Trobe (applications are now open, and close 31 August at www.latrobe.edu.au/aspire). In addition, La Trobe is promoting the ambition of the next generation to come together and solve pressing issues facing our global communities. So La Trobe is launching the Aspire Generation for Year 10-12 students. This is a community of young people connected by their aspiration to make a difference through community service and leadership. The Aspire Generation will be empowered to drive change through community engagement, volunteerism and leadership opportunities. (eg La Trobe’s recent partnership with Orange Sky Laundry underpins the ongoing commitment to driving social change). Students in years 10-12 can register their interest online via the Aspire Generation page.

- SPRING INTO THE GREAT OUTDOORS IN THE HOLIDAYS! This is early notice of an experience of a lifetime. Find out what it is like to be an Outdoor and Environmental Education student at La Trobe university in the September School Holiday Program. When: 26-30 September, 2016; Where: Either canoeing on the Murray River OR bushwalking and climbing at Kooyoora State Park; Cost: $100 (including food/equipment). The trips will begin and end at La Trobe’s Bendigo campus; sign up now.

4. COMPUTER GAMES BOOT CAMP COMING – The Faculty of Information Technology at Monash University invites Years 9-12 students to this annual event. It is an interactive event for students to engage with like-minded people and find out what their career could look like after completing studies with this Faculty. Learn about areas like graphic design, 3D animation, software development, web design, multimedia development, data science and cyber-security. When: 5-7 July; Where: Monash University, Clayton Campus; Register: https://cgbcm.ona.edu/#register; Cost: Free; Info: 9905 5845.

5. AUSTRALIAN JOBS 2016 – In 2016 the Australian labour market is markedly different from that experienced in past decades. The Federal Government’s Department of Employment has a publication called ‘Australian Jobs’, presenting an overview of the current labour market and highlights the major changes which have occurred. It is useful for those exploring careers and those wanting a better understanding of the labour market. See: www.employment.gov.au/skill-shortages.
Footy Tipping Competition

The ladder is still very tight after round 11. It’s still anyone’s race. Keep up the good tipping!

1. Simon Tolland 76
2. Finn Tolland 75
3. Grant Fleming 74
4. Michelle Norton 73
5. Chrissy Fleming 72
6. Lachie Stephenson 71
7. Dave Wilkinson 71
