What a wonderful sight: our Junior Campus students exploring their brand new playground equipment! It is a great credit to our school community that this project has been completed within the year and our students, present and future, are certainly the beneficiaries.

Congratulations to our Parents & Friends Association and special thanks to Sam and Kasey Walsh (Waldig) and Tony Heath (Rural Welding) for their very generous support. A number of complementary Junior Campus yard projects are presently being completed in time for our official opening ceremony on Friday 28th October. Please join us for these special celebrations!

Cherie Kilpatrick, Principal
Students in Year 8 – 10 have received information this week about the proposed 2017 Indonesian study tour which will take place in the September/October school holidays. Our inaugural Indonesian study tour in 2015 was a great success and we are very pleased to offer this opportunity to a new group of students. The trip will incorporate a visit to our sister-school in Bogor (Java) as many cultural and historically significant places in Yogyakarta (Java) and Bali. This will also be an excellent opportunity for students to practise their Indonesian language skills. Interested students will need to ensure that an expression of interest is submitted by Thursday 20th October.

Congratulations to the six students who have been selected to attend the Year 9 School for Student Leadership Snowy River Campus in Term 3: 2017: Tiana Hinkle, Amelia Kempton, Grace Jopling, Otto Leonard-Pekin, Harry Sunner and Charlie Tickner. It was very encouraging to see so many students express interest in this opportunity – well done to all of our Year 8 applicants.

Term 4 has seen some staffing changes, with our canteen manager Ros Sullivan moving on from her position after 10 years of valued service to the school. Lisa Jones will fill the canteen manager role for the remainder of 2016 and, as advised in the previous newsletter, School Council will continue to explore alternative delivery models, including outsourcing to a local business, for the future. Science/Technology teacher Kim Gration, who is presently filling a short term contract at Warrnambool College, has accepted an ongoing position and will not be returning to Camperdown College next year. We wish Ros and Kim all the best in their new endeavours.

Enrolment figures for 2017 are strong and we have commenced our workforce and provision planning for next year based on larger than expected numbers at both Prep and Year 7. We are looking forward to welcoming many new students and families into the Camperdown College community.

On Friday this week, students will receive their second progress report on Compass. As you are aware, this semester we have made the transition to progressive reporting so we can keep you better informed about your child’s learning. Progress reports are completed every six weeks and made available through the online Compass portal. Parents who have not yet obtained their log on details are encouraged to contact either campus office so we can provide the necessary information and support. As this is the second progress report for the semester, you will see, in a very visual, user friendly format, any improvements and changes that have occurred since week six. Your feedback about this new style of reporting will be greatly appreciated.

Next Wednesday signals the end of formal classes for our Year 12 students and the commencement of the intensive final revision period prior to VCE exams. The Year 12 final assembly will give us an opportunity to acknowledge and celebrate the contributions and achievements of the VCAL and VCE students of the Camperdown College Class of 2016 and we hope that many families will be able to join us. This is an occasion that usually involves many light-hearted moments but is always tinged with sadness as we prepare to say goodbye.

Another important event in October will be the official opening of our new Junior Campus playground. Over the school holidays, a small but determined team of helpers put the finishing touches on the playground by spreading 120 cubic metres of mulch. Thank you to Kasey and Sam Walsh, Sheree and Roger Horpise, Jane and Graeme Bennett; and the Walsh, Horpise, Tolland and Bennett children and friends who helped to get the job done. The assistance and machinery supplied by Waldig Civil Construction ensured that the playground was ready for use on the first day of term and we are very grateful for this generous support. Families are warmly invited to join us for the official opening to celebrate the completion of a very successful project.

Ms Cherie Kilpatrick, Principal

Calendar of Events

| Monday – Tuesday | 17th – 18th October | Year 3/4 Kangarooie Camp |
| Tuesday | 18th October | Scholastic Book Club due for Prep – Year 6 students |
| Wednesday | 19th October | Junior Campus Walking School Bus (8.30am @ the Visitor Information Centre) |
| Wednesday | 19th October | Year 12 Final Assembly in the AG Daws Hall from 9am All welcome |
| Wednesday | 19th October | Year 12 Mystery Trip from 11.30am |
| Thursday | 20th October | VCE Geography Unit 2 Field Work – Lorne |
| Thursday | 20th October | Sporting Schools (Hockey) at the Junior Campus from 3.15pm – 4.30pm |
| Friday | 21st October | Prep – Year 6 Udderly Awesome Milkshake Day |
| Friday | 21st October | Prep – Year 6 Udderly Awesome Disco in the AG Daws Hall from 6pm – 8pm |
| Wednesday | 26th October | Junior Campus Walking School Bus (8.30am @ the Visitor Information Centre) |
| Wednesday | 26th October | Year 7/8 Hockey in Dimboola |
| Wednesday | 26th October | VCE Exams begin |
| Thursday | 27th October | Deakin Experience Day |
| Friday | 28th October | Junior Campus Playground Official Opening from 2.15pm All welcome |

Our Mission:

Camperdown College will provide exemplary teaching and learning programs within excellent facilities which foster school pride, aspiration and persistence to achieve high levels of learning for all students.
Senior Campus News

Welcome back to the final term for 2016. I hope that you all had a refreshing break and are ready for a busy and exciting term. The calendar is full, with dates set for exams, Year 9 camp, Year 8 hockey in Dimboola, interschool sport, VCE Step Up and Presentation Night.

Year 12:
Our Year 12 students had a busy time over the holidays and since then attending lectures and revision classes both at school and throughout the state. Thank you to staff who have given up their time to conduct or transport students to these lectures.

Next Tuesday is the final day of classes for our Year 12 students. On Wednesday at 9am, a final assembly will be conducted by the Year 12 students – family and friends are most welcome to attend. Year 12 students will then join the staff for morning tea and then will venture on a Mystery Trip for the rest of the day. Students must then work in earnest to continue to revise and prepare for their exams, with the first exam being the English exam on Wednesday 26th October. We wish all the students the very best on their exams.

Greater Western Region Athletics Carnival:
Last Friday Miss Bloomfield accompanied Olivia Henzen, Molly Hedrick, Nick Jones and Charlie Tickner to the Greater Western Region Athletics Carnival in Ballarat. Our students performed very well with both Olivia and Molly gaining silver medals. Congratulations to these students who made it through to this level of the athletics competition.

Health and PE Week:
Miss Bloomfield and her Year 11 PE class had lots of before school and lunchtime activities organised for this week to celebrate Health and PE Week. Due to the inclement weather forecast, it was decided to reschedule these events to next week.

World Trade Skills:
VCAL students travelled to Melbourne on Friday to watch the best apprentices from around the world competing to be crowned the best in their field. Students were enthralled by the skill level and variety of trades represented.

VCE English Texts for 2017:
Students studying Year 11 and 12 English next year have received their text list for next year. Students are expected to read their texts over the summer vacation. If pre orders are made, students will receive their texts in time for the step up program.

Progress Reports:
Week 12 Progress Reports will be posted on Compass tomorrow. If you cannot access your reports please contact the office.

Girls' Footwear:
The School Council Policy Committee has endorsed the transition to lace up school shoes for all Senior Campus girls due to Health and Safety reasons. As students grow out of their leather t-bars it is expected that lace up leather school shoes will be purchased.

Vicki Angus, Senior Campus Assistant Principal

Junior Campus News

Welcome Back:
Welcome back to all students as we begin Term 4 for 2016. We are sure the term will be one full of wonderful learning and enjoyable experiences.

Mrs Monk:
Mrs Monk is completing requirements for the Bastow Leadership Course she is undertaking and will be returning to the Junior Campus on Wednesday 26th October. During her absence, I will be acting in her role and happy to help with any issues or concerns you may have whilst she is away.

Student of the Term Recipients:
At the end of Term 3 each class teacher presented their Student of the Term award to a student who had shown exceptional ability in their academic and social learning as reflected in our Camperdown College values and strive for excellence. The following Student of the Term recipients enjoyed a special lunch with Ms Kilpatrick and Mrs Monk last Thursday at the Junior Campus:

Prep: Tamara Bennett-Anderson & Ethan Shadforth
Year 1/2N: Keira Johnston
Year 1/2T: Noah Bassett
Year 3/4A: Amali Ingham
Year 3/4D: Ruby Kempston
Year 5/6B: Josh Colman
Year 5/6N: Mirryn Ellerton

Congratulations to these students for their fantastic efforts throughout Term 3.

Tom Meadow’s Visit:
Last Friday we were lucky to have Tom Meadow’s from Bellair Primary School in Geelong visit our school and show his amazingly talented abilities in music. Tom was a co-writer of this year’s Music Count Us In song Let It Play. He performed this song and many covers on his guitar and answered questions about his music and ability to write songs. We are very grateful to Tom for his visit and for providing us with such a memorable afternoon.

Walk to School:
October is Walk to School month and in celebration of this wonderful initiative a Walking School Bus will be operating every Wednesday morning, departing the Visitor Information Centre at 8.30am. The last two Wednesday’s have seen an abundance of
school families join Ange and fellow staff members on an enjoyable walk to school. Our first Walking School Bus carried 36 walkers to school which was just fantastic! We look forward to seeing it grow as we move through October and celebrate the benefits of regular walking.

**VCOP and the Big Write:**
VCOP and the Big Write is a daily and weekly occurrence in all classrooms from Prep – Year 6. Students have been working hard to up-level their writing by exploring and implementing elements from VCOP into their writing pieces including their Big Write each week. In each big newsletter, we will be showcasing some wonderful writing pieces from the Big Write in a certain year level. This week, we have some special writing completed in last week’s Big Write from the Year 1/2 students.

**Udderly Awesome Disco & Milkshakes:**
Next Friday 21st October, Junior School Council will be holding an *Udderly Awesome* Milkshake Day at lunchtime with milkshakes being sold for $2 each. Just a reminder that milkshakes must be pre ordered and slips returned by next Tuesday 18th October. To continue the celebrations, students are invited to join us for an *Udderly Awesome* Disco on the Friday night between 6pm and 8pm at the AG Daws Hall, Senior Campus, for some disco dancing! Admission is $5 per child or $10 per family payable on the night.

**Slushies & Popcorn for Year 3/4D:**
Year 3/4D enjoyed a wonderful treat from Parents & Friends on Tuesday this week as a thank you for raising the highest amount for Term 3 in the Silver Challenge. Popcorn and slushies were thoroughly enjoyed by all within the class and was a wonderful way of saying thanks for such a significant contribution to our Junior Campus playground.

**Concert Let’s Get Physical:**
The last Thursday of Term 3 saw our campus showcased to the school and wider community in a night of fabulous performances at our annual concert. All classes and students shone in performances that reflected each class’ interests and talents. It was wonderful to see all of the hard work that students had put into learning a routine or set of lines and watching them perform in front of a very large crowd. All students should be extremely proud of their efforts and for making the night such an exciting and memorable event.

**Triathlon:**
Year 3 – 8 students are invited to express an interest in participating in a triathlon to be held on Friday 18th November in Warrnambool at Lake Pertobe. It involves swimming, running and cycling. Students can compete in all three requirements individually or form a team to compete one leg each. Cost is $20. More information is available by contacting Mr Attrill with expression of interest due by Friday 28th October.

**Start Times:**
Just a reminder that classes start at 8.50am at the Junior Campus each day. It is so very important that students have arrived at school and ready to commence classes by this time. It would be greatly appreciated if you could support us by having your child at school ready to begin by 8.50am each day ensuring they are not missing vital classroom instruction at the beginning of each day.

Jacinth Tolland, Junior Campus Assistant Principal

---

**Year 12 Final Assembly**

**Wednesday 19th October 2016**

**Beginning at 9am**

**In the AG Daws Hall**

Family and friends welcome
Footy fever hit the Junior Campus on Friday 16th September, when students came dressed in their favourite team colours donating a gold coin to the playground redevelopment.

Camperdown Football Netball club players; Jack Hickey, Eddie Lucas, Luke O’Neil and Tyler Fowler joined in the fun, mingling with students before conducting a mini skills clinic involving the students.

Clare Monk, Assistant Principal

Senior Campus staff bring home a win on Footy Colours Day!

The last day of Term 2 provided staff and students with a chance to display their AFL allegiance and enjoy a typical footy lunch with a pie and sauce – thank you to Clarke’s premium pies for the generous discount. It was so pleasing to see an array of football teams’ colours amongst the students and staff.

During period 5 a very skilful football match between staff (with a little help from senior students) and students took place. The staff were victorious and have thrown down the challenge for a rematch in 2017.

Congratulations to those doggies supporters out there – we are all so happy for you with winning the AFL Premiership.

Suzanne Charles
SRC Coordinator.

Student Free days
Monday 31st October: Staff Professional Development Day
Tuesday 1st November: Melbourne Cup Public Holiday
Student achievements were acknowledged and celebrated at our end of term Junior and Senior Campus assemblies. Our very deserving Prep – Year 6 Students of the Term were presented with their certificates and invitations to a special lunch, while at the Senior Campus each teacher presented a Learning Award to a student who had made exemplary progress in his or her learning. Students with a perfect Term 3 attendance record received an award and a range of individual and team efforts were acknowledged also. The outstanding achievement of Year 8 student Tim Fagan who achieved the highest score in Victoria for the ICAS Digital Technologies competition was a highlight of our celebration of learning.

Cherie Kilpatrick, Principal
Parents & friends silver challenge

It’s done & dusted!

Since the beginning of the year, Camperdown College students, staff and the wider Camperdown community have worked very hard and saved not only their 5c pieces, but all silver coins which in turn have raised $2,638.45. Due to this outstanding effort, we will soon have a new cubby house as an exciting addition to our new Junior Campus Playground.

Congratulations to Stella Horspole in Year 3/4A who managed to raise $85.10, the highest individual tally out of all of the students at the Junior Campus and received a small prize, well done Stella!

Greater Western Region Athletics

Last Friday 7th October, four of our secondary students travelled to Ballarat to compete in the Greater Western Athletics. The students were Olivia Henzen, Molly Hedrick (pictured right), Nicholas Jones and Charlie Tickner. Although conditions were rather cold, each student still performed to the best of their ability. It is a great effort to reach this stage of athletics and well done to them all for choosing to attend and representing the College well.

Special mention must go to Olivia Henzen who placed 2nd in her 200m and Long Jump, and to Molly Hedrick who also placed 2nd in Long Jump.

Ashleigh Bloomfield
Year 7 – 12 Sport Coordinator
Music Count Us In visit by Tom Meadows:
Last Friday, we were delighted to have Tom Meadows, one of the winning songwriters of this year’s Music Count Us In song, Let it Play visit our students at the Junior Campus.

Tom told students about his experience of flying to Sydney for the day to write the song with three other students who had won the MCUI Song Writing Competition. The students worked with mentors John Foreman and Jay Laga’aia from Play School fame.

Our students watched a short video about how the song was written which featured Tom. Tom then played our students the original version of the song that was made that day which was quite different to the finished product, which had extra musical arrangements and rock band and string quartet parts added. Tom then played a couple of his own songs.

Later, our school band played along with the backing track while our students sang Let it Play with Tom. Tom said it was the first school he had visited where a school band had accompanied the students singing, something we can be very proud of! We were very fortunate to have Tom come to Camperdown College to share his love of music and his experiences as a young song writer, which was very inspiring for our students.

Cobden Festival:
There is a great opportunity, and prize money of up to $200, for any students wishing to do some busking at the Cobden Festival this Saturday 15th October. Buskers need to register at the Cobden Festival office this Saturday 15th October after 10am.

Fiona Pugh, Instrumental Music Teacher

Camperdown College Uniform Shop opening hours:

VCAL Students Donate Blood
Three VCAL students donated blood last Wednesday at the Warrnambool Blood Bank. Nakeea Parlour, Tamara Emery and Andrew Anderson willingly donated their blood and enjoyed the experience.

Sue Maskell, VCAL Coordinator

Sue Maskell, VCAL Coordinator

Andrew Anderson enjoyed participating in the recent World Skills Day.

Last Friday, Mrs Hill and Ms Hurrell took the VCAL students to the Melbourne Showgrounds to view the World Skills Competition. This involved the best apprentices from around Australia competing against each other to be crowned champion!

It was a great day and a real eye opener to the extent of trades, careers and organisations on display. All students had to have a go at skills tests and watch the best in action.

Sue Maskell, VCAL Coordinator

Progress reports will be posted on Compass tomorrow, Friday 14th October. Paper copies will not be sent home. If you have not yet applied for a logon, please contact the Junior or Senior Campus Office.

Vicki Angus
Assistant Principal
BigWrite Stars

WEEK 1

Year 1/2 Big Write:
In week 1, the Big Write topic was The best thing I have ever done with my family. Students wrote a recount focusing on correct structure and punctuation. They were encouraged to include higher level punctuation and WOW Words to make their writing more interesting for the reader.

Nancy Leonard-Pekin:
The best thing I’ve ever done with my family was when we went to the pool in Geelong, where there is a giant water slides! When Mum went on the Noodle Bowl she screamed like this, eeeeeeeeeeeeeeeek!!!!!!! That was just because of the sudden drop in the water slide. There was another one, the Rocket Ride, Mum screamed, but I just said, calm down Mum, it’s not that dangerous. Mum didn’t listen. Then Ben and I went on the Rocket Ride. Hmmm don’t see how Mum would be scared Ben said as we were going on the side of the slide. After that, I counted how many times I went on the slides, it turned out to be ten. Then I did a couple of handstands and a lap in the pool. We also went to McDonalds for lunch, we stayed another night and went home.

Josh Finlayson:
We moved to Victoria. It took two days to get to Victoria. We stayed at our Auntie’s house and then we got to see our new house. We played with two puppies. It was fun playing with the puppies. We had to unload the car and setup our new house. I really like our new house.

Amelia Gili:
I was lying in bed feeling bored when Mum came in and said that our Aunty Barbs’ is coming over to take us to Luna Park (in Melbourne). I was only about four or five so it sounded like the best thing ever! When Aunty Barbs got to my house, Mum packed the picnic, although my brother Ralph did help make the sandwiches. Dad put me into the car and off we went to Melbourne! When we got to Luna Park, the entrance was a giant mouth!

I asked, Can I have the picnic? The adults said. Yes. The sandwiches that Ralph made were delicious! The rides there were: The Scissors, The Tea Cup Ride and lots of others. My favourite ride was the Minnie rollercoaster. I got to eat fairy floss and a vanilla ice-cream smothered in chocolate with a flake. It was a totally awesome day. I had so much fun!

Jackson Bennett:
I woke up in a plane in the air. I was wondering where I was. When we landed I remembered we were in Fiji. We got our luggage. A man drove us to our apartment but he took us to our cousin’s apartment. We got our togs on then went to the pool. I saw Pop. I yelled, BOO! He got a fright. I said to Mum, Why are we here? Mum said, It’s Pops birthday.

Drake Biscoe:
The best thing I’ve ever done with my family is exploring. The best place we ever explored was Devils Kitchen. It is near Ballarat and it is out of town. There were big rivers and small holes. There were blackberry bushes that were prickly. I had to go through a little river to get to Grumpy and Granny. I climbed a ginormous rock. There was a huge mountain. We didn’t know where Grumpy was so we decided to climb the mountain. We found Grumpy at the top but then we had to leave. Now that was the best thing I’ve ever done with my family!

Ishmael Rothman:
The best thing I have ever done with my family was to go on a holiday to Pinnacle Lodge. We went with Nana. I slept in my sleeping bag on the top bunk. When we woke up in the morning we drove to the snow at Mount Bulla up the windy roads. Mum saw snow and she at first thought it was polystyrene! We were all delighted to see snow! When we got there we went to the Toboggan Run.

It was fun because we built a snowman and went tobogganing but I kept slipping when I climbed up the stiff hill! We took photos of the snowman. We named it Olaf.

Claire Tucker and Julie Nelson
Year 1/2 Teachers

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty
The first Victorian Maths Challenge is now open for families to access and enjoy together. It includes activities for students and their families that link maths to real-world situations.

For pre-schoolers, parents can use different activities to introduce their children to maths in real-life settings like the supermarket. For Year 5 – 8 students, there are eight online challenges students can do at home with their families, including building and measuring towers, designing paper planes, strategy games and building floatable craft. The Challenge is open until Tuesday 29th November and you can find it at http://vmc.global2.vic.edu.au/.

Michelle Norton, Numeracy Leader
From September, 5 things to remember
Slip! Slap! Seek! Slap! Slide!

From September, Victoria’s UV levels are on the rise, so it’s time to dust off the sun protection gear and Slip, Slap, Slap, Seek, Slide whenever you are outside. Check the daily sun protection times — you can find them on the free SunSmart app, online (sunsmart.com.au), in the weather section of newspapers, or as a free SunSmart wallet. If you can’t check the sun protection times each day, make sure you use sun protection every day from September to the end of April in Victoria. Don’t just wait for hot, sunny days.

Remember these 5 SunSmart steps during the sun protection times, even if it’s cool or cloudy:
1. Slip on covering clothing: If you can see skin, UV can reach it. Is your child’s skin covered with cool clothing today?
2. Slap on SPF 30 or higher broad-spectrum sunscreen. Apply sunscreen before going outdoors and reapply every two hours. One application is not enough. Has your child had sunscreen applied and reapplied today?
3. Slap on a sun protective hat. These best fit shades the head, face, eyes, ears and neck. Does your child have hat that protect all of these areas?
4. Seek shade. Shady places help block some of the sun’s UV but not all so you still need to wear hats, clothing, and sunscrean even in the shade. Does your child have shady places to play?
5. Slide on sunglasses labelled AS 1067. If possible, help protect your child’s eyes with sunglasses. Are your child’s eyes safe in the sun?

A note about vitamin D
The sun’s UV is the best natural source of vitamin D.

From September to April in Victoria, most people need just a few minutes of sun exposure mid-morning or mid-afternoon on most days of the week to help with vitamin D. Even with sunscreen you can still get some vitamin D. Sun safe outdoor play throughout the day should not put your child at risk of low vitamin D.

- Skills in how to recognise the signs and symptoms of mental health problems;
- Knowledge of the possible causes or risk factors for these mental health problems;
- Awareness of the evidence-based medical, psychological and alternative treatments available;
- Skills in how to give appropriate initial help and support someone experiencing a mental health problem;
- Skills in how to take appropriate action if a crisis situation arises involving suicidal behaviour, panic attack, stress reaction to trauma, overdose or threatening psychotic behaviour.

Places are limited.
Please RSVP to Brianna on 5593 6000.

* More courses to be held in 2017 *
- Including one course in Macarthur - Please phone Brianna to place your name on the waitlist

Who’s in Charge?

Does your child hurt, intimidate or abuse you?
Do you feel you are losing control?
Want to handle conflict better?

The Who’s in Charge? Group is an 8 week program for parents or carers of young people (6 to 18 years) who are out of control, violent or defiant.

The group aims to:
- Provide a supportive environment to share experiences and ideas
- Clarify boundaries of what is acceptable and unacceptable behaviour
- Reduce feelings of isolation, shame and guilt, which most parent’s feel
- Offer ideas to help develop individual strategies for managing your child’s behaviour
- Explore ways of increasing safety and well-being
- Help you feel more in control and less stressed
